VOCOLinc VT2202

VOCOLinc Air Card Tracker (VT2202) Instruction Manual

Model: VT2202 | Brand: VOCOLinc

INTRODUCTION

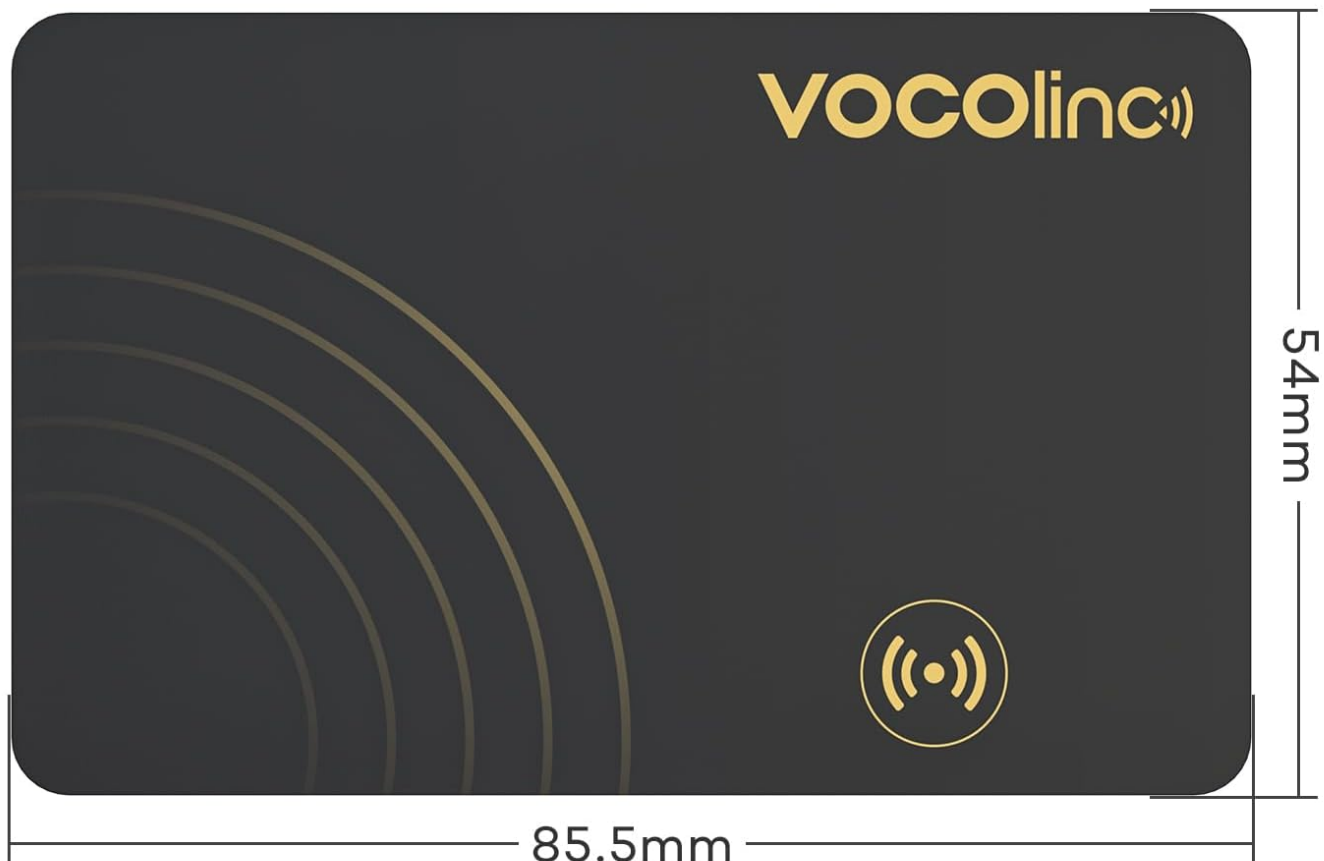

The VOCOLinc Air Card Tracker is a slim, card-shaped device designed to help you locate your personal items using Apple's Find My network. This manual provides essential information for its setup, operation, and maintenance, ensuring you can effectively track your valuables.

