

JUMMICO Gaming Stuhl

JUMMICO Ergonomic Gaming Office Chair Instruction Manual

Model: Gaming Stuhl | Brand: JUMMICO

1. IMPORTANT SAFETY INFORMATION

Attention: This chair requires assembly. Please read these instructions carefully before beginning the assembly process. To ensure the stability and safety of the chair, do not exceed the maximum weight capacity of **150 kg (330 lbs)**.

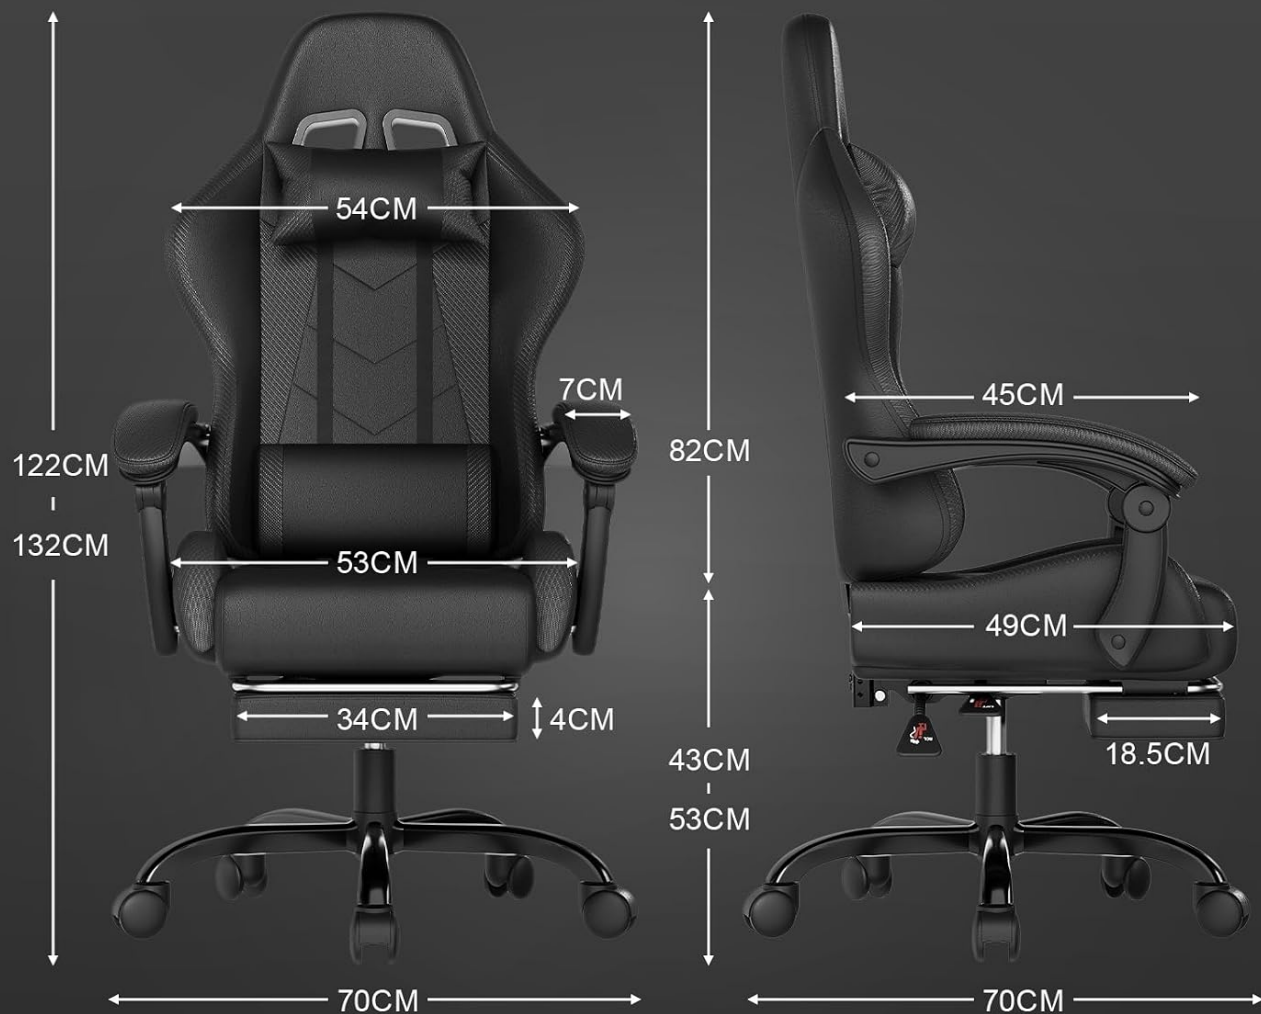

2. PRODUCT OVERVIEW AND FEATURES

The JUMMICO Ergonomic Gaming Office Chair is designed for comfort and support during extended periods of use, whether for gaming or office work. Key features include:

