Nimble NB-WP-3N1TRY

Nimble Podium 3-in-1 Wireless Charging Station User Manual

Model: NB-WP-3N1TRY

INTRODUCTION

Thank you for choosing the Nimble Podium 3-in-1 Wireless Charging Station. This device is designed to efficiently charge your iPhone, Apple Watch, and AirPods simultaneously, providing a clutter-free and organized charging experience. Featuring Qi2 certification and 15W MagSafe compatibility, it ensures fast, safe, and reliable power delivery for your Apple devices.

WHAT'S INCLUDED

Please verify that all items are present in your package:

- 1 x Nimble Podium 3-in-1 Wireless Charger
- 1 x 36W USB-C Power Adapter
- 1 x 1.5M USB-C to USB-C Cable
- 1 x User Manual (this document)

What's Included

- ✓ 1x Nimble Podium 3-in-1 Wireless Charger
- ✓ 1x 36W USB-C Adapter
- ✓ 1x 1.5M USB-C to USB-C Cable
- ✓ 1x Quick Start Guide

Image: The package contents, including the charging station, USB-C cable, and power adapter.

SETUP INSTRUCTIONS

- 1. Connect Power Adapter:** Insert the provided 1.5M USB-C to USB-C cable into the USB-C port on the back of the Nimble Podium charging station.
- 2. Plug into Power Outlet:** Connect the other end of the USB-C cable to the 36W USB-C power adapter, then plug the adapter into a wall outlet.
- 3. Positioning:** Place the charging station on a flat, stable surface such as a desk or nightstand.

What's Included

- ✓ 1x Nimble Podium 3-in-1 Wireless Charger
- ✓ 1x 36W USB-C Adapter
- ✓ 1x 1.5M USB-C to USB-C Cable
- ✓ 1x Quick Start Guide

OPERATING INSTRUCTIONS

The Nimble Podium allows for simultaneous charging of up to three Apple devices:

- **Charging iPhone:** Place your MagSafe-compatible iPhone (iPhone 12 series or newer) onto the central magnetic charging pad. The strong built-in magnets will auto-align your phone for optimal charging. The phone can be charged in both vertical and horizontal positions, ideal for video calls or media consumption.
- **Charging Apple Watch:** The Apple Watch charging module can be used in two ways: either flat on the base or flipped up for a stand mode. Place your Apple Watch (Ultra, Ultra 2, Series 1-11, SE) onto the dedicated charging puck.
- **Charging AirPods:** Place your AirPods (Pro 1st/2nd Gen, or 2nd/3rd/4th Gen with wireless charging case) onto the flat charging pad located on the left side of the station.

SAFETY INFORMATION

The Nimble Podium 3-in-1 Wireless Charging Station is designed with multiple safety features to protect your devices and ensure a secure charging environment:

- **Overheat Temperature Protection:** Prevents the charger and your devices from reaching excessive temperatures.
- **Over Charge Protection:** Safeguards your device batteries from overcharging, extending their lifespan.
- **Foreign Object Detection:** Automatically detects foreign metal objects on the charging surface to prevent damage and ensure safe operation.
- **Adaptive Charging Rates:** Adjusts power delivery to optimize charging speed and efficiency for each device.
- **Short Circuit Protection:** Protects against electrical shorts, ensuring safe operation.
- **Certified Safe Charging:** Adheres to industry safety standards for reliable performance.

Sleep Safe, Charge Safe

MAINTENANCE

To ensure the longevity and optimal performance of your Nimble Podium 3-in-1 Wireless Charging Station, please follow these maintenance guidelines:

- **Cleaning:** Disconnect the charger from the power source before cleaning. Use a soft, dry, lint-free cloth to wipe the surface. Avoid using harsh chemicals, abrasive cleaners, or sprays.
- **Storage:** When not in use, store the charger in a cool, dry place away from direct sunlight and extreme temperatures. Its foldable design makes it convenient for travel and compact storage.
- **Avoid Liquid Contact:** Do not expose the charger to water or any other liquids.
- **Handle with Care:** Avoid dropping or subjecting the charger to strong impacts.

TROUBLESHOOTING

If you encounter any issues with your Nimble Podium, please refer to the following common troubleshooting steps:

- **Device Not Charging:**

- Ensure the charging station is properly connected to the 36W USB-C power adapter and a working wall outlet.
- Verify that your device is correctly aligned on the charging pad (especially for MagSafe).
- Remove any thick cases or metal attachments from your device that might interfere with wireless charging.
- Check if there are any foreign objects on the charging surface.

- **Slow Charging:**

- Confirm you are using the provided 36W USB-C power adapter and cable, as lower wattage adapters may result in slower charging.
- Ensure your device is centered on the charging pad for optimal power transfer.

- **Overheating:**

- If the charger or your device feels excessively hot, remove the device immediately.
- Ensure adequate ventilation around the charging station. Avoid placing it on soft surfaces that can block airflow.

If the issue persists after trying these steps, please contact customer support.
