

## Waleaf PB-82TVS-50F

# Waleaf 82-inch Modern Fireplace TV Stand with 50-inch Electric Fireplace User Manual

Model: PB-82TVS-50F | Brand: Waleaf

## 1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Waleaf 82-inch Modern Fireplace TV Stand with a 50-inch Electric Fireplace. Please read all instructions carefully before use and retain this manual for future reference.

## 2. SAFETY INFORMATION

### Important Safety Instructions:

- Read all instructions before installing or using this appliance.
- Keep combustible materials, such as furniture, pillows, bedding, papers, clothes, and curtains at least 3 feet (0.9 m) from the front of the heater.
- Always unplug this appliance when not in use.
- Do not operate any heater with a damaged cord or plug, or after the heater malfunctions, has been dropped, or damaged in any manner.
- Do not run cord under carpeting. Do not cover cord with throw rugs, runners, or similar coverings. Arrange cord away from traffic area and where it will not be tripped over.
- To prevent a possible electrical shock, do not immerse the cord, plug, or the appliance in water or other liquid.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.

## 3. PACKAGE CONTENTS

The Waleaf Fireplace TV Stand is shipped in two separate packages, which may arrive on different days. Please ensure you have received both packages before beginning assembly.

- Package 1: TV Stand Components
- Package 2: 50-inch Electric Fireplace Insert
- Assembly Hardware and Tools (typically included with TV stand components)
- Remote Control for Electric Fireplace and LED Lights

Image 3.1: The product is delivered in two separate packages.

## 4. ASSEMBLY INSTRUCTIONS

The Waleaf Fireplace TV Stand requires assembly. Detailed, step-by-step instructions with numbered parts are included in the packaging of the TV stand components. Please follow these instructions carefully to ensure proper and safe assembly.

### General Assembly Tips:

- Review all parts and hardware before starting.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws.
- Two people are recommended for assembly due to the size and weight of the unit.

## 5. SETUP

After assembly, follow these steps for proper setup:

1. **Placement:** Position the TV stand on a flat, stable surface. Ensure there is adequate clearance around the unit, especially for the electric fireplace's heat output. Do not block the air vents.
2. **TV Placement:** The stand is designed to accommodate TVs up to 90 inches. Ensure your television is centered and stable on the top surface.
3. **Power Connection:** Plug the electric fireplace into a standard 120V AC outlet. Avoid using extension cords if possible; if one is necessary, ensure it is heavy-duty and rated for the fireplace's wattage (1500W).
4. **Cable Management:** Utilize the open compartments and any integrated cable management features to

organize your media devices and cables.

