Key Features:

- **HD Large Mirror:** Provides a clear visual for precise makeup application.
- **Adjustable LED Light:** Features 3 color light options and adjustable brightness for various needs.
- **Zone Storage:** Includes 3 open shelves on both sides of the mirror for organized storage of cosmetics and skincare products.
- **Multiple Drawers:** One large central drawer and eight smaller side drawers offer flexible storage for beauty tools, jewelry, and other items.
- **Unique Appearance Design:** White finish with hidden gold drawer fasteners for a minimalist aesthetic.

2. SETUP AND ASSEMBLY

Assembly of the Hzueneri Vanity Desk requires careful attention to the provided instructions. All necessary parts are labeled with codes to streamline the process. It is recommended to assemble the unit in the desired location to avoid moving it after completion.

Before You Begin:

- Unpack all components and verify against the parts list.
- Ensure you have a clear, spacious area for assembly.
- A screwdriver and Allen key are typically included. Additional tools may be helpful.

Assembly Steps:

1. Follow the step-by-step diagrams and text instructions provided in the separate assembly guide.
2. Attach the main desk frame components first, ensuring all connections are secure.
3. Install the drawer slides and then assemble the drawers according to their specific part codes.
4. Mount the mirror and upper shelving unit, connecting any electrical components for the LED lights as directed.
5. Insert the assembled drawers into their respective compartments.

3. OPERATING INSTRUCTIONS

LED Mirror Operation:

The integrated LED lights around the mirror offer customizable illumination for various makeup needs.

- **Power On/Off:** Locate the touch sensor button on the mirror surface. A short press will turn the lights on or off.
- **Change Light Color:** With the lights on, a short press on the touch sensor button will cycle through the three available light colors: Warm Light (3000K), Natural Light (4000K), and Cold White Light (6000K).
- **Adjust Brightness:** With the lights on, a long press on the touch sensor button will gradually increase or decrease the brightness. Release the button when the desired brightness level is reached.

Drawer Usage:

The vanity desk includes one large central drawer and eight smaller side drawers. These drawers are designed for smooth operation and organized storage.

- To open a drawer, gently pull the hidden gold fastener.
- To close, push the drawer firmly until it is fully seated.
- Distribute weight evenly within drawers to ensure smooth functionality.

4. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **LED Lights:** The LED lights are designed for long-term use and generally do not require maintenance. If an issue occurs, refer to the troubleshooting section.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small

amount of silicone lubricant can be applied.

- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the finish.

5. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common solutions.

- **LED Lights Not Working:**
 - Ensure the power cable is securely plugged into both the vanity desk and a working power outlet.
 - Check if the power outlet is functional by plugging in another device.
 - Verify that the touch sensor is clean and unobstructed.
- **Drawers Sticking or Not Closing Properly:**
 - Check for any obstructions inside the drawer or along the slides.
 - Ensure the drawer slides are properly aligned and securely fastened. Refer to the assembly instructions if necessary.
 - Verify that the drawer contents are not overloaded or unevenly distributed.
- **Vanity Desk Wobbles:**
 - Ensure all assembly screws and fasteners are tightened. Do not overtighten.
 - Place the vanity desk on a flat, level surface.

If these steps do not resolve the issue, please contact customer support.
