ANCTOR B0FL1SDR2V

ANCTOR Full Size Daybed with Trundle, LED Lights, and Charging Station

Model: B0FL1SDR2V

Brand: ANCTOR

Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your ANCTOR Full Size Daybed with Trundle. Please read all instructions carefully before assembly and use to ensure safe and proper operation of the product.

Safety Information

- Always lock the casters when the bed is in use to prevent unexpected movement.
- Be cautious around sharp edges to avoid injury during assembly and use.
- Follow the assembly instructions carefully to ensure stability and prevent collapse.
- Do not exceed the maximum weight capacity specified for the daybed and trundle.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten fasteners.

Product Features

- **Space-Saving Versatility:** The full-size daybed with a trundle smoothly transitions from a sofa with an upholstered headboard backrest to two single beds, ideal for compact areas.
- **Comfort and Storage:** Features a soft-upholstered headboard for relaxation and dual 2-tier storage shelves for books, gadgets, or decorative items.
- **Smart Lighting and Charging:** Equipped with an LED light offering over 60,000 DIY color options, controlled by remote or app. Includes a built-in power outlet with 2 USB and 2 standard ports for convenient device charging.
- **Mobility and Stability:** The trundle bed is equipped with smooth-glide lockable casters for easy movement and stability. Four mattress slide stops keep mattresses firmly in place.
- **Durable Construction:** Built with a sturdy metal frame for long-term durability and reliable support.

Assembly Instructions

Please ensure all parts are present and undamaged before beginning assembly. Refer to the included hardware pack and diagrams for specific component identification. It is recommended to assemble with two people.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all parts are present against the parts list in your separate assembly guide.
2. **Assemble the Main Daybed Frame:** Follow the step-by-step diagrams to connect the main frame components. Ensure all bolts are finger-tightened initially.
3. **Install the Upholstered Headboard and Shelves:** Attach the upholstered headboard panels and the 2-tier storage shelves to the main frame. Secure these components as per the instructions.
4. **Integrate LED Lights and Charging Station:** Carefully place the LED light strip into its designated channel on the headboard. Connect the power outlet and USB ports to the main power supply as instructed.
5. **Assemble the Trundle Bed Frame:** Construct the trundle bed frame, ensuring the lockable casters are correctly installed for smooth operation.
6. **Attach Mattress Slide Stops:** Secure the four mattress slide stops to the main daybed frame to prevent mattress movement.
7. **Final Tightening:** Once all components are in place, systematically tighten all bolts and fasteners using the provided tools. Do not overtighten.

Operating Instructions

LED Lights

- The LED lights are controlled by an included remote or a compatible mobile application.
- Use the remote or app to power the lights on/off, change colors (over 60,000 DIY options), adjust brightness, and select various lighting modes.
- Ensure the LED light strip is properly connected to the power source.

Charging Station

- The built-in charging station includes 2 USB ports (5V/2A) and 2 standard AC outlets (110V/12A).
- Plug the daybed's power cord into a wall outlet.
- Connect your devices to the USB ports or AC outlets for convenient charging.

Trundle Bed

- To use the trundle, gently pull it out from underneath the main daybed frame.
- The trundle is equipped with lockable casters. Engage the locks to secure the trundle in place when in use.
- To store, unlock the casters and push the trundle back underneath the main daybed until it is fully retracted.

Figure 6: The trundle bed fully extended, providing an additional sleeping surface.

Maintenance

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. For the upholstered headboard, use a fabric cleaner suitable for linen or a mild soap solution. Avoid harsh chemicals.
- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Casters:** Keep the trundle casters clean and free of debris to ensure smooth operation. Lubricate if necessary.
- **LED Lights:** If the LED lights malfunction, check the power connection and remote control battery. If issues persist, contact customer support.

Troubleshooting

- **Squeaking Noises:** If the bed frame produces squeaking noises, check all bolts and connections. Loosen slightly, adjust the frame, and then re-tighten securely. Ensure the mattress is properly seated.
- **Trundle Not Sliding Smoothly:** Check the casters for any obstructions or debris. Ensure they are unlocked when attempting to slide the trundle.
- **LED Lights Not Working:** Verify the power cord for the LED lights is securely plugged into an active outlet. Check the remote control battery. If using an app, ensure Bluetooth connection is active.
- **Charging Station Not Functioning:** Confirm the daybed's main power cord is plugged in. Test with different devices and cables to rule out device-specific issues.

Specifications

Feature	Detail
Size	Full
Product Dimensions	77.2"L x 54.7"W x 44.8"H
Special Feature	LED Headboard Lighting
