

HOSTACK trash can cabinet

HOSTACK 12.5 Gallon Double Pull-Out Kitchen Trash Cabinet Instruction Manual

Model: trash can cabinet

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your HOSTACK 12.5 Gallon Double Pull-Out Kitchen Trash Cabinet. Please read all instructions carefully before assembly and use to ensure safe and proper functionality.

1.1 Safety Information

- Always follow the assembly instructions carefully.
- Do not exceed the weight limits of the cabinet and its drawers. The overall weight limit is 350 lbs. Each trash can drawer holds up to 33 lbs.
- Wear appropriate safety gear when assembling.
- Keep hands and fingers away from pinch points during operation.
- Ensure the cabinet is placed on a stable, level surface to prevent tipping.

2. PRODUCT OVERVIEW

The HOSTACK Double Pull-Out Kitchen Trash Cabinet is designed to provide concealed waste storage and additional organizational space for your kitchen or other rooms. It features a durable construction and a versatile design.

2.1 Key Features

- **Concealed Trash Storage:** Two pull-out drawers accommodate 12.5-gallon trash cans, keeping waste out of sight and preventing pet access.
- **Ample Countertop Space:** A 47-inch wide tabletop suitable for appliances.
- **Additional Storage:** Two deep drawers for small items and a side cabinet with adjustable shelves for various-sized items.
- **Durable Construction:** Made of high-quality engineered wood with smooth-gliding rails and reinforced

dual iron pipes for the trash can drawers.

- **Versatile Use:** Can function as a kitchen trash cabinet, coffee bar station, buffet sideboard, or laundry hamper cabinet.

Figure 2.2: Illustration of the cabinet's abundant storage solutions, including the side cabinet with adjustable shelves, two deep drawers, and two pull-out trash compartments.

3. SETUP AND ASSEMBLY

The HOSTACK trash cabinet is designed for straightforward assembly. An accessories bag and detailed instructions are included with your purchase. Please ensure all parts are present before beginning assembly.

3.1 Required Tools (Not Included)

- Phillips head screwdriver
- Hammer (optional, for dowels)

3.2 Assembly Steps

1. Unpack all components and verify against the parts list in the included instruction manual.
2. Follow the step-by-step diagrams and instructions provided in the separate assembly guide. Pieces are labeled for easy identification.
3. Pay close attention to the installation of the smooth-gliding rails for the pull-out trash can drawers and the deep storage drawers.

4. Ensure all screws and fasteners are securely tightened. Do not overtighten.
5. Install the adjustable shelves in the side cabinet to your desired height.

For optimal stability, it is recommended to assemble the unit with assistance.

4. OPERATING INSTRUCTIONS

This section details how to effectively use the various features of your HOSTACK trash cabinet.

4.1 Using the Pull-Out Trash Can Drawers

- Gently pull the handle on the front panel of the trash compartment to slide the drawer out.
- Place a 12.5-gallon trash can (not included) into the designated space within the drawer.
- Push the drawer back into the cabinet until it is fully closed. The reinforced metal pipes and ball-bearing slides ensure smooth operation.

4.2 Trash Can Size Compatibility

It is crucial to confirm the trash bin size before purchasing a trash can for this cabinet. The maximum trash can dimensions that the cabinet can accommodate are:

- **Maximum Width:** 15.5 inches
- **Maximum Depth:** 12.4 inches
- **Maximum Height:** 21.8 inches
- **Longest Bottom Width:** 13.78 inches

