Jocoevol Vanity Desk

Jocoevol Farmhouse Makeup Vanity Desk User Manual

Model: Vanity Desk | Brand: Jocoevol

1. INTRODUCTION

Thank you for choosing the Jocoevol Farmhouse Makeup Vanity Desk. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new vanity desk. Please read this manual thoroughly before beginning assembly or use.

2. PRODUCT FEATURES

The Jocoevol Farmhouse Makeup Vanity Desk is designed with multiple innovative features to enhance your daily beauty routine and organization.

2.1 Visible Glass Top

The vanity desk features a transparent tempered glass top, measuring 47.2" W x 15.7" D x 53.1" H, with a thickness of 0.79 inches. This dust-proof and water-resistant surface allows for easy visibility of items stored in the two drawers beneath, which are organized with 2x3 and 2x2 compartment layouts for quick access to cosmetics and accessories.

Adjustable Shelves

Magnetic Door

Large Capacity Cabinets

Figure 2.1: Embedded Tempered Glass Tabletop for easy item location.

2.2 Sliding Lighting Mirror

The integrated mirror with lights can be slid horizontally to reveal hidden 3-tier adjustable storage shelves behind it. The lighting offers three modes (warm, cool, natural) and adjustable brightness, controlled by a light touch or long press on the mirror's surface.

2.3 All-in-One Charging Hub

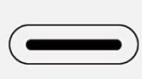

Equipped with 2 AC outlets, 1 USB-A port, and 1 Type-C fast-charging port, this vanity desk provides convenient power for beauty tools and mobile devices, eliminating the need for external power strips.

2.4 Jewelry Storage Area

Dedicated compartments for earrings (up to 20 pairs) and rings, along with a bracelet and necklace hanging area, ensure your jewelry remains organized and tangle-free. Adjustable shelves allow for storage of longer necklaces up to 14 inches high.

3-Tier Hidden Slide-Out Vanity Shelves

2.5 3-Tier Slide-Out Vanity Shelves

On the left side, a 3-tier vanity shelf system with quiet wheels provides smooth, hidden storage. When closed, it maintains clean lines and saves space. The right side features a cabinet with magnetic closure doors, adjustable-height shelves, and a large space (15.6" W x 15.7" D) suitable for professional hair dryers and other beauty tools.

3. SETUP AND ASSEMBLY

The Jocoevol Farmhouse Makeup Vanity Desk requires assembly. All necessary installation tools and clear, detailed instructions are included in the package. Each screw and accessory is labeled with corresponding numbers to facilitate the assembly process.

3.1 Before You Begin

- Unpack all components and verify against the parts list in the instruction manual.
- Ensure you have enough clear space for assembly.
- Keep small parts out of reach of children.

3.2 Assembly Steps

Follow the step-by-step diagrams and instructions provided in the included assembly manual. Pay close attention to the labeled parts and hardware. It is recommended to have two people for assembly to ensure stability and ease of handling larger components.

4. OPERATING INSTRUCTIONS

4.1 Sliding Mirror and Lighting Control

- **Sliding Function:** Gently slide the mirror horizontally along its track to access the hidden storage shelves behind it.
- **Light Modes:** Lightly touch the designated sensor on the mirror's surface to cycle through three lighting modes: warm, cool, and natural light.
- **Brightness Adjustment:** To adjust brightness, long press the sensor on the mirror's surface while in any light mode. Release when the desired brightness is achieved.

4.2 Using the Charging Hub

- Connect the vanity desk's power cord to a standard wall outlet.
- **AC Outlets:** Plug in hair dryers, curling irons, or other AC-powered beauty tools into the two 125V/12V AC outlets.
- **USB-A Port:** Use the 5V/2V USB-A port to charge compatible devices such as smartphones or small electronics.
- **Type-C Port:** Utilize the 2.5V/2.1V Type-C fast-charging port for devices that support Type-C charging.

4.3 Accessing Storage Areas

- **Glass Top Drawers:** Pull out the two drawers located under the glass tabletop to access the compartmentalized storage for cosmetics and small items.
- **Slide-Out Shelves:** On the left side, gently pull the handle to extend the 3-tier slide-out shelves. Push back to conceal.
- **Side Cabinet:** Open the magnetic closure door on the right side to access the large storage cabinet. Adjust shelves as needed by repositioning the shelf pins.
- **Jewelry Cabinet:** Open the dedicated jewelry storage cabinet to access earring and necklace hanging areas.

5. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. For the glass top, use a glass cleaner. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills, especially on the glass top, as it is water-resistant but not waterproof for prolonged exposure.
- **Dusting:** Regularly dust the desk with a dry, soft cloth to prevent buildup.

- **Mirror Care:** Clean the mirror surface with a soft, lint-free cloth and a non-ammonia glass cleaner. Avoid spraying cleaner directly onto the mirror; instead, spray onto the cloth.
- **Hardware:** Periodically check and tighten any loose screws or hardware to ensure stability.

6. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cord not connected; sensor malfunction; power outage.	Ensure the desk is plugged into a working outlet. Try touching the sensor again. Check household power.
Charging hub not working.	Desk not powered; device not compatible; faulty cable.	Verify desk is plugged in. Ensure your device and cable are compatible and functional. Try a different device/cable.
Drawers or slide-out shelves are sticking.	Obstruction in the track; uneven assembly; debris.	Check for any items blocking the tracks. Ensure the desk is assembled correctly and on a level surface. Clean tracks of any dust or debris.
Mirror not sliding smoothly.	Debris in track; misaligned track.	Inspect the sliding track for any debris and clean it. If misalignment is suspected, refer to the assembly manual or contact support.

If the problem persists after attempting these solutions, please contact Jocoevol customer support for further assistance.
