SGIN C10

SGIN C10 10.1-inch Kids Tablet User Manual

Model: C10

1. Introduction

Thank you for choosing the SGIN C10 10.1-inch Kids Tablet. This device is designed to provide an engaging and safe digital experience for children, featuring parental controls and educational content. This manual will guide you through the setup, operation, and maintenance of your tablet to ensure optimal performance and user safety.

2. Product Overview

2.1 Package Contents

Upon unpacking, please ensure all items listed below are present:

- SGIN C10 10.1-inch Tablet
- Protective Case
- Charger
- USB Cable
- Instruction Manual

Image: Diagram showing the tablet's ports and buttons, along with the included accessories: tablet, protective case, charger, USB cable, and instruction manual.

2.2 Tablet Components

Familiarize yourself with the physical components of your SGIN C10 tablet:

- **Power Button:** Located on the side, used to turn the tablet on/off or put it to sleep.
- **Volume Buttons:** Adjust the audio output level.
- **Headphone Jack:** For connecting wired headphones.
- **USB Port:** For charging and data transfer.
- **TF Card Slot:** For expanding storage with a microSD card.
- **Front Camera:** For video calls and selfies.
- **Rear Camera:** For taking photos and videos.
- **Speakers:** For audio output.
- **10.1-inch HD IPS Touch Screen:** Main display for interaction.
- **Protective Case with Stand:** Provides protection and allows for hands-free viewing.

Image: The SGIN C10 tablet in its pink protective case, displaying a colorful educational game on its screen. The rear of the tablet shows the integrated stand.

2.3 Key Features

- **High Performance:** Equipped with a 1.6GHz quad-core processor, 2GB RAM, and 32GB ROM

(expandable up to 32GB via TF card).

- **Kid-Proof Case:** Durable pink case designed to protect against dust, bumps, and drops, with heat dissipation features.
- **Pre-installed iWawa Kid's Software:** Offers a safe and entertaining environment with thousands of free educational games and apps.
- **Parental Control System:** Allows parents to manage screen time, content, and user accounts.
- **Long Battery Life:** 5000mAh lithium battery provides 6-8 hours of usage.
- **Eye Protection Screen:** 1280*800 HD IPS touch screen for vibrant colors and comfortable viewing.
- **Dual Camera:** 2MP front camera and 5MP rear camera for photos and videos.

Image: Icons representing key features of the SGIN C10 tablet: Android 12, Quad-core processor, Dual Camera, 5000mAh battery, WiFi, HD Display, 2GB RAM + 32GB storage, 10 Inch screen, and Parental Control.

Image: Visual representation of the tablet's 2GB RAM and 32GB ROM (expandable via TF card), alongside a diagram of the 1.6 GHz Quad-core Processor.

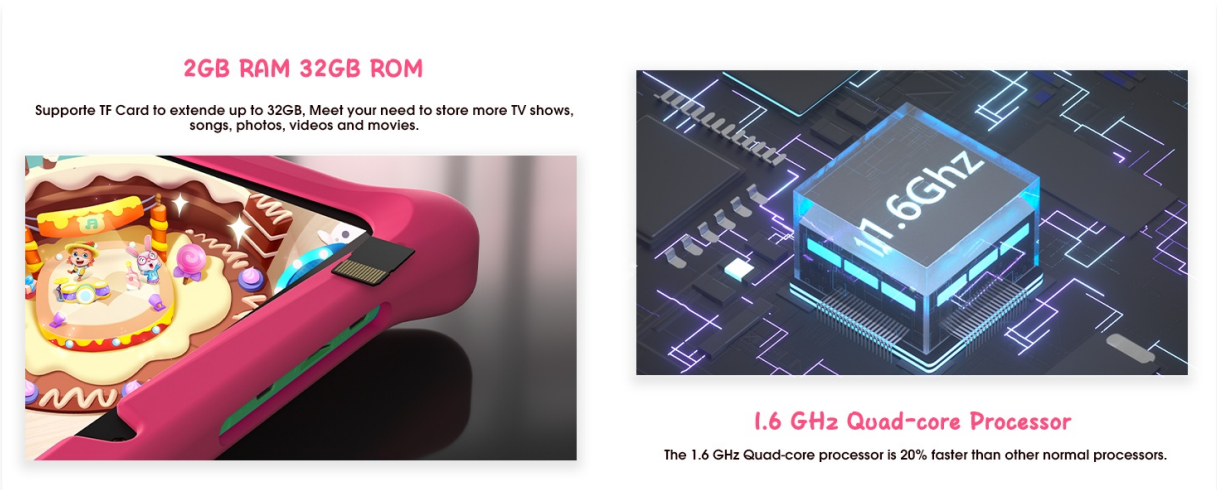

Image: The 10-inch HD display showing vibrant content, and a close-up of the protective case's rotatable stand.

