## REVLON RVDR5299

# REVLON 3-in-1 Multi-Styler Instruction Manual

MODEL: RVDR5299

## Introduction

The REVLON 3-in-1 Multi-Styler is designed to provide salon-quality styling at home. This versatile tool combines the functions of a blow dryer brush, heated styler, and hair straightening brush, allowing you to dry, curl, smooth, shape, and volumize your hair with ease. It features three full-size interchangeable attachments and advanced technology to reduce frizz and enhance shine.

## Important Safety Information

To ensure safe operation and optimal results, please observe the following:

- Always use a slow, steady motion when styling thick and/or curly hair to prevent tangling and ensure even heat distribution.
- Do not use this appliance near water.
- Unplug the appliance after use.
- Keep out of reach of children.

## Product Features

- **3-in-1 Multi-Styling Tool:** Combines a blow dryer brush, heated styler, and hair straightening brush.
- **Enhanced Shine & Smoothness:** Designed to deliver 22% more shine and 36% less breakage compared to traditional drying and styling methods.
- **Versatile Styling:** Includes three interchangeable attachments for smoothing, curling, and volumizing. Suitable for various hair types and lengths, best for normal to coarse textures.
- **Tourmaline Ionic and Ceramic Titanium Technology:** Helps reduce frizz, promotes healthy-looking hair, and ensures smooth gliding through hair to minimize damage.
- **Multiple Heat Settings:** Features Off, Cool, Low, Medium, and High settings for customized styling.

- **Volumizer PLUS Attachment:** Features a 2.4-inch oval barrel with mixed nylon and tufted bristles. Ideal for creating smooth, bouncy blowouts and adding overall volume.
- **Root Booster Attachment:** A 1.5-inch round brush designed to provide close-to-the-root volume and soft curls.
- **Paddle Brush Attachment:** A large, flexible paddle brush with soft-cushioned bristles for drying and smoothing hair, detangling, and reducing frizz.

## Setup

To set up your REVLON 3-in-1 Multi-Styler:

1. Ensure the appliance is unplugged before attaching or detaching any accessories.
2. Align the desired attachment with the main handle.
3. Twist the attachment clockwise until it clicks securely into place.
4. To remove, twist counter-clockwise and pull gently.

## Operating Instructions

For best results, towel-dry your hair to remove excess water until it is about 50% dry. Section your hair into manageable portions (approximately 2-inch sections) before styling.

## General Usage:

- Plug the appliance into an electrical outlet.
- Select your desired heat setting (Cool, Low, Medium, High) by rotating the dial at the base of the handle.

- Always start with a lower heat setting and increase as needed based on your hair type and desired style.

#### Using the Volumizer PLUS Attachment:

## Smooth, Bouncy Blowouts

- For smooth blowouts, place the Volumizer close to the roots and brush down towards the ends. The mixed nylon charcoal-infused pins with rounded tips detangle, while tufted bristles with boar technology gently grip hair to smooth and promote shine.
- To curl ends, place the Volumizer under the ends and hold for 2 to 3 seconds before rotating inward or outward.

#### Using the Root Booster Attachment:

## Close-to- the-Root Volume

- For voluminous blowouts, place the Root Booster under the hair close to the roots and roll outward to the ends.
- For extra lift at the roots, hold the Root Booster for 2 to 3 seconds under the roots.

### Using the Paddle Brush Attachment:

- Place the Paddle Brush close to the root and glide down towards the ends. The soft-cushioned bristles will help detangle and smooth even hard-to-reach areas on the back of the head.

### Maintenance

To maintain your REVLON 3-in-1 Multi-Styler and ensure its longevity:

- Always unplug the appliance and allow it to cool completely before cleaning.
- Wipe the exterior of the styler and attachments with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Regularly remove any hair buildup from the bristles of the attachments to maintain optimal performance.
- Store the styler and its attachments in a cool, dry place when not in use.
