ASSEMBLY INSTRUCTIONS

1. Assembling the Makeup Kit

Follow these steps to construct your detailed makeup kit:

1. Begin by sorting the pieces for the makeup compact and lipstick.
2. Assemble the base of the compact, ensuring all studs are securely connected.
3. Attach the colored brick pieces to form the eyeshadows within the compact.
4. Construct the lid of the compact, making sure it can open and close smoothly.
5. Assemble the lipstick components, creating the base and the retractable lipstick part.
6. Finally, assemble the small brushes to complete your makeup kit.

2. Assembling the Monday Shampoo & Hair Dryer Combo

Construct your shampoo bottle and hair dryer by following these instructions:

1. Separate the pieces required for the shampoo bottle and hair dryer.
2. Begin with the shampoo bottle, assembling its base and body.
3. Attach the pump mechanism to the top of the shampoo bottle.
4. Proceed to assemble the main body of the hair dryer.
5. Add the handle and nozzle components to the hair dryer.
6. Connect the flexible cord piece to the hair dryer to complete the assembly.

OPERATING YOUR BUILDS

Once assembled, your MAX Build More Premium Beauty Collection items are ready for display and imaginative play:

- **Makeup Compact:** The compact lid can be opened and closed. The lipstick can be manually extended and retracted.
- **Shampoo Bottle:** The pump top is a decorative feature and does not dispense liquid.
- **Hair Dryer:** The hair dryer is a static model for display and does not produce air or heat.

MAINTENANCE

To ensure the longevity of your MAX Build More creations:

- Keep the models clean by gently wiping them with a dry, soft cloth.
- Avoid exposing the models to direct sunlight or extreme temperatures, as this may cause discoloration or warping.
- Store in a cool, dry place when not on display.

TROUBLESHOOTING

- **Missing Pieces:** If you believe you are missing a piece, carefully re-check the packaging and all assembled sections. For further assistance, please contact ZURU customer support.
- **Difficulty Connecting Pieces:** Ensure pieces are aligned correctly before applying gentle, firm pressure. Avoid forcing pieces together.
- **Loose Connections:** Disassemble and reassemble the affected section, ensuring all studs are fully engaged.
