

FENNIO 23x18

FENNIO 23" x 18" LED Vanity Mirror Instruction Manual

Model: 23"L x 18"W

Brand: FENNIO

1. INTRODUCTION

Thank you for choosing the FENNIO 23" x 18" LED Vanity Mirror. This mirror is designed to enhance your makeup and grooming routine with its adjustable lighting and versatile placement options. Please read this manual carefully before use to ensure proper installation and operation.

2. KEY FEATURES

- **Adjustable Brightness & 3-Color Lighting Modes:** Features cold light (6000K), daylight (5000K), and warm light (4000K) settings. Each mode's brightness can be adjusted to simulate various lighting conditions for optimal makeup application.
- **Optimal Viewing Area:** The 23"W x 18"H mirror provides a comprehensive upper body view, ideal for detailed grooming.
- **Versatile Placement:** Designed for both tabletop use with an included base and wall-mounting with provided accessories.
- **Safety Tempered Glass:** Constructed with enhanced impact resistance and a shatter-resistant coating to prevent dangerous glass fragmentation.
- **Intuitive Touch Controls:** Easy-to-use touch buttons for power, light mode selection, and brightness adjustment.

3. SETUP AND INSTALLATION

3.1 Tabletop Placement

1. Unpack the mirror and all components carefully.
2. Attach the provided base to the bottom of the mirror. Ensure it is securely fastened according to the assembly instructions included in the packaging.
3. Place the mirror on a stable, flat surface such as a vanity or dresser.
4. Connect the power adapter to the mirror's power input and then plug it into a standard electrical outlet.

3.2 Wall-Mounted Installation

1. Identify the two back holes on the mirror designed for wall hanging.
2. Using appropriate wall anchors and screws (provided), securely mount the mirror to a sturdy wall. Ensure the mounting hardware is suitable for your wall type and the weight of the mirror.
3. Connect the power adapter to the mirror's power input and then plug it into a standard electrical outlet.

TWO WAYS OF PLACING

Tabletop and wall mounted flexible to meet your needs

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

To turn the mirror on or off, gently touch the middle power button (represented by a circle with a vertical line) located on the mirror's surface.

4.2 Changing Lighting Modes

The "M" button on the left side of the touch controls is used to cycle through the three color modes: Cool Light (6000K), Natural Light (5000K), and Warm Light (4000K). Tap the "M" button to switch between modes.

5. MAINTENANCE

5.1 Cleaning the Mirror

- Always unplug the mirror from the power source before cleaning.
- Use a soft, lint-free cloth and a non-abrasive glass cleaner to wipe the mirror surface.
- Avoid spraying cleaner directly onto the mirror; instead, apply it to the cloth first.
- Do not use harsh chemicals or abrasive materials, as these can damage the mirror's surface or frame.

5.2 Frame Care

- Wipe the frame with a soft, dry cloth to remove dust.
- For stubborn marks, a slightly damp cloth can be used, followed by immediate drying.

5.3 Safety Precautions

- The mirror features tempered glass with a shatter-resistant coating. While designed for durability, avoid dropping or striking the mirror to prevent damage.
- Keep the mirror away from excessive moisture or direct water exposure.

6. TROUBLESHOOTING

- **Lights not turning on:** Ensure the power adapter is securely plugged into both the mirror and a working electrical outlet. Check if the outlet is receiving power.
- **Inconsistent brightness or flickering lights:** Unplug the mirror, wait for a few seconds, and then plug it back in. If the issue persists, ensure the power adapter is not damaged.
- **Touch controls unresponsive:** Ensure your fingers are clean and dry when operating the touch controls. If the issue continues, try resetting the mirror by unplugging and re-plugging the power.

If you encounter any issues not listed here or if troubleshooting steps do not resolve the problem, please contact customer support for assistance.

7. SPECIFICATIONS

Feature	Detail
Brand	FENNIO
Colour	Gold
Product Dimensions	58.4L x 45.7W Centimetres (Approx. 23"L x 18"W)
Item Weight	1.81 kg
