## 3. PRODUCT FEATURES

- **Four-Zone Heating Technology:** Experience precise temperature control for individual zones, allowing independent adjustment of warmth for torso and leg areas on each side of the bed. This ensures tailored comfort.
- **Customizable Warmth & Quick Preheat:** Select your ideal warmth with 10 adjustable heat settings (ranging from 80°F to 115°F). The Preheat Mode warms your bed to your selected temperature quickly.
- **Smart Memory Control with Timer:** The advanced memory controller remembers your preferred settings. An adjustable auto shut-off timer from 1 to 12 hours provides convenience. Lighted buttons allow easy operation in darkness.
- **Dual Control Settings:** Enjoy personalized comfort with dual-zone heating, allowing each side of the bed to be adjusted independently to the desired temperature.
- **Flexible & Easy Care Design:** Enhanced cord lengths (6-foot power cord, 8.2-foot controller cord) facilitate setup. The heated mattress pad is machine washable for easy maintenance.
- **Skin-Friendly Quilted Fabric with Extra Padding:** Provides comfort and helps conceal heating wires.
- **Hypoallergenic, Soft, Breathable, and Extra Silent.**
