MZYMI S36PRO

MZYMI S36PRO Open Ear Earbuds Instruction Manual

Model: S36PRO | Brand: MZYMI

Introduction

Thank you for choosing the MZYMI S36PRO Open Ear Earbuds. These earbuds are designed to provide a comfortable and immersive audio experience while keeping you aware of your surroundings. Featuring advanced Bluetooth 5.4 technology, IPX5 water resistance, and a lightweight clip-on design, they are ideal for various activities including sports, running, and daily use. Please read this manual carefully to ensure proper use and optimal performance of your new earbuds.

Package Contents

- MZYMI S36PRO Open Ear Earbuds
- Charging Case
- User Manual
- Charging Cable (typically included)

Setup Guide

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case supports wireless charging. A full charge takes approximately 1 hour. A 10-minute quick charge provides 2 hours of playtime.

Image: A hand demonstrating the 360-degree rotable feature of the earbud charging case, which can also serve as a stress-relief toy.

2. Pairing with Your Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Select "MZYMI S36PRO" from the list of available devices.

4. Once connected, you will hear a confirmation tone, and the earbuds are ready for use.

The advanced Bluetooth 5.4 technology ensures improved range, efficient power consumption, and seamless audio streaming with reduced latency.

3. Wearing the Earbuds

The MZYMI S36PRO features an open-ear clip-on design. Gently slide the earbuds onto your ear, ensuring the speaker is positioned correctly for optimal sound. The flexible C-Bridge design adapts to different ear shapes for a secure and comfortable fit.

Operating Instructions

Touch Controls

The earbuds feature simple physical button controls for easy operation:

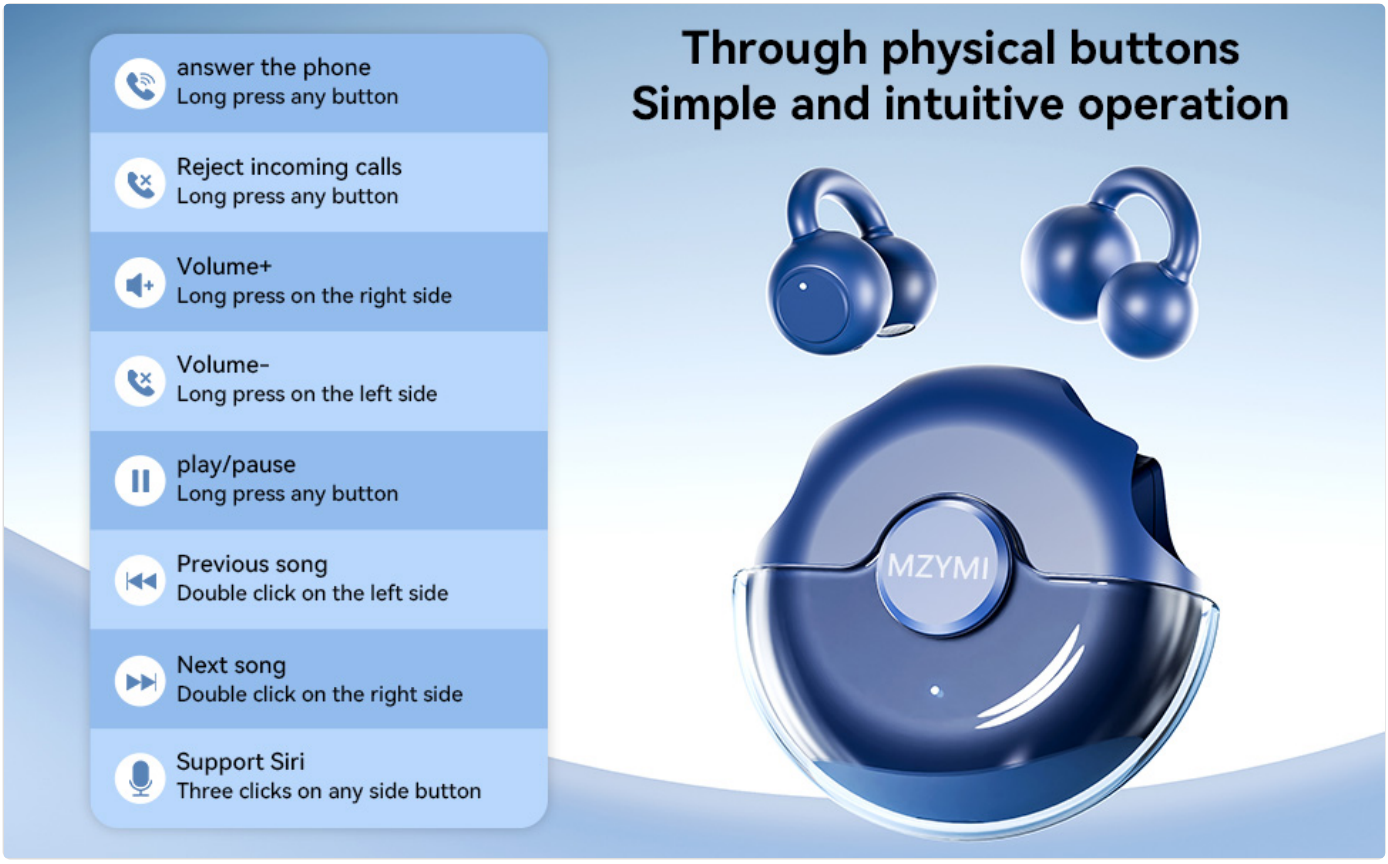

Image: A visual guide to the earbud's physical button controls for calls, volume, music playback, and voice assistant activation.

- **Answer/Hang Up Call:** Long press any button.
- **Reject Incoming Call:** Long press any button.
- **Volume +:** Long press on the right side.
- **Volume -:** Long press on the left side.
- **Play/Pause:** Long press any button.
- **Previous Song:** Double click on the left side.
- **Next Song:** Double click on the right side.
- **Support Siri (Voice Assistant):** Three clicks on any side button.

Audio Features

The MZYMI S36PRO earbuds are equipped with a 12mm driver for immersive sound, delivering deep bass and crisp highs. They also feature ENC (Environmental Noise Cancellation) for clear voice calls, ensuring your voice is transmitted precisely even in noisy environments.

Maintenance

Water Resistance

The earbuds are IPX5 water resistant, meaning they can withstand heavy sweat and light rain. They are suitable for running,

cycling, or mountaineering. **Note: They are not suitable for swimming or submersion in water.**

Cleaning and Storage

Wipe the earbuds with a soft, dry cloth after each use, especially after workouts, to remove sweat and dirt. Store them in the charging case when not in use to protect them and keep them charged.

Troubleshooting

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off Bluetooth on other devices. Place earbuds back in case, close, then reopen to re-enter pairing mode. Re-select "MZYMI S36PRO" in your device's Bluetooth settings.
No sound or low volume	Check device volume and earbud volume. Ensure earbuds are properly seated on your ears. Reconnect Bluetooth.
Poor call quality / Mic issues	Ensure earbuds are positioned correctly. Check for obstructions around the microphone. Ensure your device's audio output is set to the earbuds during calls. Try reconnecting.
Earbuds falling out	Adjust the flexible C-Bridge design to better fit your ear shape. Ensure they are clipped securely.
