## Blucalm INSIGHT 60

# Blucalm INSIGHT 60 Wireless Headset with Smart Touchscreen Base User Manual

Model: INSIGHT 60 | Brand: Blucalm

## INTRODUCTION

This manual provides detailed instructions for the Blucalm INSIGHT 60 Wireless Headset. Learn how to set up, operate, and maintain your headset to ensure crystal-clear communication and enhanced productivity in your work environment.

## WHAT'S IN THE Box

Upon unboxing your Blucalm INSIGHT 60, you should find the following components:

- Blucalm INSIGHT 60 Wireless Headset
- Smart Touchscreen Charging Dock
- USB-C to USB-C Charging Cable
- USB Dongle (2.4G)
- USB-A to USB-C Adapter
- User Manual
- Protective Case
- Wiping Cloth

## SETUP AND CONNECTION

Your Blucalm INSIGHT 60 headset offers versatile connectivity options for seamless integration with your devices.

### Option 1: Connect with USB Dongle

1. Plug the USB Dongle into an available USB port on your PC. The dongle's indicator light will flash blue.
2. On the headset, press and hold the Multi-Function Button (MFB) for 2 seconds to power it on.
3. The headset will automatically connect to the dongle. A solid blue light on the dongle indicates a successful connection.

# Having the Clear Call Everywhere

ENC suppresses ambient noise to minimize distractions

Before

After

## Option 2: Connect via Bluetooth (V5.4 Dual-Mode)

1. On the headset, press and hold the MFB for 5 seconds to enter pairing mode (you will hear "power on + pairing").
2. On your device (PC, laptop, or phone), open Bluetooth settings.
3. Select "INSIGHT 60" from the list of available devices to pair.
4. A voice prompt will confirm successful connection.

The headset supports dual connectivity, allowing you to connect to two devices simultaneously (e.g., PC and phone). Follow the pairing steps for each device. The smart dock also features a USB expansion port for your computer.

## OPERATING INSTRUCTIONS

### Headset Controls

- **Multi-Function Button (MFB):** Power on/off (2s hold), Pairing (5s hold), Answer/End calls, Play/Pause music.
- **Volume Buttons:** Adjust volume up/down.
- **Mic Mute Button:** Mute/unmute the microphone.
- **Busylight Indicator:** Located on the earcup, it shows your call status (blue for connected, red for on a call).

# AI Noise Canceling Mic

2-Microphone ENC Array

## Smart Touchscreen Dock Functions

The 2.01-inch touchscreen dock provides quick access to various features:

- **Call Duration Statistics:** View your daily and weekly call data.
- **Usage Reminders:** Set reminders for headset usage time (e.g., 0.5H, 1H, 1.5H, 2H).
- **Max SPL Set:** Adjust maximum sound pressure level to protect your hearing.
- **Volume Control:** During calls, a volume interface appears for quick adjustments or muting.
- **Sound Effects:** Choose between Conventional, Voice, or Music sound modes.
- **Pomodoro Timer:** Utilize the built-in timer to manage work intervals and breaks.
- **AI Companion:** Engage with an AI companion for interactive features.

# Smart Dock with Touch Screen

Simple Touch, Smart Control

## CHARGING

The Blucalm INSIGHT 60 offers flexible charging options:

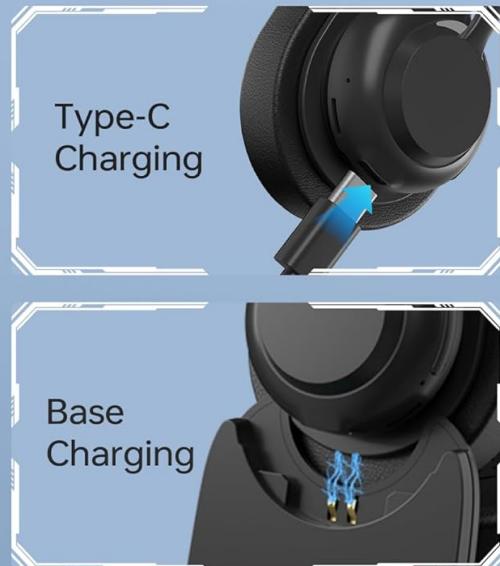

- **Via Smart Dock:** Place the headset on the charging dock. The dock's screen will display a charging icon and the remaining battery percentage.
- **Via Type-C Cable:** Connect the USB-C charging cable directly to the headset's Type-C port.

A quick 5-minute charge provides approximately 1 hour of talk time. A full charge takes about 1.5 hours.

# Visualized Fast Charging

Charge      Talk  
**5 Min = 60Min**

 Eco-Friendly Removable Battery

## COMPATIBILITY

The Blucalm INSIGHT 60 is widely compatible with various devices and communication platforms:

- **Devices:** Laptops, Desktops, Telephones.
- **Platforms:** Microsoft Teams, Zoom, Google Meet, WebEx, Skype, and other mainstream communication platforms.

No complex setup is needed; it's plug-and-play with the USB dongle or easy Bluetooth pairing.

<b>Special Features</b>	Lightweight, Noise Cancellation, Seamless Switching, Touchscreen Base, Busylight
<b>Control Type</b>	Touch Control (on dock), Buttons (on headset)
<b>Bluetooth Range</b>	66 Feet

## TROUBLESHOOTING

---

- **No Sound/Microphone Not Working:**

- Ensure the headset is powered on and successfully paired/connected (solid blue light).
- Check device's audio output/input settings to ensure "INSIGHT 60" is selected.
- Verify the microphone is not muted (check the mute button on the headset).

- **Connection Issues:**

- If using the USB dongle, try unplugging and replugging it.
- For Bluetooth, ensure the headset is in pairing mode and your device's Bluetooth is enabled. Try forgetting the device and re-pairing.
- Ensure the headset is within the 66-foot Bluetooth range.

- **Charging Problems:**

- Verify the charging cable is securely connected to both the dock/headset and the power source.
- Ensure the headset is correctly seated on the charging dock.
- Check the battery indicator on the smart dock.

- **Touchscreen Unresponsive:**

- Ensure the dock is powered on.
- Try restarting the dock by unplugging and replugging its power cable.
