ROCKPOINT B0FKYVDRRY

ROCKPOINT 59-inch Fireplace TV Stand with 3-Sided Glass and 24-inch Electric Fireplace

Model: B0FKYVDRRY | Brand: ROCKPOINT

1. Introduction

Thank you for choosing the ROCKPOINT 59-inch Fireplace TV Stand. This entertainment center is designed to accommodate TVs up to 65 inches and features a modern aesthetic with practical storage solutions and an integrated electric fireplace. Please read this manual thoroughly before assembly and operation to ensure safe and correct use of your product.

Key Features:

- **3-Sided Glass Electric Fireplace:** Enjoy visual and 3D flame effects from multiple angles. Features 5 flame brightness settings, 12 backlight colors, and 12 LED strip colors. Flame color, brightness, and speed are adjustable via the digital LED display or remote control.
- **Customizable Design:** LED strips can be positioned according to personal preference. The heater includes heating tubes with adjustable temperature settings from 60°F to 84°F, with an additional 99°F option. Timer settings (0.5H, 1H, 2H…9H) help optimize energy consumption.
- **Versatile Storage:** Combines open shelves and hidden compartments to provide ample space for daily items, helping to keep your room tidy. Doors are designed with stops for stability.
- **Quality & Durable Materials:** Constructed from modern MDF and quality PB, offering scratch resistance, water resistance, and no peculiar smell. The textured tabletop adds a sleek look, and cable management holes help organize LED strips and other wires.

2. Safety Information

Please observe the following safety precautions to prevent injury or damage to the product:

- Keep the unit away from naked flames or direct heat sources.
- Ensure the TV stand is placed on a stable, level surface to prevent tipping.
- Do not overload the TV stand. The maximum weight capacity for the top surface is approximately 150 lbs.
- Ensure all electrical connections for the fireplace are secure and meet local electrical codes.

- Do not block the air vents of the electric fireplace to prevent overheating.
- Keep children and pets away from the electric fireplace when it is in operation.

3. Package Contents

Your ROCKPOINT Fireplace TV Stand is shipped in two separate boxes. Please ensure you have received both packages and all components before beginning assembly. The complete set is usually available within one day if packages arrive separately.

Included Components:

- TV Stand Cabinet components
- Electric Fireplace Heater unit
- All necessary hardware for assembly
- Instruction Manual

4. Assembly Instructions

Assembly is required for this product. Follow the included step-by-step instructions carefully. While assembly is designed to be straightforward, having a second person to assist is recommended for easier handling of larger components.

- Unpack all components and verify against the parts list in the separate instruction booklet.
- Use the provided hardware. An electric screwdriver can expedite the process.
- Utilize the cable management holes to organize wires for a neat appearance.
- Ensure all connections are tightened securely for stability.

5. Operating Instructions (Electric Fireplace)

The integrated 24-inch electric fireplace offers various customizable settings for ambiance and warmth. Use the digital LED display on the unit or the provided remote control to adjust settings.

Fireplace Controls:

- **Power On/Off:** Press the power button to turn the fireplace on or off.
- **Flame Brightness:** Cycle through 5 flame brightness settings to achieve your desired visual effect.
- **Backlight & LED Strip Colors:** Choose from 12 different backlight and 12 LED strip colors to match your mood or decor.
- **Temperature Adjustment:** Set the heater temperature between 60°F and 84°F. A 99°F option is also available for maximum warmth.
- **Timer Settings:** Utilize the timer function to automatically shut off the fireplace after 0.5, 1, 2, up to 9 hours, helping to conserve energy.
- **Child Lock:** Activate the child lock feature to prevent unintended changes to settings.

6. Maintenance

To maintain the appearance and longevity of your TV stand and fireplace:

- **Cleaning:** Wipe the surfaces with a dry cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Fireplace Care:** Periodically check the air intake and exhaust vents of the electric fireplace for dust or obstructions and clean as necessary to ensure proper airflow.
- **General Care:** Avoid placing hot items directly on the surface without protection. Protect from excessive moisture.

7. Troubleshooting

If you encounter any issues with your ROCKPOINT Fireplace TV Stand, please refer to the following common solutions:

- **Fireplace Not Turning On:** Check if the unit is properly plugged into a working electrical outlet. Ensure the power switch on the unit is in the 'ON' position.
- **No Heat Output:** Verify that the temperature setting is above the current room temperature. Check for any obstructions in the heater's air vents.
- **Remote Control Not Working:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the fireplace's receiver.
- **Loose Components:** Periodically check and tighten all screws and fasteners to maintain the structural integrity of the TV stand.

If problems persist, please contact customer support.

8. Specifications