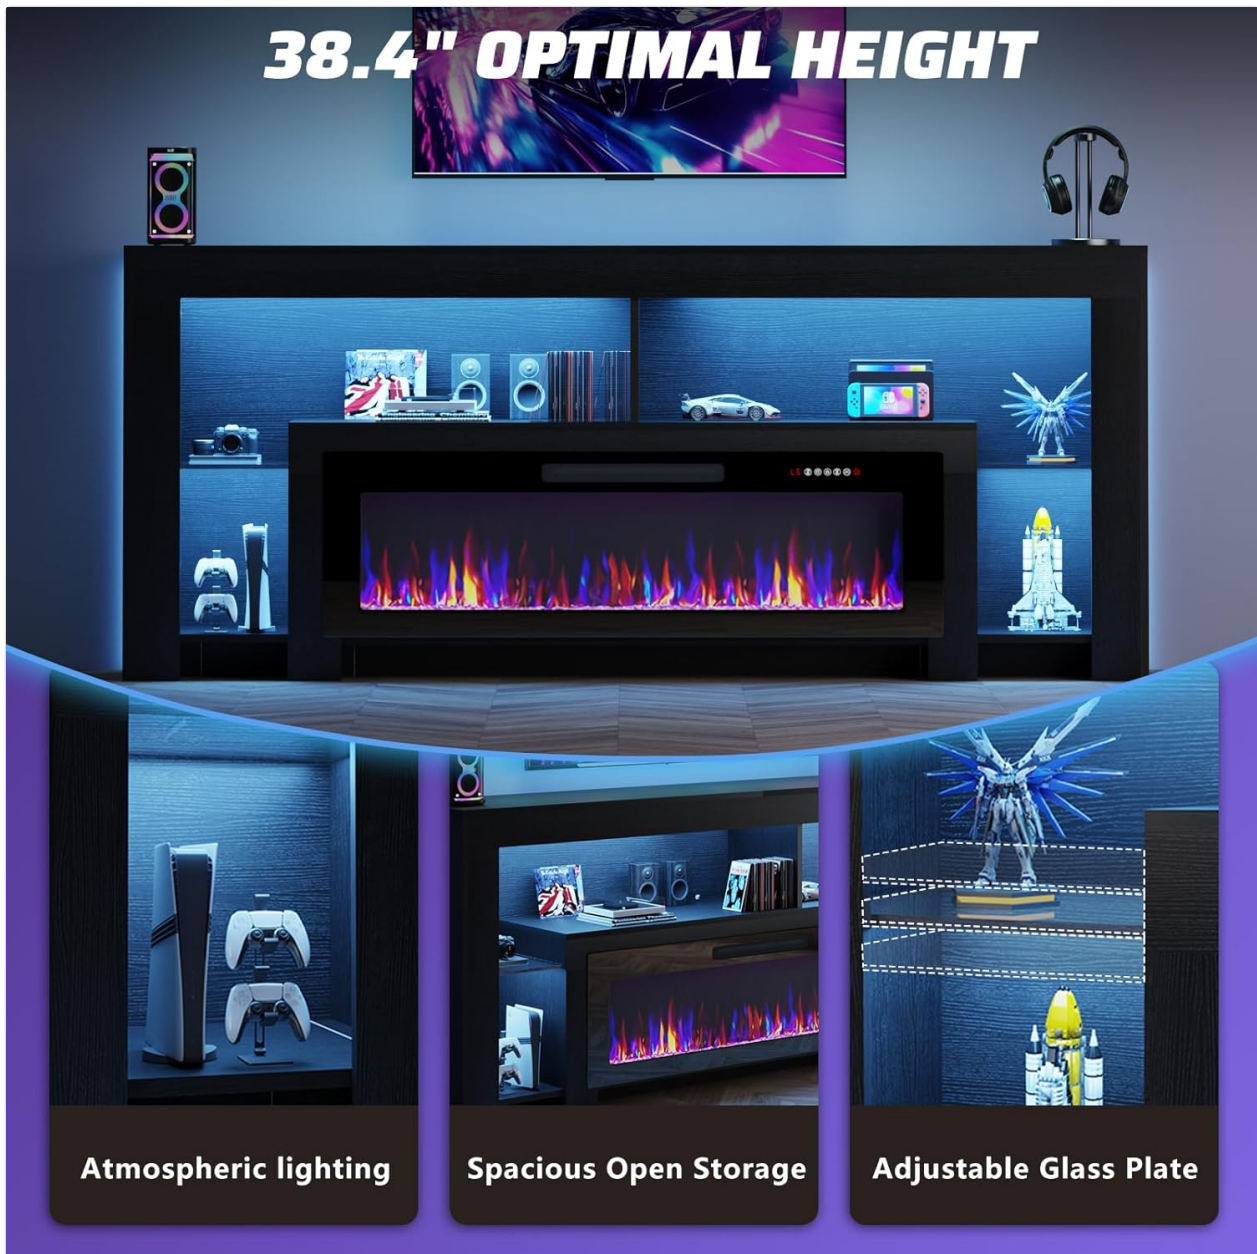

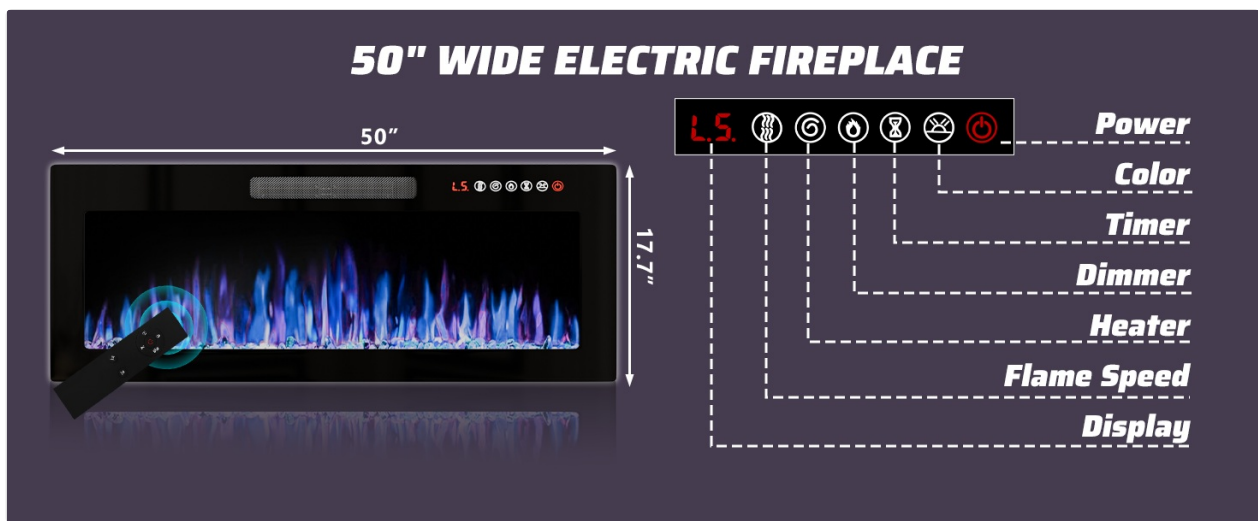

Image 5.1: Optimal height and spacious open storage for media devices.

## 6. OPERATING INSTRUCTIONS

### 6.1 Electric Fireplace Operation

The 50-inch electric fireplace can be operated via the control panel on the unit or the included remote control.

**Image 6.1:** Electric Fireplace Control Panel and Remote Functions.

**Key Functions:**

- **Power:** Turns the fireplace on/off.
- **Color:** Cycles through 12 flame and bed color options.
- **Timer:** Sets an automatic shut-off timer.
- **Dimmer:** Adjusts the brightness of the flame effect (5 levels).
- **Heater:** Activates or deactivates the 1500W heating function.
- **Flame Speed:** Adjusts the speed of the flame effect.

Image 6.2: 12 Adjustable Flame and Bed Colors.

## 6.2 LED Lighting Operation

The integrated LED strip lights offer 20 color options and are controlled via the included remote control.

**Image 6.3:** Examples of 20 Color LED Lights.

Use the LED remote to power on/off, change colors, adjust brightness, and select various lighting modes.

## 7. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your TV stand and electric fireplace.

- **Cleaning the TV Stand:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Cleaning the Electric Fireplace:** Ensure the fireplace is turned off and unplugged before cleaning. Use a soft, damp cloth to clean the glass and exterior surfaces. Do not spray water directly onto the unit.
- **Air Vents:** Periodically check and clean the air intake/output vents of the electric fireplace to ensure proper airflow and prevent overheating. Use a vacuum cleaner with a brush attachment to remove dust.
