2. Safety Information

Please read and understand all safety warnings before assembly and use.

- Exercise caution around sharp edges during assembly and daily use.
- Keep all small parts and hardware away from children to prevent choking hazards.
- Always follow the provided assembly instructions carefully to ensure safe and stable use of the desk.
- When moving the desk, it is recommended to use more than two people to avoid damage to the legs or injury. Do not push or pull the desk across the floor.

3. Setup and Assembly

The ORRD Home Office Oval Desk requires assembly. Clear, step-by-step instructions and clearly marked parts are included in the product packaging to facilitate a quick and easy installation process. Please ensure all components are present before beginning assembly.
For assistance with assembly, refer to the detailed instructions provided in the box.

4. Operating Instructions

This desk is designed for ease of use and efficient organization.

4.1. Drawer Operation

The central drawer features a fluted panel design and smooth glides for easy access. To open, gently pull the bottom edge of the fluted panel. To close, push the drawer back until it is flush with the desk front.

4.2. Sliding Tambour Doors

The desk includes two side storage compartments concealed by sliding tambour doors. To open, gently slide the door along its track using the integrated handle. To close, slide the door back until it covers the compartment opening.

4.3. Cable Management

The desktop is equipped with wire holes to facilitate organized cable routing for your electronic devices. This helps maintain a neat and efficient workspace.

5. Maintenance

To ensure the longevity and appearance of your ORRD Home Office Oval Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the engineered wood finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Heat and Moisture:** Protect the surface from direct heat and excessive moisture. Use coasters for drinks and heat pads for hot items.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.

6. Troubleshooting

If you encounter any issues with your desk, consider the following common solutions:

- **Drawer/Door Sticking:** Ensure the desk is on a level surface. Check for any obstructions in the drawer glides or tambour door tracks. Clean tracks if necessary.
- **Stability Issues:** Verify that all assembly hardware is securely tightened. Ensure the desk is placed on a flat, stable floor.
- **Desktop Gaps:** The desktop is designed with a splicing construction, and minor gaps may be present. This is a normal characteristic and does not affect functionality.
