2. PRODUCT OVERVIEW

2.1. Package Contents

The following items are included in your SENXIN S3 package:

- 1x SENXIN S3 Bluetooth Speaker
- 1x Mini bundle pocket
- 1x USB charging cable
- 1x User's manual (this document)
- 1x Sling

2.2. Key Features

- **Compact and Portable Design:** Weighing approximately 70g (2.5 oz), the S3 is designed for easy transport, ideal for travel, hiking, and outdoor activities.
- **Impressive Sound:** Delivers clear sound with enhanced bass through a high-performance driver and passive subwoofer.
- **Simple Controls:** Features three silicone buttons for straightforward operation.
- **True Wireless Stereo (TWS) Function:** Allows two S3 speakers to be paired together for a stereo

sound experience.

- **Multiple Playback Options:** Supports Bluetooth connectivity and TF (MicroSD) card playback.

3. SETUP

3.1. Charging the Speaker

Before first use, fully charge the speaker. Connect the provided USB charging cable to the speaker's charging port and to a standard USB power source (e.g., computer USB port, USB wall adapter). The charging indicator light will illuminate during charging and turn off when fully charged.

3.2. Powering On/Off

To power on the speaker, press and hold the power button until you hear an audible prompt or see the indicator light illuminate. To power off, press and hold the power button again until the indicator light turns off.

4. OPERATING INSTRUCTIONS

4.1. Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth pairing mode (indicated by a flashing LED light).
2. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
3. Select "S3" from the list of available devices.
4. Once paired, the speaker will emit an audible confirmation, and the LED light will remain solid.

The speaker will automatically attempt to reconnect to the last paired device when powered on.

4.2. True Wireless Stereo (TWS) Pairing

To achieve a stereo sound experience, you can pair two SENXIN S3 speakers together:

1. Ensure both S3 speakers are powered off.
2. Power on both speakers.
3. Double-click the power on/off button on **one** of the speakers.
4. After a few seconds, the two speakers will automatically pair with each other, indicated by an audible prompt.
5. Once TWS paired, connect your device via Bluetooth to one of the speakers (the master speaker).

Support dual audio interconnection, more shocking sound quality

5. MAINTENANCE

- Keep the speaker dry. Avoid exposure to water or excessive moisture.
- Clean the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Store the speaker in a cool, dry place when not in use.
- Avoid dropping or subjecting the speaker to strong impacts.
- Do not attempt to disassemble or repair the speaker yourself. This will void the warranty.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery.	Charge the speaker fully using the provided USB cable.
Cannot pair via Bluetooth.	Speaker not in pairing mode; device Bluetooth off; too far from speaker.	Ensure speaker is in pairing mode (flashing LED). Turn on Bluetooth on your device. Move device closer to speaker (within 10 meters).
No sound or low volume.	Volume too low on speaker or device; speaker not connected.	Increase volume on both the speaker and your connected device. Re-establish Bluetooth connection.
TWS pairing fails.	Incorrect pairing procedure.	Ensure both speakers are off, then power them on. Double-click the power button on only one speaker to initiate TWS pairing.

7. SPECIFICATIONS
