Care and Maintenance

- **Cleaning:** Wipe the bed frame and shelves with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Tightening:** Periodically check all bolts and screws and tighten them as needed to maintain stability.
- **LED Lights:** Do not attempt to replace LED light strips yourself. Contact customer support if they malfunction.
- **Charging Station:** Keep the charging station free from dust and liquids. Do not overload the outlets.

Troubleshooting

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Bed frame feels wobbly or unstable.	Loose bolts or incorrect assembly.	Check all connections and tighten any loose bolts. Refer to the assembly manual to ensure all steps were followed correctly.
LED lights are not turning on or are flickering.	Power connection issue, faulty light strip, or controller problem.	Ensure the power adapter for the LED lights is securely plugged in. Check if the controller batteries (if applicable) need replacement. If the issue persists, contact customer support.
Charging station is not working.	Not plugged into wall outlet, circuit breaker tripped, or faulty unit.	Verify the bed frame's power cord is securely plugged into a functioning wall outlet. Check your home's circuit breaker. Avoid overloading the outlets. If still not working, contact customer support.
Drawers are difficult to open/close or get stuck.	Obstruction, damaged wheels, or misaligned.	Check for any items obstructing the drawer's path. Inspect the wheels for damage or debris. Ensure the drawers are properly aligned within their tracks.
Mattress slides on the frame.	Mattress stoppers not installed or ineffective.	Ensure the mattress slide stoppers are correctly installed at the foot of the bed.

If you encounter any issues not listed here, or if the suggested solutions do not resolve the problem, please contact Hasuit customer service for assistance.
