DWVO 8-Drawer Fabric Dresser with Steel Frame and Wooden Top - Instruction Manual

Model: MADWVTOPdD

1. INTRODUCTION

Thank you for choosing the DWVO 8-Drawer Fabric Dresser. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new dresser. Please read these instructions carefully before use and retain them for future reference.

This multifunctional tall dresser is designed to complement various decors and offers large storage space for bedrooms, closets, dorms, entryways, hallways, living rooms, and offices. It features a sturdy steel frame, a sleek MDF wooden top, and non-woven synthetic fabric drawers.

2. SAFETY INFORMATION

WARNING: To prevent tipping, wall anchoring is strongly recommended. A safety kit and accessories are included for this purpose. Always ensure the dresser is placed on a stable, level surface.

- Keep small parts away from children during assembly.
- Do not overload drawers. Distribute weight evenly.
- Do not allow children to climb on the dresser.
- Always use the anti-tip kit provided to secure the dresser to a wall.

3. PACKAGE CONTENTS

Before assembly, please verify that all components listed below are present and undamaged:

- Instruction Manual
- Dresser Frame (Steel)
- Fabric Drawers (8 units)
- Wooden Top (MDF)

- Assembly Accessories & Tools (Screws, Allen wrench, etc.)
- Safety Kit (Wall anchoring hardware)

4. SETUP AND ASSEMBLY

Assembly is minimal and straightforward. Follow the included easy-to-read instructions step-by-step. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Check against the package contents list.
2. **Assemble the Steel Frame:** Connect the steel frame components using the provided screws and tools. Ensure all connections are secure.
3. **Attach the Wooden Top:** Secure the MDF wooden top to the assembled steel frame.
4. **Insert Fabric Drawers:** Unfold each fabric drawer and insert the bottom panel to make it rigid. Place the drawers into their respective compartments in the frame.
5. **Install Handles:** Attach the easy-pull handles to each fabric drawer.
6. **Install Adjustable Feet:** Screw the adjustable feet into the bottom of the frame. Adjust them to ensure the dresser is stable and level on your floor.
7. **Secure with Anti-Tip Kit:** For safety, attach the dresser to the wall using the provided anti-tip kit. This prevents accidental tipping.

6. MAINTENANCE

To ensure the longevity and appearance of your DWVO dresser, follow these simple maintenance guidelines:

- **Cleaning the Wooden Top:** Wipe the wooden top with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Cleaning Fabric Drawers:** For minor spills or dust, gently wipe the fabric drawers with a damp cloth. For deeper cleaning, spot clean with a mild detergent and allow to air dry completely. Do not machine wash.
- **Frame Care:** Periodically check the steel frame for any loose screws and tighten them as necessary to maintain stability.

7. TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

Problem	Possible Cause	Solution
Dresser feels wobbly or unstable.	Uneven floor surface; loose frame connections; anti-tip kit not installed.	Adjust the leveling feet at the bottom of the frame. Tighten all screws on the steel frame. Ensure the anti-tip kit is securely installed to the wall.
Drawers do not slide smoothly.	Drawer bottom panel not fully inserted; drawer overloaded or unevenly loaded.	Ensure the rigid bottom panel is fully inserted into the fabric drawer. Redistribute items within the drawer or reduce the load.
Missing parts during assembly.	Packaging error.	Contact DWVO customer support with your purchase details and the list of missing parts.
