1. SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using the YITAHOME Kitchen Island.

- Always use caution when moving the kitchen island to avoid injury. Keep hands and fingers away from moving parts and sharp edges.
- Do not overload the island as it may tip over.
- Use locking casters when stationary to prevent unwanted movement.
- Always follow the assembly instructions carefully to ensure safe and proper installation.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- Do not stand or climb on the kitchen island.
- Avoid placing hot items directly on the wooden surfaces. Use heat-resistant mats or trivets.

2. SETUP & ASSEMBLY

The YITAHOME Kitchen Island is designed for easy assembly. It is recommended to have two people for certain steps. All parts are labeled for convenience.

2.1 Unpacking and Preparation

- Carefully unpack all components from the box. Ensure all parts are present and undamaged.
- Lay out all parts on a clean, soft surface (e.g., a blanket or cardboard) to prevent scratches.
- Identify each part using the labels (letters or numbers) and the provided instruction manual.
- It is highly recommended to sort screws and small parts into separate piles for easier access during assembly.

2.2 Assembly Steps

Follow the step-by-step instructions provided in the included manual. An electric screwdriver can significantly speed up the process.

2.3 Key Assembly Features

- **Stainless Steel Surface:** The durable stainless steel top (40"W x 29.5"D x 35.4"H) provides ample space for food preparation.
- **Caster Wheels:** Five 360° heavy-duty casters are included, with two featuring locking mechanisms for stability. Install these on the bottom panel.
- **Drop Leaf Countertop:** Attach the drop leaf mechanism to the side of the island as per instructions. This feature allows for extending the countertop when needed and folding it down to save space.
- **Drawers and Cabinets:** Assemble the two drawers and the two cabinets with adjustable shelves. The middle pull-out cabinet also requires assembly.
- **Spice Racks and Towel Rack:** Install the two spice racks and the towel rack on the side panels for optimized storage.

3. OPERATION

3.1 Moving the Island

The kitchen island is equipped with five 360° heavy-duty casters for easy mobility. To move the island, unlock the two locking casters by flipping their levers. Once in the desired position, engage the locking casters to secure the island in place.

MOVE WITH EASY

Move easily or stay place depending on your needs

3.2 Utilizing Storage Features

- **Drawers:** Use the two sliding drawers for cutlery, utensils, or other small kitchen items.
- **Cabinets:** The two cabinets feature adjustable shelves, allowing you to customize storage for pots, pans, dishes, or other larger items.
- **Pull-Out Cabinet:** The middle 2-layer pull-out cabinet is ideal for bottles, spices, or other narrow items, keeping them organized and easily accessible.
- **Spice Racks & Towel Rack:** The side-mounted spice racks are perfect for frequently used seasonings, while the towel rack keeps kitchen towels within reach.

Kitchen Island

3.3 Drop Leaf Countertop

The drop leaf countertop can be extended to provide additional workspace or dining area. To extend, lift the leaf until it locks into place. To fold down, release the locking mechanism and gently lower the leaf. This feature is particularly useful for small spaces, allowing the island to function as both a preparation area and a dining table.

4. CARE & MAINTENANCE

- **Stainless Steel Surface:** Clean the stainless steel top with a damp cloth and mild detergent. Avoid abrasive cleaners or scouring pads that can scratch the surface. Dry immediately to prevent water spots.
- **Wooden Surfaces:** Wipe wooden parts with a soft, damp cloth. Avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **General Cleaning:** Regularly dust all surfaces with a soft, dry cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Casters:** Keep casters free of debris to ensure smooth movement.

5. TROUBLESHOOTING

- **Island is Wobbly:**
 - Ensure all screws and fasteners are securely tightened.
 - Check that the island is on a flat, even surface.
- **Drawers or Doors Not Closing Properly:**
 - Verify that the drawer slides or door hinges are correctly installed and aligned.
 - Check for any obstructions inside the drawers or cabinets.
 - Adjust hinges if necessary to ensure proper door closure.
- **Casters Not Rolling Smoothly:**
 - Check for hair, dust, or debris caught in the wheels. Clean as needed.
 - Ensure the locking mechanisms are fully disengaged when attempting to roll.
- **Drop Leaf Not Locking/Unlocking:**
 - Inspect the locking mechanism for any obstructions or damage.
 - Ensure the leaf is properly aligned with the main countertop when attempting to lock.
