SAFETY INFORMATION

- Always assemble the desk on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload shelves or drawers beyond their capacity.
- Keep small parts away from children during assembly.
- Use caution when moving the assembled desk due to its weight.

PACKAGE CONTENTS

Before assembly, verify that all parts and hardware are present. Refer to the included parts list in your packaging. If any components are missing or damaged, please contact customer support.

SETUP AND ASSEMBLY

Assembly of this desk requires careful attention to the provided instructions. All necessary parts and tools are labeled and included. It is recommended to have two people for assembly, especially when positioning the desktop onto the base.

Tools Required:

- Phillips head screwdriver (a power drill with appropriate bit is recommended for efficiency)

Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Identify and separate hardware.
3. Follow the step-by-step diagrams in the included instruction booklet.
4. Assemble the base cabinets and drawer units first.
5. Attach the monitor stand components.
6. Carefully place the main desktop onto the assembled base. This step is easier with two people.

7. Install drawers and ensure smooth operation.
8. Secure all connections.

OPERATING INSTRUCTIONS

Integrated Design:

This desk features a 3-in-1 design, combining a spacious work surface with a file cabinet and storage shelves. This design optimizes space and provides ample storage for office essentials.

Drawer System:

The desk includes three drawers. The bottom drawer is designed as a versatile file cabinet with two sliding hanging rods, accommodating legal, letter, A4, and F4 size files. The top two drawers are suitable for general office supplies.

Multi-Functional File Drawer

MAINTENANCE AND CARE

The YOMILUVE computer desk is constructed from high-quality MDF board, designed to be scratch-resistant, dust-resistant, and waterproof for easy maintenance.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Promptly wipe up any spills to prevent water damage.
- **Protection:** Use coasters for drinks and desk pads for heavy or sharp objects to prevent surface marks.
- **Inspection:** Periodically check all fasteners and tighten if necessary to maintain stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Difficulty during assembly	Instructions not followed precisely; parts misidentified.	Review the instruction manual carefully. Ensure all parts are correctly identified using the labels. Consider having a second person assist.
Drawers do not slide smoothly	Drawer slides incorrectly installed or misaligned.	Check the installation of the drawer slides on both the drawer and the cabinet. Ensure they are aligned and free of obstructions. Re-install if necessary.
Desk feels unstable or wobbly	Fasteners are loose; desk not on a level surface.	Tighten all screws and bolts. Ensure the desk is placed on a flat, level floor.
