5. OPERATING INSTRUCTIONS

5.1 Converting to a Bed

The FRIDORA sofa features a pull-out convertible mechanism to transform it into a comfortable bed (sleeping area: 150 cm x 200 cm).

1. **Clear the Area:** Ensure there is sufficient space in front of the sofa for the bed extension.
2. **Pull Out Mechanism:** Grasp the front edge of the seat cushion (or a designated handle, if present) and pull it forward. The mechanism will slide out, extending the sleeping surface.

on it.

6. MAINTENANCE AND CARE

6.1 Fabric Care (100% Polyester)

- **Regular Cleaning:** Vacuum the sofa regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for polyester, testing on an inconspicuous area first.
- **Removable Covers:** The backrest covers are removable. Follow the care label instructions for washing. Typically, machine wash cold on a gentle cycle and air dry. Do not tumble dry.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position the sofa away from direct sun or use curtains/blinds.

- **Mechanism Lubrication:** Periodically check the convertible mechanism. If it becomes stiff, apply a silicone-based lubricant to moving parts (avoiding fabric).
- **Tighten Fasteners:** Over time, fasteners may loosen. Periodically check and re-tighten all bolts and screws to maintain stability.
