MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Garvee Futon Sofa Bed.

- **Cleaning Chenille Fabric:** For spot cleaning the chenille fabric, use a mild detergent and a soft cloth. Gently blot the affected area. Avoid harsh chemicals or abrasive cleaners, as they may damage the fabric.
- **Regular Dusting:** Regularly dust the sofa bed with a soft, dry cloth or use a vacuum cleaner with a brush attachment to remove loose dirt and debris.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the fabric. Position the sofa bed away from direct sunlight or use curtains/blinds to protect it.
- **Spill Management:** In case of spills, act quickly. Blot the spill immediately with a clean, dry cloth. Do not rub, as this can spread the stain.
