1. PRODUCT OVERVIEW

The boAt Airdopes Plus 318 are True Wireless Stereo (TWS) earbuds designed for an immersive audio experience. They feature a long battery life, advanced call technology, a digital display, and a low-latency gaming mode. This manual provides instructions for setup, operation, and maintenance of your Airdopes Plus 318.

3. SETUP INSTRUCTIONS

3.1 Initial Charging

Before first use, fully charge the earbuds and the charging case.

1. Connect the USB charging cable to the charging port on the case.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The digital display on the case will indicate the charging status.
4. Once fully charged, disconnect the cable.

The earbuds feature ASAP™ Charge, providing approximately 150 minutes of playtime with just 10 minutes of charging.

3.2 Bluetooth Pairing

Follow these steps to pair your earbuds with a device:

1. Open the lid of the charging case. The earbuds will automatically power on and enter pairing mode (indicated by flashing LED lights).
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "boAt Airdopes Plus 318" from the list.
4. Once connected, the earbuds will indicate successful pairing, and the LED lights will stop flashing.

5. The earbuds support IWP™ (Insta Wake N' Pair) technology, allowing them to connect automatically to the last paired device when the case lid is opened.

4. OPERATING INSTRUCTIONS

4.1 Touch Controls

The Airdopes Plus 318 features intuitive touch controls on each earbud:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Long press on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.

4.2 Beast Mode (Low Latency Gaming)

For an enhanced gaming experience, activate Beast Mode:

- **Activation:** Specific touch gesture (refer to quick start guide or product packaging for exact gesture, typically a long press or multiple taps on one earbud).
- This mode reduces audio latency to 50ms, synchronizing audio with visuals for gaming.

5. KEY FEATURES

- **100 Hours Playback:** Enjoy extended listening with the combined battery life of the earbuds and charging case.
- **ENx™ Technology with Quad Mics:** Four built-in microphones with Environmental Noise Cancellation (ENx™) technology ensure clear voice calls by minimizing background noise.
- **Digital Display:** The charging case features a digital display to show the battery levels of both the case and individual earbuds.

- **boAt Signature Sound with 10mm Drivers:** Experience rich and powerful audio quality delivered by 10mm dynamic drivers.
- **IPX5 Water & Sweat Shield:** The earbuds are rated IPX5 for water and sweat resistance, making them suitable for workouts and outdoor activities.
- **Bluetooth v5.3:** Advanced Bluetooth connectivity for stable and efficient wireless performance.

6. MAINTENANCE

Proper care ensures the longevity of your earbuds:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Ear Tips:** Remove and clean the ear tips periodically to prevent wax buildup. Ensure they are completely dry before reattaching.

- **Storage:** Store the earbuds in their charging case when not in use to protect them from dust and damage.
- **Water Exposure:** While IPX5 rated, avoid submerging the earbuds in water. Dry them thoroughly if they get wet from sweat or splashes.

7. TROUBLESHOOTING

If you encounter issues, try these solutions:

| Issue | Possible Solution |
|---------------------------------------|--|
| Earbuds not pairing | Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in Bluetooth settings and re-pair. |
| No sound from one earbud | Place both earbuds back in the case, close the lid, then open again. Check if both earbuds are charged. |
| Charging case not charging | Check the USB cable and power adapter. Ensure the charging port is clean and free of debris. |
| Low volume | Adjust volume on your connected device. Clean ear tips to ensure no blockage. |
| Voice Assistant not responding | Ensure your device's voice assistant is enabled and configured. Check touch control settings. |

8. SPECIFICATIONS

Model Name: Airdopes Plus 318

Connectivity Technology: Wireless (Bluetooth)
