## 2. SAFETY INFORMATION

**CAUTION: This desk is heavy (approximately 192 pounds). Assembly may require two people. Always use proper lifting techniques to avoid injury.**

- Ensure all components are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assemble the desk on a soft, clean surface to prevent scratches or damage to the product and your floor.
- Do not overtighten screws, as this may damage the engineered wood material.

- Keep small parts and packaging materials away from children and pets.
- Once assembled, place the desk on a level surface to ensure stability.
- Do not stand or sit on the desk.
- Distribute weight evenly across the desktop and shelves.

### 3. PACKAGE CONTENTS

---

The Keyluv Executive Desk is delivered in two separate packages. Please ensure you have received both boxes before beginning assembly. All components are carefully labeled and accompanied by clear instructions and hardware.

Expected components include:

- Desktop panels
- Hutch panels and shelves
- Drawer components and slides
- Cabinet doors and hinges
- Tempered glass panels for hutch doors
- Hardware kit (screws, dowels, cam locks, handles, etc.)
- Assembly tools (if included)

## 4. ASSEMBLY INSTRUCTIONS (SETUP)

We recommend two-person assembly for ease and efficiency, especially given the weight and size of the desk. Follow the step-by-step instructions provided in the included assembly manual. Below are general guidelines:

- 1. Unpack and Identify Parts:** Carefully unbox all components. Lay them out on a protected surface. Match each part to the corresponding label in the instruction manual.
- 2. Assemble the Base Desk:** Begin by constructing the main desk frame, including the side pedestals and the central desktop support. Ensure all connections are secure.
- 3. Install Drawers:** Assemble the drawer boxes and attach the smooth-gliding drawer slides to both the drawers and the desk frame. Insert the drawers into their respective compartments.
- 4. Attach Cabinet Doors:** Secure the lower cabinet doors to the pedestals using the provided hinges.
- 5. Assemble the Hutch:** Construct the hutch frame, including the central monitor area and side shelving units.
- 6. Install Hutch Doors:** Attach the tempered glass doors to the hutch using the appropriate hinges. The glass doors are designed to display items while protecting them from dust.

7. **Mount Hutch to Desk:** Carefully lift and secure the assembled hutch onto the main desk unit. Ensure it is properly aligned and fastened according to the instructions to prevent tipping.
8. **Install Handles:** Attach all metal handles to the drawers and cabinet doors.
9. **Final Checks:** Verify that all screws are tightened, and the desk is stable.

## 5. PRODUCT FEATURES AND OPERATION

The Keyluv Executive Desk is designed for functionality and organization, offering a comprehensive workspace solution.

### 5.1. Desktop and Workspace

The desk features an extra-wide 63"W x 18.7"D desktop, providing ample space for multiple monitors, paperwork, and other work essentials. The surface is made from engineered wood with a laminated finish, offering durability and ease of cleaning.

### 5.2. Storage Solutions

This desk maximizes storage with a combination of drawers, cabinets, and a hutch:

- **Smooth-Gliding Drawers:** Three drawers are integrated into the desk, ideal for organizing electronics, stationery, and other small items. The smooth slides ensure easy access.
- **Zoned Storage with Doors:** The hutch and lower pedestals offer various storage zones. Glass-door cabinets in the hutch allow for displaying collectibles while protecting them from dust. Multiple lower cabinets provide enclosed storage for larger items.
- **Adjustable Shelves:** Many shelves within the hutch and cabinets are adjustable, allowing you to customize storage space to fit items of various heights.

### 5.3. Cable Management

A dedicated cord management hole is provided on the desktop to help keep cables organized and out of sight, contributing to a tidy workspace.

### 5.4. Legroom and Comfort

The desk is designed with generous legroom (25" W x 30" H in the central opening) to ensure comfortable use for extended periods.

## 6. MAINTENANCE

Proper care will extend the life and appearance of your Keyluv Executive Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the laminated finish. For glass doors, use a standard glass cleaner.

- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Heat and Moisture:** Avoid placing hot items directly on the desktop. Use coasters for drinks. Keep the desk away from direct sunlight and excessive humidity to prevent warping or discoloration.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.
- **Moving the Desk:** When moving the desk, always lift it rather than dragging it to prevent damage to the legs and frame. If possible, disassemble the hutch from the desk before moving.

## 7. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

- **Wobbly Desk:**
  - Ensure the desk is on a level surface. Adjust any leveling feet if present.
  - Check all assembly hardware. Tighten any loose screws or bolts.
- **Drawers Not Sliding Smoothly:**
  - Verify that the drawer slides are correctly installed and aligned.
  - Ensure no objects are obstructing the drawer's path.
  - Check that the drawer box itself is assembled squarely.
- **Doors Not Closing Properly:**
  - Adjust the hinges if they are misaligned. Most hinges allow for minor adjustments.
  - Ensure the desk is level and square.
- **Missing or Damaged Parts:** If you discover missing or damaged parts during assembly, please contact customer support immediately for assistance.
