Costzon 06647

Costzon Kids Toy Storage Organizer

MODEL: 06647

Introduction

The Costzon Kids Toy Storage Organizer is designed to provide a comprehensive and versatile storage solution for children's items. This unit features wide top shelves, 8 removable storage bins, 4 open compartments, and 2 single-door cabinets, allowing for organized storage of books, toys, clothes, and snacks. Its child-friendly height and safety features make it suitable for various children's environments.

Key Features:

- **Generous Storage Space:** Offers categorized storage with wide top shelves, 8 bins, 4 open compartments, and 2 cabinets.
- **Flexible Bin Configuration:** Includes 8 removable bins (4 large, 4 small) for easy rearrangement and access.
- **Enhanced Safety:** Equipped with an anti-toppling device to secure the unit to the wall, compliant with ASTM and CPSIA standards for children aged 3+ years.
- **Well-designed Details:** Features child-friendly height, protective raised edges, smooth rounded corners, and user-friendly round knobs.
- **Versatile Use:** Suitable for bedrooms, playrooms, living rooms, daycares, and classrooms.

Safety Information

For the safety of your child, please adhere to the following guidelines:

- Always secure the toy organizer to the wall using the provided anti-tip kit to prevent tipping.
- Do not overload shelves beyond the maximum weight capacity of 265 lbs (120 kg).
- Keep the toy organizer away from heat sources and do not expose it to extreme temperatures.
- Always supervise children while they are using the toy organizer.
- Ensure all parts are correctly assembled and tightened before use.

Child-friendly Height Design

- ⚙️ Keeps essentials within easy reach
- ⚙️ Helps kids develop good organization habits

Included Components

The package for your Costzon Toy Storage Organizer includes the following items:

- 1 x Toy Storage Organizer unit
- 4 x Large Storage Bins
- 4 x Small Storage Bins
- 1 x Instruction Manual
- All necessary hardware for assembly

Assembly Instructions

Assembly of the Costzon Kids Toy Storage Organizer is required. Please follow the detailed step-by-step instructions provided in the included instruction manual. Ensure all parts are accounted for before beginning assembly. A video demonstrating the assembly process is available below for visual guidance.

Your browser does not support the video tag.

Operating Instructions

The Costzon Kids Toy Storage Organizer is designed for intuitive use, promoting organization and easy access for children.

- **Using the Bins:** The 8 removable bins are ideal for sorting toys by type, size, or play preference. Children can easily pull out a bin to access its contents and return it when finished.
- **Open Compartments:** The 4 open compartments are perfect for displaying books, larger toys, or decorative items that children can easily reach.
- **Cabinet Storage:** The 2 single-door cabinets provide enclosed storage for items that need to be kept out of sight or for more delicate belongings.
- **Top Shelves:** Utilize the wide top shelves for additional display space or for items that require adult supervision.

Maintenance

To ensure the longevity and cleanliness of your Costzon Kids Toy Storage Organizer, follow these maintenance tips:

- **Cleaning:** Wipe down the surfaces with a soft, damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Bin Care:** The removable bins can be washed with soap and water. Ensure they are completely dry before returning them to the organizer.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Moisture:** Do not expose the unit to excessive moisture or humidity, as this can cause damage to the engineered wood.

Troubleshooting

If you encounter any issues with your Costzon Kids Toy Storage Organizer, consider the following common solutions:

- **Unit Wobbles:** Ensure the unit is placed on a flat, level surface. Check that all assembly screws are

securely tightened. Verify the anti-tip kit is properly installed and anchored to the wall.

- **Bins Not Sliding Smoothly:** Check for any debris in the bin tracks or on the bins themselves. Ensure bins are not overloaded.
- **Missing Parts:** If any parts are missing upon unboxing, please refer to the customer support section for assistance.
- **Damage During Shipping:** If the product arrived damaged, contact customer support immediately with details and photographic evidence.