Image: A child using the tablet, highlighting the 5000mAh Lithium Battery, and a close-up of the tablet's dual camera system.

3. Setup

3.1 Initial Charging

1. Connect the USB cable to the tablet's USB port.
2. Connect the other end of the USB cable to the provided charger.
3. Plug the charger into a power outlet.
4. Allow the tablet to charge fully before first use. The battery indicator on the screen will show charging status.

3.2 Powering On/Off

- **To Power On:** Press and hold the Power Button until the SGIN logo appears on the screen.
- **To Power Off:** Press and hold the Power Button until a menu appears. Select "Power off" and confirm.
- **To Sleep/Wake:** Briefly press the Power Button to put the tablet to sleep or wake it up.

3.3 Connecting to Wi-Fi

1. From the home screen, swipe down from the top to open the Quick Settings panel.
2. Tap and hold the Wi-Fi icon to open Wi-Fi settings.
3. Toggle Wi-Fi on if it's off.
4. Select your desired Wi-Fi network from the list.
5. Enter the network password if prompted, then tap "Connect".

3.4 Initial iWawa Setup

The SGIN C10 tablet comes with iWawa Kid's software pre-installed. Follow the on-screen prompts to set up the child-friendly environment and parental controls during the first launch.

4. Operating Instructions

4.1 Basic Navigation

- **Touch:** Tap an icon or option to select it.

- **Swipe:** Drag your finger across the screen to scroll through pages or lists.
- **Pinch:** Use two fingers to zoom in or out on images or web pages.
- **Home Button:** Returns you to the home screen.
- **Back Button:** Returns you to the previous screen.
- **Recent Apps Button:** Shows recently used applications.

4.2 Using the Camera

1. Open the Camera app from the home screen or app drawer.
2. Tap the camera switch icon to toggle between the front and rear cameras.
3. Tap the shutter button to take a photo.
4. Tap the video icon to switch to video recording mode, then tap the record button to start/stop recording.

4.3 Installing/Uninstalling Apps

- **Installing Apps:** Within the iWawa environment, access the Kids Store to download free games and educational applications. Parents can also approve apps from the Google Play Store via parental controls.
- **Uninstalling Apps:** From the parental control interface, select the app management option to uninstall unwanted applications.

4.4 Adjusting Settings

- **Volume:** Use the physical Volume Buttons on the side of the tablet.
- **Brightness:** Swipe down from the top of the screen to access Quick Settings and adjust the brightness slider. More detailed display settings are available in the main Settings app.
- **Other Settings:** Access the main Settings app for Wi-Fi, Bluetooth, display, sound, storage, and other system configurations.

5. Parental Control

The SGIN C10 tablet features a robust parental control system integrated with the iWawa Kid's software, allowing you to create a safe and customized environment for your child.

5.1 Accessing Parental Controls

To access parental control settings, you will typically need to exit the iWawa Kid's interface and enter a password-protected parent mode. Follow the on-screen instructions within the iWawa app to set up and manage this access.

5.2 Key Parental Control Features

- **Set Passwords:** Establish a secure password to prevent children from exiting the iWawa environment or altering settings.
- **Screen Time Limits:** Define daily usage limits and specific time periods when the tablet can be used.
- **Content Management:** Control access to apps, games, videos, and websites. You can whitelist appropriate websites and block unwanted content.
- **App Approval:** Manage which applications your child can access, including those downloaded from the Kids Store or Google Play Store.

- **Multiple User Accounts:** Create separate profiles for each child, allowing personalized settings and content for individual users.
- **Ad Elimination:** The system helps eliminate unwanted advertisements within the child's environment.

6. Maintenance

6.1 Cleaning the Device

- Always power off the tablet before cleaning.
- Use a soft, lint-free cloth to wipe the screen and body.
- For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid harsh chemicals.
- Ensure no moisture enters ports or openings.

