ROCKPOINT HX2025-50

ROCKPOINT 80-inch Fireplace TV Stand User Manual

Model: HX2025-50

Brand: ROCKPOINT

1. Introduction

Thank you for choosing the ROCKPOINT 80-inch Fireplace TV Stand. This manual provides essential information for the safe assembly, operation, and maintenance of your new entertainment center. Please read all instructions carefully before use and retain this manual for future reference.

This versatile entertainment center is designed to accommodate TVs up to 90 inches and features a 3-sided glass electric fireplace, ample storage, and durable construction. It combines functionality with a modern aesthetic to enhance your living space.

2. Safety Information

- Keep the unit away from naked flames or direct heat sources.
- Ensure all electrical connections are secure and meet local safety standards.
- Do not overload shelves or the top surface beyond the specified weight capacity.
- Always unplug the electric fireplace before cleaning or performing maintenance.
- Keep children and pets away from the electric fireplace when it is in operation.

3. Product Overview

The ROCKPOINT Fireplace TV Stand is an 80-inch wide entertainment center featuring a 36-inch electric fireplace. It includes drawers and glass door storage cabinets, designed to hold TVs up to 90 inches.

Materials:

Crafted from modern MDF and premium PB (Particle Board), ensuring durability and resistance to scratches and water.

Special Features:

- **3-Sided Glass Electric Fireplace:** Offers expansive views with 5 flame brightness settings, 12 backlight colors, and 12 LED light strip colors.
- **Customizable LED Strips:** Allows adjustment of LED strip placement.
- **Heater Function:** Temperature settings from 60°F to 84°F (with an extra 99°F option) and timer settings (0.5H to 9H).
- **Flexible Storage:** Includes open shelving, hidden compartments, and two drawers.
- **Glass Door Cabinets:** Provides additional storage with stops for stability.
- **Cable Management:** Integrated holes keep wires organized.

4. Setup and Assembly

The ROCKPOINT Fireplace TV Stand is delivered in two separate boxes. It is common for these boxes to arrive on different days. Please ensure you have both packages before beginning assembly.

Assembly typically takes approximately 2-3 hours for one person. A power drill can assist in speeding up the process. Follow the detailed instructions provided in the included assembly guide. All necessary hardware is provided.

5. Operating Instructions (Electric Fireplace)

The integrated 36-inch electric fireplace offers various customization options for ambiance and heating.

Controls:

The fireplace can be controlled via the digital LED display on the unit or the included remote control.

Figure 5.1: Fireplace control panel and remote functions.

Flame and Lighting:

- **Flame Brightness:** Choose from 5 settings to adjust the intensity of the flame effect.
- **Flame Colors:** Select from 12 distinct flame colors to match your mood or decor.
- **Backlight Colors:** The fireplace features 12 colors for the backlight.
- **LED Light Strips:** The unit includes LED light strips with 12 color options, which can be customized in placement.

Figure 5.2: Available flame colors and brightness levels.

Heating Function:

- **Temperature Settings:** Adjust the heater temperature from 60°F to 84°F, with an additional 99°F setting for maximum warmth.
- **Timer Settings:** Utilize the timer function (0.5H, 1H, 2H… up to 9H) to automatically turn off the heater, promoting energy efficiency.

6. Storage Features

This entertainment center offers flexible and spacious storage solutions to keep your living area organized.

- **Drawers:** Two easy-access, smooth-sliding drawers provide concealed storage for smaller items.
- **Glass Door Cabinets:** Two cabinets with glass doors offer visible storage for decorative items or media, equipped with quality buffer hinges for smooth operation.
- **Open Shelving:** Central open shelves are ideal for media devices, books, or decorative accents.
- **Adjustable Shelves:** The shelves within the cabinets are adjustable, allowing you to customize the storage

space to fit various item heights.

- **Cable Management Holes:** Strategically placed holes ensure that all electronic cables and LED strip wires remain organized and out of sight.

7. Maintenance

To maintain the appearance and longevity of your ROCKPOINT Fireplace TV Stand, follow these simple care instructions:

- **Cleaning:** Wipe with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or water damage.
- **Heat Exposure:** Avoid placing hot items directly on the surface. Use coasters or protective pads.
- **Fireplace Maintenance:** Refer to the separate electric fireplace manual for specific cleaning and maintenance instructions for the heating unit.

8. Troubleshooting

If you encounter any issues with your ROCKPOINT Fireplace TV Stand, please consider the following general troubleshooting steps:

- **Assembly Issues:** Double-check all connections and ensure all parts are correctly aligned according to the assembly instructions.
- **Fireplace Not Working:** Ensure the unit is properly plugged into a functional power outlet. Check the power button on the unit and the remote control. Refer to the electric fireplace manual for specific electrical troubleshooting.
- **Stability Concerns:** Verify that all screws and fasteners are tightened. Ensure the unit is placed on a flat, level surface.

For further assistance, please contact ROCKPOINT customer support.
