Garvee Counter Height Bar Stools Instruction Manual

Model: 49DhzJMAMgCxb_mCbN0c-AhLep

1. INTRODUCTION

Thank you for choosing Garvee Counter Height Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before assembly and retain them for future reference.

This set includes four (4) counter height bar chairs with a retro black finish, thick cushions, and upholstered seats, designed for use at kitchen islands, bars, or dining rooms.

2. SAFETY INFORMATION

- Always assemble the stools according to the provided instructions and ensure all screws and bolts are tightened securely.
- Keep the stools away from the edge of counters or tables to prevent tip-over, especially when children are present.
- Do not stand on the stools.
- Ensure the weight on the stool does not exceed the maximum recommended weight of 250 pounds.
- Regularly check all connections to ensure they remain tight. Retighten as necessary.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. If any items are missing or damaged, please contact customer service.

Each set includes:

- 4 x Bar Stool Frames
- 4 x Seat Cushions
- Assembly Hardware (screws, washers, Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Self-assembly is required. All necessary hardware and tools are included. Follow these detailed steps for quick setup.

Image: Step-by-step visual guide for assembling the bar stools.

1. **Step 1: Assemble the Frame.** Attach the side frames to the backrest frame using the provided screws. Ensure all connections are aligned before tightening.
2. **Step 2: Attach the Footrest.** Secure the footrest bars to the lower part of the stool legs. This provides stability and a comfortable resting place for your feet.
3. **Step 3: Install the Seat Cushion.** Place the thick cushioned seat onto the assembled frame. Align the pre-drilled holes on the seat with the holes on the frame and secure with screws.
4. **Step 4: Final Tightening.** Once all parts are loosely assembled, gradually tighten all screws using the Allen wrench. Do not overtighten. Ensure the stool is stable and level.

5. OPERATING AND USAGE

Your Garvee bar stools are designed for comfortable and stable seating at counter height surfaces.

SPACIOUS AND UNCROWDED

Easy to Enjoy Delicious Flavours

Image: A Garvee bar stool positioned at a kitchen island, demonstrating typical usage.

- **Thick Cushioned Seat:** The high-density foam seat provides comfort for extended periods.
- **Ergonomic Back & Footrest:** The gently curved backrest supports the natural shape of your body, and the built-in footrest allows for comfortable leg positioning.
- **Versatile Placement:** Suitable for kitchen islands, home bars, dining rooms, or cafes.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your bar stools.

Image: Visual representation of the premium PU leather features, highlighting its durability and ease of cleaning.

- **Cleaning the PU Leather Seat:** The waterproof PU leather can be easily wiped clean with a damp cloth to remove spills, stains, or dust. Avoid harsh chemical cleaners that may damage the material.
- **Cleaning the Metal Frame:** Wipe the metal frame with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying.
- **Regular Inspection:** Periodically check all screws and connections for tightness and retighten if necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the upholstery.

7. TROUBLESHOOTING

If you encounter any issues with your bar stools, refer to the following common solutions:

- **Stool is Wobbly:** Ensure all screws are fully tightened. Check that the stool is on a flat, even surface. If the floor is uneven, consider using furniture pads to level the stool.
- **Difficulty Assembling:** Re-read the assembly instructions carefully. Ensure all parts are correctly oriented and that you are using the correct hardware for each step. Do not force parts together.
- **Scratches on Floor:** The stools are equipped with anti-friction footpads. Ensure these are properly installed and intact to prevent scratching your floor.

8. SPECIFICATIONS