6.2 Battery Care

- Avoid fully discharging the battery frequently.
- Do not expose the tablet to extreme temperatures.
- Use only the provided charger and cable.

6.3 Software Updates

Periodically check for system updates in the tablet's Settings menu under "System" or "About tablet." Keeping your software updated ensures optimal performance and security.

6.4 Storage Management

To manage storage, you can:

- Delete unused apps and files.
- Move photos and videos to a computer or cloud storage.
- Insert a TF (microSD) card into the designated slot to expand storage capacity up to 32GB.

7. Troubleshooting

Problem	Possible Solution
Tablet does not turn on.	Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again.
Screen is unresponsive.	Restart the tablet by holding the Power Button for about 10 seconds until it powers off, then power it on again.
Cannot connect to Wi-Fi.	Check if Wi-Fi is enabled. Ensure the password is correct. Restart your Wi-Fi router.
Apps are crashing or running slowly.	Close background apps. Clear app cache (Settings > Apps > [App Name] > Storage > Clear cache). Ensure sufficient storage space.

Problem	Possible Solution
Parental controls are not working as expected.	Re-enter the parental control settings and verify all configurations (time limits, content filters, app approvals). Ensure the correct child profile is active.

8. Specifications

Feature	Specification
Brand	SGIN
Model Name	C10
Operating System	Android
Screen Size	10 Inches
Max Screen Resolution	1280 Pixels
Processor	1.6GHz Quad-core (Intel Processor Brand)
RAM	2GB
Internal Storage (ROM)	32GB
Expandable Storage	TF Card up to 32GB
Front Camera	2MP
Rear Camera	5MP
Battery Capacity	5000mAh
Connectivity	WiFi, Bluetooth
Item Weight	2.35 pounds
Product Dimensions	1 x 1 x 1 inches

9. Warranty and Support

For warranty information and technical support, please refer to the documentation included with your purchase or visit the official SGIN website. If you encounter issues not covered in this manual, please contact SGIN customer service for assistance.

BCTC 倍测检测

RF EXPOSURE EVALUATION METHOD

FCC ID: 2A3YZSGIN-C10

Applicable standard:
In accordance with FCC 47 CFR part 2 (2.1093) this device has been defined as a portable device which is defined as a transmitting device designed to be used so that the radiating structure(s) of the device is/are within 20 centimeters of the body of the user.

Portable devices must be evaluated using the specified in FCC 47 CFR part 2 (2.1093) and ANSI/IEEEC95.1-1992, and had been tested in accordance with the measurement methods and procedures specified in IEEE 1528-2003.

Per FCC KDB 447498 D01 v06, the 1-g and 10-g SAR test exclusion thresholds for 100 MHz to 6 GHz at test separation distances ≤ 50 mm are determined by:

SAR Test Exclusion Thresholds for 100 MHz ~ 6 GHz and ≤ 50 mm

Approximate SAR Test Exclusion Power Thresholds at Selected Frequencies and Test Separation Distances are illustrated in the following Table.

MHz	5	10	15	20	25	mm
150	39	77	116	155	194	SAR Test Exclusion Threshold (mW)
300	27	55	82	110	137	
450	22	45	67	89	112	
835	16	33	49	66	82	
900	16	32	47	63	79	
1500	12	24	37	49	61	
1900	11	22	33	44	54	
2450	10	19	29	38	48	
3600	8	16	24	32	40	
5200	7	13	20	26	33	
5400	6	13	19	26	32	
5800	6	12	19	25	31	

The 1-g and 10-g SAR test exclusion thresholds for 100 MHz to 6 GHz at test separation distances ≤ 50 mm are determined by:
[(max. power of channel, including tune-up tolerance, mW)/(min. test separation distance, mm)] • [√f(GHz)] ≤ 3.0 for 1-g SAR and ≤ 7.5 for 10-g extremity SAR,where f(GHz) is the RF channel transmit frequency in GHz
Power and distance are rounded to the nearest mW and mm before calculation
The result is rounded to one decimal place for comparison
The test exclusions are applicable only when the minimum test separation distance is ≤ 50 mm and for transmission frequencies between 100 MHz and 6 GHz. When the minimum test separation distance is < 5 mm, a distance of 5 mm is applied to determine SAR test exclusion.
