4. OPERATING INSTRUCTIONS

Mobility:

To move the utility cart, simply grasp the metal handle and pull or push it to your desired location. The smooth-gliding wheels allow for easy maneuverability, even when fully loaded.

Locking Wheels:

For stability, two of the wheels are equipped with brakes. To lock the cart in place, press down on the brake levers located on these wheels. To unlock, lift the levers. This feature prevents unintended movement, especially on uneven surfaces or when accessing items.

5. MAINTENANCE

To ensure the longevity and appearance of your LITTLE TREE Utility Cart, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cart with a damp cloth for general cleaning. For tougher spots, use a mild soap solution and then wipe with a dry cloth to prevent moisture damage.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these can damage the MDF finish.

- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.

6. SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- **Weight Limit:** Each shelf has a weight limit of 70 lbs. Do not exceed this limit to prevent structural damage or tipping. The overall weight limit for the cart is 350 lbs.
- **Hot Items & Sharp Objects:** Handle hot items and sharp objects with care when placing them on or removing them from the cart.
- **Stability:** Always engage the wheel brakes when the cart is stationary to prevent accidental movement.
- **Even Distribution:** Distribute weight evenly across the shelves to maintain stability.
- **Children and Pets:** Keep children and pets away from the cart during movement or when it is heavily loaded to prevent accidents.
