1. INTRODUCTION

Thank you for choosing the WLIVE Modern TV Stand (Model AD SG084BL). This entertainment center is designed to accommodate TVs up to 75 inches, featuring two tiers, integrated LED lighting, and ample storage with cabinets and open shelves. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and optimal use of your new TV stand.

2. SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 110 pounds (50 kg) for the top surface. Ensure your television and other equipment do not exceed this limit.
- **Anti-Tip Safety:** This TV stand includes an anti-tip base for enhanced stability. Always use the provided anti-tip hardware to secure the stand to a wall, especially in households with children or pets.
- **Assembly:** Assembly should ideally be performed by two adults. Follow all steps carefully.
- **Placement:** Place the TV stand on a flat, level, and stable surface. Avoid placing it near heat sources, direct sunlight, or in areas with high humidity.
- **Electrical Safety:** Ensure all electrical connections for the LED lights are properly secured and follow local electrical codes. Do not overload electrical outlets.
- **Children Safety:** Keep small parts and packaging materials away from children. Do not allow children to climb on or play with the TV stand.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and undamaged. Refer to the included assembly manual for a complete list of components. If any parts are missing or damaged, contact customer support immediately.

Image 3.1: Example of labeled parts and assembly instructions.

Typical package contents include:

- Wood panels (various sizes for top, sides, shelves, and doors)
- Hardware kit (screws, dowels, cam locks, hinges, anti-tip kit)
- LED light strip and power adapter
- Remote control or app instructions for LED lights
- Assembly instruction manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 1 hour with two people. Follow the step-by-step instructions provided in the included manual. Ensure you have a clear, spacious area for assembly.

Video 4.1: Official WLIVE TV Stand Installation Guide. This video provides a visual walkthrough of the assembly process for the TV stand.

4.2. Key Assembly Tips

- **Identify Parts:** Lay out all parts and match them with the labels in the instruction manual.
- **Hardware:** Use the correct hardware for each step. Do not overtighten screws.
- **Adjustable Shelves:** The central divider features 3 adjustable/removable positions. Plan your shelf height before fully securing.
- **Anti-Tip Kit:** Install the anti-tip kit as the final step to secure the stand to the wall.

5. OPERATING INSTRUCTIONS (LED LIGHTS)

The WLIVE Modern TV Stand features integrated RGB LED lighting. Follow these steps to operate the lights:

1. **Connect Power:** Plug the LED light strip's power adapter into a standard electrical outlet.
2. **Control via App:** Download the designated control app (refer to the LED light instruction sheet for app name and QR code). Pair your smartphone with the LED lights via Bluetooth.
3. **Functions:** Through the app, you can:
 - Select from 20 single colors (e.g., warm white, cool blue).
 - Choose from 4 color flashing modes (e.g., gradient, blinking).
 - Adjust brightness with 5 levels.
4. **Remote Control (if included):** Some models may include a physical remote control for basic functions. Refer to its specific instructions.

Image 5.2: Controlling LED lights via smartphone app.

6. MAINTENANCE

Proper care will extend the life and appearance of your WLIVE TV Stand.

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. The surface is scratch-resistant and waterproof, making cleaning easy.
- **Spills:** Promptly wipe up any spills to prevent water damage, although the material is designed to be waterproof.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **LED Lights:** If the LED lights malfunction, check the power connection. If issues persist, contact customer support.

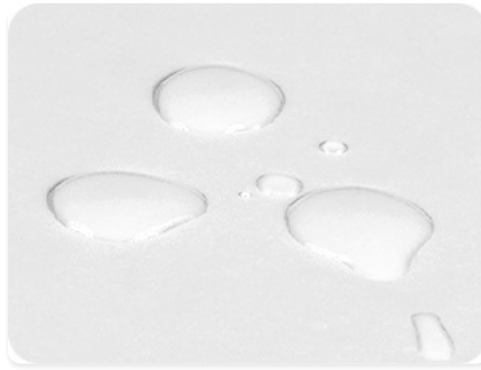

Image 6.1: Waterproof and easy-to-clean surface.

7. TROUBLESHOOTING

If you encounter any issues with your WLIVE TV Stand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Stand is wobbly after assembly.	Loose connections; uneven floor.	Ensure all screws and cam locks are tightened. Place the stand on a level surface. Install the anti-tip kit.
LED lights are not turning on.	Power adapter not connected; loose LED strip connection; app not paired.	Check if the power adapter is securely plugged into the outlet and the LED strip. Ensure the app is correctly paired via Bluetooth.
Doors do not align properly.	Hinges not adjusted correctly.	Adjust the screws on the hinges to align the doors. Refer to the assembly manual for hinge adjustment details.
Missing parts or damaged components.	Manufacturing defect or shipping damage.	Do not proceed with assembly. Contact WLIVE customer support immediately for replacement parts.