PRODUCT OVERVIEW

The VOCOLinc Air Card Tracker offers a discreet and efficient way to keep track of your belongings. Key features include:

- **Ultra-Thin Design:** At just 1.6mm thick, it fits easily into wallets, cardholders, or small pockets.
- **IP67 Water Resistance:** Provides protection against dust and water immersion up to 1 meter for 30 minutes.
- **Long Battery Life:** Equipped with a non-replaceable battery that lasts up to 3 years.
- **Bluetooth Tracking:** Locate items within a Bluetooth range of up to 60 meters.
- **Apple Find My Network Integration:** Utilizes the global Apple Find My network for long-distance tracking, allowing you to locate items even when they are far away.
- **Privacy Protection:** All communication on the Find My network is anonymous and encrypted. The tracker does not store location data or history.
- **iOS Compatibility:** Exclusively compatible with iOS devices. Android devices are not supported.

SETUP INSTRUCTIONS

Follow these steps to pair your VOCOLinc Air Card Tracker with your iOS device:

1. Ensure Bluetooth is enabled on your iOS device.
2. Open the Apple "Find My" app on your iPhone or iPad.
3. In the "Find My" app, navigate to the "Items" tab.
4. Tap the "+" icon and select "Add Other Item".
5. Place your VOCOLinc Air Card Tracker near your iOS device. The pairing process should complete within 30 seconds. Follow any on-screen prompts to finalize the connection.

Bluetoothをオンにし、「探す」アプリを使用してペアリングします

1. iOSデバイスのBluetoothをオンにします。
2. タグの電源ボタンを素早く押してオンにし、iOSデバイスの近くに置きます。
3. 「探す」アプリを開き、「持ち物を探す」「持ち物を追加」をタップします。「その他の対応している持ち物」を選択し、アプリ内の指示に従ってペアリングを完了します。
4. 以降の他の項目との接続、「+」をタップして「その他の項目を追加」を選択して接続します。

OPERATING INSTRUCTIONS

Once paired, you can use your VOCOLinc Air Card Tracker to locate your items:

Locating Nearby Items

If your item is within Bluetooth range (up to 60 meters), you can make the tracker play a sound:

- Open the "Find My" app on your iOS device.
- Select your VOCOLinc Air Card Tracker from the "Items" list.
- Tap "Play Sound" to activate the tracker's 80-100dB buzzer, helping you pinpoint its location.
- Alternatively, you can ask Siri, "Hey Siri, find my [item name]!"

なくしものが、無くなる

近くにあるのに見つからない場合は、スマホを操作して大音量(100デシベル)の高音ブザーを鳴らして、音を頼りに探し出せます

Image: A smartphone screen showing the Find My app interface, with a wallet tracker playing a sound to indicate its location.

Long-Distance Tracking

For items outside Bluetooth range, the Apple Find My network assists in locating them:

- The Find My network leverages millions of Apple devices worldwide to detect your tracker's location.
- The location is anonymously and securely relayed to your "Find My" app, allowing you to view its last known position on a map.

所在地の表示

Bluetooth の最大検出距離を超えると、「探す」アプリを使って地図上で位置を確認し、世界中にある数億台のAppleデバイスからなる Apple Find My ネットワークにサポートされて、その場所まで案内します

Lost Mode and Notifications

You can enable Lost Mode for your tracker in the "Find My" app. If your item is detected by another device on the Find My network, you will receive a notification of its location. You can also set up notifications for when you leave an item behind.

MAINTENANCE

Battery

The VOCOLinc Air Card Tracker features a built-in, non-replaceable lithium metal battery designed to last up to 3 years. No charging is required for this device.

Water Resistance

The tracker has an IP67 rating, meaning it is protected from dust and can withstand immersion in water up to 1 meter (3.3 feet) for 30 minutes. While it is water-resistant, it is not recommended for prolonged submersion or use in extreme water conditions.

Image: The VOCOLinc Air Card Tracker partially submerged in water, illustrating its IP67 water resistance feature.

Cleaning

To clean your tracker, wipe it with a soft, dry cloth. Avoid using abrasive cleaners or solvents.

TROUBLESHOOTING

- **Cannot Pair the Tracker:**

Ensure Bluetooth is enabled on your iOS device. Place the tracker very close to your device during pairing. If the issue persists, check if the tracker's battery is depleted (though unlikely for a new device).

- **No Sound from Tracker:**

Verify that the tracker is within Bluetooth range (up to 60 meters) of your iOS device. Check the volume settings on your iOS device.

- **Inaccurate Location:**

Ensure Location Services are enabled for the "Find My" app on your iOS device. The accuracy of long-distance tracking depends on the proximity of other Apple devices on the Find My network.

- **Compatibility Issues:**

The VOCOLinc Air Card Tracker is designed exclusively for iOS devices and is not compatible with Android operating systems.
