NEWYES AH1560

NEWYES Digital Family Calendar AH1560 User Manual

Model: AH1560 | Brand: NEWYES

1. INTRODUCTION

The NEWYES Digital Family Calendar AH1560 is designed to streamline family organization and communication. This 15.6-inch full HD display device integrates various functions including calendar synchronization, task management, meal planning, and digital photo display, aiming to simplify daily routines for all family members.

2. PRODUCT OVERVIEW

The AH1560 serves as a central hub for family activities. Its intuitive touchscreen interface allows for easy interaction, similar to a tablet. Key features include:

- Efficient Calendar Synchronization:** Seamlessly links with major calendar services like Google Calendar, Yahoo!, iCloud, and Outlook. Updates made on your smartphone are instantly reflected on the device, eliminating duplicate entries.
- Family Chore List & Smart Meal Planning:** Assign and track household tasks with a reward system to encourage participation. Plan meals with nutritional balance and time-saving options.
- Customizable Lists & Digital Photo Frame:** Create and manage to-do lists and shopping lists. Utilize the photo album function to display cherished memories, fostering connection even with distant family members.
- Smart Display Features:** Large, clear touchscreen with automatic brightness adjustment for comfortable viewing day and night. Includes a sleep mode to automatically turn off the screen during designated hours and displays real-time weather forecasts.
- Flexible Placement & Automatic Updates:** Can be wall-mounted or placed on a stand, blending seamlessly into any home decor. Automatic software updates ensure continuous optimization of features.
