GAOMON 7-Drawer Dresser Instruction Manual

Model: SrJgfl9t-gK3ZJ7GkZvUrQch4C54r

1. PRODUCT OVERVIEW

The GAOMON 7-Drawer Dresser is a versatile and elegant storage solution designed to enhance various living spaces, including bedrooms, closets, living rooms, and entryways. This dresser features a unique groove design, golden base, and handles, providing both aesthetic appeal and practical storage. Its robust construction ensures durability and stability for daily use.

2. SAFETY INFORMATION

Please read and understand all safety information before assembling and using this product. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tip Device:** Always install the included anti-tip device to prevent the dresser from tipping over, especially in households with children. Securely fasten it to a wall stud.
- **Weight Distribution:** Distribute weight evenly across drawers and on the top surface. Avoid placing excessively heavy items in upper drawers to maintain stability.
- **Assembly:** Assemble the dresser on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten hardware.
- **Children Safety:** Do not allow children to climb on or play with the dresser. Keep small parts out of reach during assembly.

3. PARTS LIST

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

Part	Description	Quantity
Top Panel	Main top surface of the dresser	1
Side Panels	Left and right side panels	2
Back Panel	Rear panel of the dresser body	1
Drawer Fronts	Front panels of the drawers with groove design	7
Drawer Sides/Backs	Components for assembling drawer boxes	Various
Drawer Bottoms	Base panels for drawers	7
Metal Handles	Golden metal pulls for drawers	7
Metal Legs/Base	Golden metal frame for support	1 set
Drawer Slides	Metal rails for smooth drawer operation	14 sets
Hardware Pack	Screws, dowels, cam locks, anti-tip kit, etc.	1 pack

4. SETUP AND ASSEMBLY

Assembly is required for this dresser. Please follow the step-by-step instructions provided in your package. It is recommended to have two people for assembly. An average assembly time is approximately 1.5 to 3 hours.

- 1. Prepare the Area:** Clear a spacious, clean, and soft area for assembly to prevent damage to components.
- 2. Identify Parts:** Lay out all parts and hardware. Match them with the labeled diagrams in your assembly guide.
- 3. Assemble the Main Frame:** Connect the side panels to the top and bottom panels using the provided hardware. Ensure all connections are secure.
- 4. Attach the Metal Base:** Secure the golden metal legs/base to the bottom of the dresser frame.
- 5. Install Drawer Slides:** Attach the drawer slides to the interior of the dresser frame and to the sides of the drawer boxes as per the instructions. Ensure they are level and aligned for smooth operation.
- 6. Assemble Drawers:** Construct each of the seven drawers by attaching the sides, back, and bottom to the drawer front. Install the golden metal handles.
- 7. Insert Drawers:** Carefully slide the assembled drawers into their respective slots.
- 8. Install Anti-Tip Device:** Securely attach the anti-tip device to the back of the dresser and to a wall stud. This is a critical safety step.

5. OPERATING INSTRUCTIONS

Using your GAOMON dresser is straightforward. The drawers are designed for smooth operation and ample storage.

- **Opening/Closing Drawers:** Gently pull or push the golden metal handles to open and close the drawers. The high-quality drawer slides ensure smooth gliding.
- **Storage Capacity:** The dresser features three top smooth-gliding drawers for smaller essentials and four lower, deeper drawers (14" deep) for larger items like clothing, bedding, or pillows.
- **Weight Limits:** Avoid overloading drawers. While the dresser is designed to be sturdy, excessive weight can strain the drawer slides and compromise stability.

Figure 5.1: The 7-drawer configuration provides ample space for various items.

6. MAINTENANCE

Proper care will help maintain the appearance and longevity of your GAOMON dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish. The eco-friendly medium-density fiberboard is designed to be waterproof and scratch-resistant.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Drawer Slides:** If drawers become stiff, a small amount of silicone lubricant can be applied to the slides, but this is rarely needed due to the high-quality design.

7. TROUBLESHOOTING

Here are some common issues and their solutions:

- **Drawers not closing smoothly:** Check if the drawer slides are properly aligned and securely fastened. Ensure no items inside the drawer are obstructing its path.
- **Dresser feels wobbly:** Verify that all assembly screws are tightened. Ensure the dresser is placed on a

level surface. Re-check the installation of the anti-tip device.

- **Missing parts:** If you discover missing parts during assembly, refer to the parts list and contact customer support for assistance.
- **Surface scratches:** While the material is scratch-resistant, minor scratches can occur. For deeper scratches, consider using a furniture repair kit matching the dresser's grey finish.

8. SPECIFICATIONS

Feature	Detail
Brand	GAOMON
