## OPERATING INSTRUCTIONS

---

This enclosure offers flexible usage options to suit your cat's needs and your household setup:

- **Option 1 (Two Cats):** Place a litter box in each of the two spacious compartments.
- **Option 2 (One Cat):** Utilize one compartment for a litter box and the other for a comfortable cat bed, providing a dedicated resting area.

The large arched doorways on the sides allow easy entry and exit for cats of various sizes. The internal dimensions are designed to accommodate most standard litter boxes.

## MAINTENANCE

Regular maintenance ensures the longevity and hygiene of your litter box enclosure:

- **Litter Box Access:** Open the front doors for easy scooping and cleaning of the litter boxes.
- **Surface Cleaning:** The smooth surfaces can be wiped clean with a damp cloth. Avoid abrasive cleaners.
- **Odor Control:** The enclosed design helps contain odors. For best results, clean litter boxes regularly and use appropriate litter.
- **Underneath Cleaning:** The tall legs provide sufficient clearance for robot vacuums or manual cleaning, preventing dust and debris accumulation.