- **Bulb Replacement:** The flame effect uses LED technology, which typically does not require bulb replacement. If issues arise, consult the troubleshooting section or contact customer support.

## 8. TROUBLESHOOTING

If you encounter issues with your Waleaf Fireplace TV Stand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, power switch off, remote battery dead.	Check power cord connection, ensure wall outlet is functional, check main power switch on unit, replace remote batteries.
No heat output.	Heater function not activated, thermostat setting too low.	Activate heater function via control panel or remote, increase thermostat setting.
Flame effect not working.	Flame effect turned off, internal component issue.	Ensure flame effect is activated. If problem persists, contact customer support.
LED lights not working.	LED remote battery dead, loose connection.	Replace LED remote batteries, check connections of LED strips.
Unusual noise from fireplace.	Fan obstruction, loose component.	Turn off and unplug the unit. Inspect vents for obstructions. If noise persists, contact customer support.

For issues not covered here, please contact Waleaf customer support.

## 9. SPECIFICATIONS

Feature	Specification
Brand	Waleaf
Model Name	PB-82TVS-50F
Product Dimensions (D x W x H)	15.75"D x 82.7"W x 38.4"H
Electric Fireplace Size	50 inches wide
Material	MDF, Wood Grain Particle Board, Metal
Color	Black
Power Source	Corded Electric
Heat Output	1500W
Flame Colors	12 options
Flame Brightness	5 levels
LED Light Colors	20 options
Item Weight	Approximately 61.3 pounds