- **2-in-1 Dual-Point Lumbar Massage:** The integrated massage cushion helps reduce pressure on lumbar discs and alleviates lower back pain. Its vibrating function improves lumbar circulation and relaxes back muscles.
- **Adjustable Backrest (90-135°):** The backrest can be locked at any angle between 90° (for work) and 135° (for rest), accommodating users between 160 cm and 190 cm in height.
- **Removable Headrest and Retractable Footrest:** A soft, removable headrest provides neck and shoulder support. The retractable footrest offers additional comfort for relaxation.
- **High-Density Sponge Seating:** Ensures comfort and prevents fatigue during long sitting sessions.
- **Durable BIFMA Certified Components:** Features a reinforced galvanized five-star base for stability, supporting up to 150 kg. Environmentally friendly polyurethane (PU) wheels ensure smooth movement without scratching floors.

3. SETUP AND ASSEMBLY

The JUMMICO Gaming Chair requires assembly. Please ensure all components are present before beginning. Refer to the detailed assembly instructions provided in the packaging for step-by-step guidance.

General Assembly Steps (Refer to included manual for specifics):

1. Unpack all components and verify against the parts list.
2. Attach the wheels to the five-star base.
3. Insert the gas lift cylinder into the center of the base.
4. Assemble the seat and backrest components.
5. Attach the assembled seat and backrest to the gas lift cylinder.
6. Install the headrest and lumbar cushion.

4. OPERATING INSTRUCTIONS

Familiarize yourself with the chair's adjustable features to optimize your comfort.

4.1 Backrest Adjustment

To recline the backrest, locate the lever on the side of the chair (typically on the right). Pull the lever upwards, lean back to your desired angle (between 90° and 135°), and then release the lever to lock the backrest in place.

REGOLAZIONE LIBERA

Regolazione libera 90°-135°

90° PER LAVORARE

105° PER LA LETTURA

120° PER IL CINEMA

135° A RIPOSO

Image: Visual guide demonstrating the backrest's adjustable angles: 90° for working, 105° for reading, 120° for watching movies, and 135° for resting.

4.2 Seat Height Adjustment

To adjust the seat height, locate the lever under the seat (typically on the right, near the recline lever).

- **To raise the seat:** While seated, lift the lever and slightly lift your weight off the seat. The seat will rise. Release the lever at the desired height.
- **To lower the seat:** While seated, lift the lever and apply your weight to the seat. The seat will lower. Release the lever at the desired height.

4.3 Lumbar Massage Function

The lumbar cushion features a 2-in-1 dual-point massage function. Connect the USB cable from the lumbar cushion to a compatible USB power source (e.g., computer, power bank, USB wall adapter). The cushion will provide a gentle vibration to help relax your lower back muscles.

MASSAGGIO AD ALTA FREQUENZA

Rilassa i muscoli della schiena

Mantiene la concentrazione per 8 ore di comfort ininterrotto

Massaggio ad alta frequenza a 2 punti per la parte bassa della schiena.

4.4 Retractable Footrest

To use the footrest, pull it out from underneath the seat. Extend it to your preferred length for leg support. To retract, push it back under the seat until it is fully stored.

5. MAINTENANCE

Regular maintenance helps prolong the life and appearance of your chair.

- **Cleaning:** Wipe the chair's surface with a soft, damp cloth. For stubborn stains, use a mild soap solution and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Casters:** Periodically check the wheels for hair or debris and clean as needed to ensure smooth movement.
- **Fasteners:** Occasionally check all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability.
- **Lumbar Cushion:** Ensure the USB cable is not pinched or damaged.

6. TROUBLESHOOTING

If you encounter any issues with your JUMMICO Gaming Chair, refer to the following common solutions:

- **Chair feels wobbly:**
 - Ensure all assembly screws and bolts are securely tightened.
 - Verify the five-star base is correctly attached to the gas lift.
- **Seat height adjustment not working:**
 - Check if the height adjustment lever is fully engaged.
 - Ensure the gas lift cylinder is properly seated in the base and mechanism.
- **Backrest does not recline or lock:**
 - Confirm the recline lever is functioning correctly and not obstructed.
 - Ensure no foreign objects are preventing the mechanism from engaging.
- **Lumbar massage not working:**
 - Check if the USB cable is securely connected to both the cushion and a working power source.
 - Try a different USB power source to rule out power supply issues.
- **Wheels not rolling smoothly:**
 - Inspect wheels for trapped hair, dust, or debris and clean them.
 - Ensure wheels are fully inserted into the base.
