

Maupvit B0FKMKJ7CT

Maupvit Narrow Hall Tree with LED Lights User Manual

Brand: Maupvit | Model: B0FKMKJ7CT

1. SAFETY INFORMATION

Always follow assembly instructions carefully. Use anti-toppling devices to prevent the hall tree from falling over. Do not exceed the weight limit of the coat hooks and shoe storage compartments.

2. PRODUCT OVERVIEW

The Maupvit Narrow Hall Tree is a versatile 5-in-1 furniture piece designed for entryways and mudrooms. It integrates a coat rack, shoe cabinet, shoe changing bench, and entryway lighting into a single unit.

- **Space-Saving Design:** Combines multiple functions to optimize space in narrow areas.
- **Smart LED Lighting:** Features RGB LED lights with remote control via an app, offering over 60,000 colors and 29 flashing modes, including a music sync function.
- **Ample Storage:** Includes two flip-drawer shoe cabinets with adjustable dividers, nine metal coat hooks, and additional side hooks for umbrellas or keys. The top shelf provides open storage for decorative items.
- **Comfortable Seating:** A built-in bench with a removable cushion offers a convenient spot for changing shoes.
- **Durable Construction:** Crafted from heavy-duty MDF board and includes anti-toppling devices for stability.

3. ASSEMBLY INSTRUCTIONS

Your Maupvit Hall Tree comes with detailed, illustrated assembly instructions. Please follow these instructions carefully for proper setup. All parts are labeled with numbers to facilitate the assembly process.

1. Unpack all components and verify against the parts list provided in the manual.
2. Assemble the main frame according to the step-by-step diagrams.
3. Install the shoe storage drawers and bench.
4. Attach the coat hooks and any additional accessories.

5. Secure the anti-toppling device to a wall stud to prevent accidental tipping.
6. Connect the LED light strip and ensure it functions correctly.

Important: Do not overtighten screws. Ensure all connections are secure before use. Always use the anti-toppling device.

4. OPERATING INSTRUCTIONS

4.1. Smart LED Lighting System

The integrated RGB LED light strip can be controlled via a mobile application. Download the specified app (details in the included manual) to your smartphone.

- **App Control:** Use the mobile app to select from over 60,000 colors and 29 flashing modes.
- **Music Sync Function:** Activate the music sync feature in the app to allow the LED lights to change brightness and color according to the rhythm of music played nearby.
- **Brightness Adjustment:** Adjust the light intensity to suit your preference.

4.2. Shoe Storage Cubbies

The hall tree features two flip-drawer shoe cabinets. Each drawer is designed to hold multiple pairs of shoes and includes adjustable dividers.

- **Opening Drawers:** Pull the handle to tilt the front panel forward, revealing the shoe compartments.
- **Adjustable Dividers:** The internal dividers can be adjusted or removed to accommodate different shoe sizes and styles, including flats, sneakers, and mid-calf boots.

4.3. Changing Bench

The integrated bench provides a comfortable seating area. It comes with a removable cushion for added comfort.

- **Cushion Use:** Place the cushion on the bench for comfortable seating.
- **Cushion Removal:** The cushion can be easily removed if not needed, or for cleaning.

Anti-slip cushion

The coat rack with stool features removable cushions, allowing you to sit comfortably on the shoe stool and pick out the right shoes for today's outfit

5. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The removable cushion can be spot cleaned as needed. Refer to the cushion's care label for specific instructions.
- **LED Lights:** Ensure the LED strip remains dry. Do not attempt to disassemble the LED components.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING

- **LED Lights Not Working:**
 - Check power connection to the LED strip.
 - Ensure the mobile app is correctly paired via Bluetooth.
 - Verify the power adapter is functioning.

- **Hall Tree Feels Unstable:**
 - Ensure all assembly screws are tightened.
 - Confirm the anti-toppling device is securely installed to a wall stud.
 - Avoid placing excessively heavy items on shelves or hooks beyond their weight capacity.
- **Shoe Drawers Not Closing Properly:**
 - Check for any obstructions inside the drawer or along the mechanism.
 - Ensure shoes are placed correctly and not overfilling the compartments.