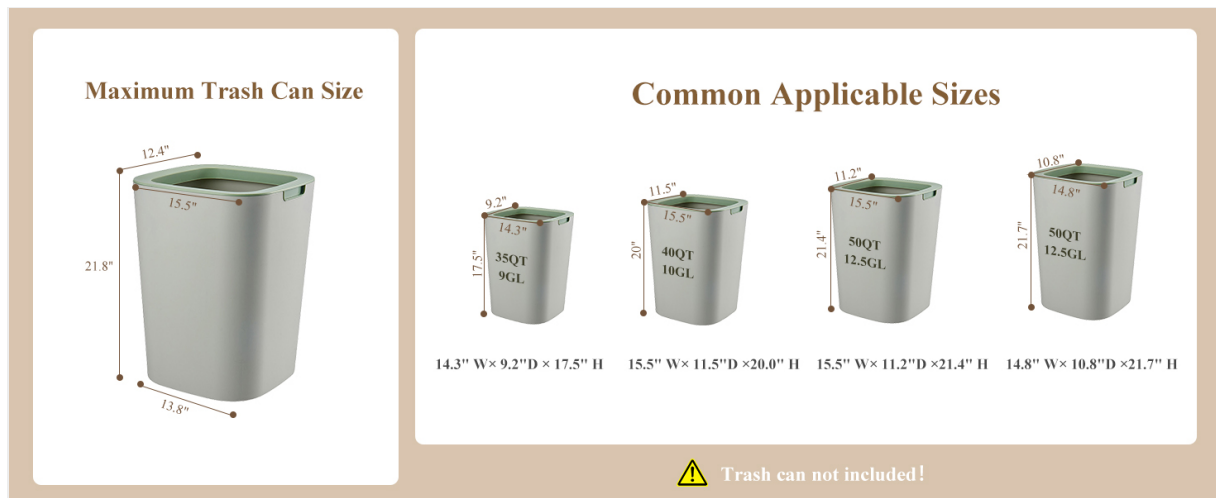

Figure 4.1: Detailed diagram illustrating the maximum compatible trash can dimensions and examples of common applicable sizes (trash cans not included).

4.3 Using Storage Drawers and Shelves

- The two deep drawers are suitable for storing small daily essentials such as utensils, napkins, or other kitchen accessories.
- The side cabinet features adjustable shelves. To adjust, remove the shelves, reposition the shelf pins to the desired height, and reinsert the shelves.

Figure 4.2: A close-up view of the two deep, smooth-gliding drawers, demonstrating their capacity for various items.

5. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your HOSTACK trash cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Drawer Slides:** If drawer slides become stiff, a small amount of silicone lubricant can be applied.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your cabinet.

6.1 Door Alignment Issues

If cabinet doors have gaps, are misaligned, or overlap, adjustments can be made using the hinges.

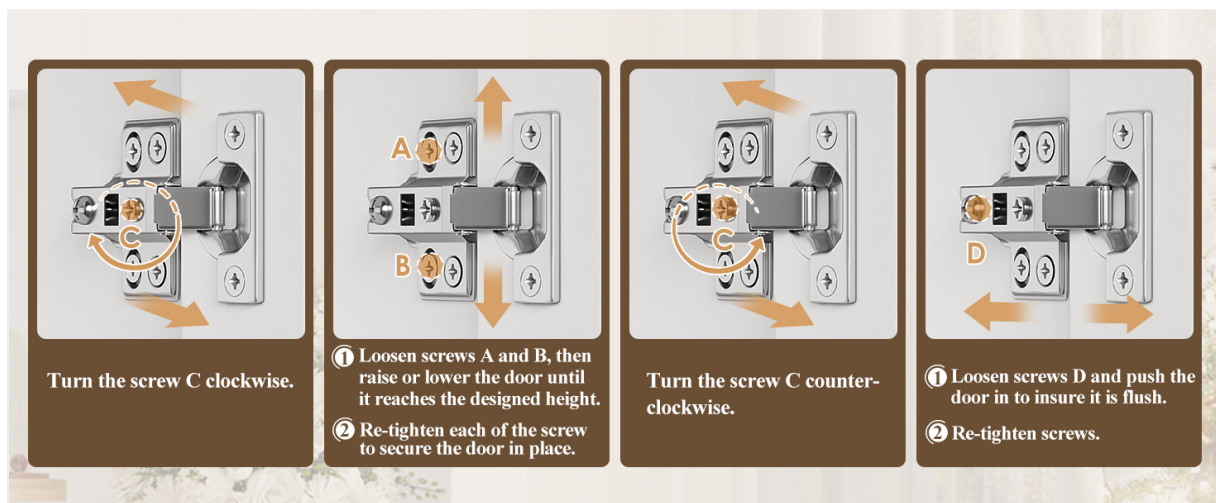

Figure 6.1: Visual guide for identifying and correcting common door alignment issues using hinge adjustments.

Adjusting Door Position (Left/Right)

- Turn screw **C** clockwise to move the door to the right.
- Turn screw **C** counter-clockwise to move the door to the left.

Adjusting Door Height (Up/Down)

- Loosen screws **A** and **B**.
- Adjust the door to the desired height.
- Re-tighten screws **A** and **B** to secure the door in place.

Adjusting Door Depth (In/Out)

- Loosen screw **D**.
- Push or pull the door to achieve a flush position.
- Re-tighten screw **D**.
