Why did you choose us ?

Non in ear wearing with ergonomic design that fits snugly to the ear contour

Upgraded Hook Open Ear Design

Compact; Comfortable;
No pain; No fall easily

It reduces the build up of air pressure in the ear canal, minimizing the risk of hearing damage.

Severe Ear Strain

Cochlear swelling and inflammation

VS

Severe Ear Strain

Easy to fall off and ear pain

INITIAL SETUP

Charging the Earbuds and Case

Before first use, fully charge the headphones and charging case. The charging case features an LED display that shows the remaining battery percentage in real-time.

- Place the earbuds into the charging case. Ensure they are properly seated to initiate charging.
- Connect the Type-C charging cable to the charging port on the case and to a USB power source.
- A full charge for the case typically takes about 1 hour.
- The earbuds provide up to 10 hours of playtime on a single charge. The fully charged case can recharge the earbuds multiple times, providing up to 50 hours of total playtime.

Pairing with a Device

The headphones are designed for automatic pairing:

1. Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
3. Select "YYK-Q16" from the list of found devices to connect.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

The Bluetooth 5.4 technology ensures a stable connection up to 33 feet (10 meters).

Upgraded Bluetooth 5.4 Technology

Dual-channel transmission creates an unbreakable connection, improves stability and lower power consumption.

WEARING INSTRUCTIONS

For optimal comfort and sound quality, follow these steps to properly wear your KESIEME open-ear headphones:

1. **Step 1:** Take out both earphones from the charging case.
2. **Step 2:** Gently hang the end of each earphone over your ear, resting it on the ear bone.
3. **Step 3:** Turn the earphones and slide them behind your ear, ensuring the main body sits comfortably outside your ear canal.
4. **Step 4:** Adjust the ear hook and pull it down slightly for a secure and stable fit.

How to wear?

1 Take it out earphones;

2 Hang the end of the earphones on the ear bone.

3 Turn the earphones and slide it behind the ear.

4 Adjust ear hook, wear and pull down ear hook for secure fit.

CARE AND MAINTENANCE

Proper care will extend the life of your KESIEME YYK-Q16 headphones:

- **Cleaning:** Use a soft, dry cloth to wipe the earbuds and charging case. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** The headphones are IPX7 waterproof, meaning they can withstand sweat and splashes. Do not submerge them in water or expose them to heavy rain for extended periods. Ensure they are dry before placing them back in the charging case.
- **Storage:** Store the headphones in their charging case when not in use to protect them from dust and damage.
- **Temperature:** Avoid exposing the headphones to extreme temperatures (hot or cold) or high humidity.
- **Charging:** Use only the provided Type-C cable or a certified equivalent for charging.

TROUBLESHOOTING GUIDE

If you encounter issues with your headphones, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Earbuds not pairing with device	Bluetooth is off on device; earbuds not in pairing mode; previously paired with another device.	Ensure Bluetooth is enabled. Place earbuds in case, then remove to re-enter pairing mode. Forget "YYK-Q16" from your device's Bluetooth list and re-pair.
Only one earbud working	Earbuds not properly paired with each other; low battery on one earbud.	Place both earbuds back in the charging case, close the lid, then open and remove them together. Ensure both are charged. Perform a full reset (see Touch Controls section).
No sound or low volume	Volume too low on device or earbuds; earbuds not connected; audio source issue.	Increase volume on both your device and the earbuds. Check if earbuds are properly connected. Try playing audio from a different source.
Charging case not charging	Faulty cable or power adapter; dirty charging port.	Try a different Type-C cable and USB power adapter. Clean the charging port gently with a dry cotton swab.
Uncomfortable fit	Improper wearing.	Refer to the "Wearing Instructions" section for proper placement and adjustment of the ear hooks.
