## Hzuaneri DT41903WCA

# Hzuaneri 9-Drawer Vanity Desk with LED Light (Model DT41903WCA) User Manual

Model: DT41903WCA

## INTRODUCTION

---

Thank you for choosing the Hzuaneri 9-Drawer Vanity Desk with LED Light. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## SAFETY INFORMATION

---

- **Assembly:** Always assemble the product on a soft, clean surface to prevent scratches. Ensure all hardware is securely tightened before use.
- **Stability:** For optimal stability, place the vanity desk on a flat, level surface. Consider anchoring the unit to a wall to prevent tipping, especially in households with children or pets.
- **Weight Capacity:** Do not overload drawers or shelves. Distribute weight evenly to maintain balance.
- **Electrical Safety (LED Lights):**
  - Ensure the power cord is not pinched or damaged.
  - Do not expose the LED strip or power adapter to water or excessive moisture.
  - Unplug the vanity desk from the power outlet before cleaning or performing any maintenance on the LED lights.
- **Glass Mirror:** Handle the mirror with care. In case of breakage, dispose of broken glass safely.

## ASSEMBLY INSTRUCTIONS

---

Assembly typically requires two adults. Follow the step-by-step instructions provided in the separate assembly guide included in your package. Use the part codes to identify each component.

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface. Group similar parts and hardware together.
2. **Identify Parts:** Refer to the parts list and diagrams in the assembly guide to identify each component by its unique part code.
3. **Assemble Main Frame:** Begin by assembling the main desk frame according to the numbered steps. Ensure all connections are firm but do not overtighten screws until instructed.
4. **Install Drawers:** Attach drawer slides to the desk frame and assemble the 9 drawers. The unique hidden drawer fasteners allow for easy opening with a gentle pull.
5. **Mount Mirror Unit:** Securely attach the large HD mirror unit to the top of the desk frame. Ensure it is properly aligned and stable.
6. **Install Shelves:** Place the open storage shelves on both sides of the mirror as indicated in the diagrams.
7. **Connect LED Lights:** Follow the specific instructions for connecting the LED strip to the power adapter and the vanity unit.
8. **Final Tightening:** Once fully assembled, carefully tighten all screws and connections.

## OPERATING INSTRUCTIONS: LED LIGHT

The integrated LED strip provides adjustable lighting for your convenience.

- **Power On/Off:** Press the touch sensor button on the mirror to turn the LED lights on or off.
- **Change Light Color:** Short press the touch sensor button to cycle through the 3 available light colors: Warm Light, Natural Light, and Cold White.
- **Adjust Brightness:** Long press the touch sensor button to continuously adjust the brightness level for the selected light color. Release the button when the desired brightness is reached.

## MAINTENANCE

- **Cleaning Surfaces:** Wipe the engineered wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, apply a small amount of silicone lubricant to the tracks.
- **Hardware:** Regularly check and retighten all screws and fasteners to ensure the desk remains stable.
- **LED Lights:** The LED lights are designed for long-term use. If replacement is needed, contact customer service for assistance. Do not attempt to replace individual LEDs yourself.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights do not turn on.	Power cord not connected; adapter faulty; touch sensor issue.	Ensure the power adapter is securely plugged into the wall outlet and the LED strip. Check if the outlet is functional. If issues persist, contact customer service.
Drawers are difficult to open or close.	Drawer slides misaligned; obstruction; loose hardware.	Check that the drawer slides are correctly installed and aligned. Remove any obstructions. Ensure all drawer hardware is tightened.
Vanity desk feels unstable.	Loose hardware; uneven surface.	Retighten all assembly screws. Ensure the desk is placed on a flat, level surface. Consider using the anti-tip kit if not already installed.
