Tech21 EvoClear Case for iPhone 17 Pro Max Instruction Manual

INTRODUCTION

This manual provides essential information for the proper installation, use, and maintenance of your Tech21 EvoClear Case for iPhone 17 Pro Max. This case is designed to offer advanced impact protection while maintaining a slim profile and full MagSafe compatibility.

SETUP AND INSTALLATION

Follow these steps to correctly install the EvoClear case on your iPhone 17 Pro Max:

1. **Clean Your Device:** Ensure your iPhone 17 Pro Max is clean and free of dust or debris before installation.
2. **Align the Case:** Gently align the top edge of your iPhone with the top edge of the case.
3. **Insert Device:** Carefully push your iPhone into the case, starting from the top, ensuring all corners and edges are securely seated within the case's frame.
4. **Check Fit:** Verify that all buttons are accessible and responsive, and that the camera and charging ports are unobstructed.

OPERATING INSTRUCTIONS

The Tech21 EvoClear case is designed for seamless daily use with your iPhone 17 Pro Max.

- **Button Functionality:** The case features precision-engineered mechanical buttons that provide responsive feedback, ensuring full access to your phone's volume and power controls.
- **MagSafe Compatibility:** Integrated magnets ensure full compatibility with Apple MagSafe accessories, allowing for secure attachment of chargers, wallets, and car mounts.
- **Protection:** The raised bezel around the screen and camera offers additional protection against scratches and impacts when the device is placed on flat surfaces.

MAINTENANCE

To ensure the longevity and clarity of your Tech21 EvoClear case, follow these maintenance guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dirt and fingerprints. Avoid using harsh chemicals or abrasive materials, as these may damage the case's finish.
- **UV and Scratch Resistance:** The case is designed with UV and scratch-resistant properties to help maintain its clear appearance over time.
- **Environmental Consideration:** The case is made with Bio-Spice™ materials, which are designed to help break down the plastic in anaerobic environments like landfills, promoting sustainability. The packaging is 100% recyclable and plastic-free.

MADE WITH BIO-SPICE™

Our innovative Bio-Spice™ formula helps break down the case's plastic materials (not magnets) in anaerobic environments, like landfills, once you're finished with it, promoting sustainability.
