# DWVO Full Size Upholstered Bed with Storage Headboard and LED Light Instruction Manual

Model: MADWVrWOCp | Brand: DWVO

## 1. PRODUCT OVERVIEW

The DWVO Full Size Upholstered Bed is designed for comfort and functionality, featuring a storage headboard, integrated LED lighting, and convenient charging capabilities. This bed frame is constructed with heavy-duty metal support, eliminating the need for a box spring, and is engineered for noise-free operation.

### Key Features:

- **Three-tier Bookshelf Upholstered Headboard with Charging Station:** Includes 2 AC sockets, 1 USB port, and 1 Type-C port for charging electronic devices. Three storage shelves provide space for books, tissues, or decorative items.
- **RGB LED Light Bed Frame:** Offers a variety of RGB colors, multiple modes, music synchronization, and timing functions. Control via a 24-key remote or smart app.
- **2 Sliding Storage Drawers & 2 Side Storage Boxes:** Under-bed drawers with rollers for easy access, secured by a screw clamp to prevent slipping. Additional side storage for small items.
- **Noise-Free Design:** Features a mute sponge strip in the middle beam to prevent metal-on-metal friction, ensuring a quiet sleep environment.
- **Easy Assembly:** All necessary parts, tools, and instructions are included for straightforward assembly.

## 5. MAINTENANCE

To ensure the longevity and appearance of your DWVO Upholstered Bed, follow these maintenance guidelines:

- **Cleaning the PU Leather:** The soft and breathable PU leather upholstery is easy to clean. Wipe with a damp cloth and mild soap solution, then dry thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** Periodically check all bolts and screws to ensure they are tight. Retighten as necessary to maintain stability and prevent noise.
- **Dusting:** Regularly dust the headboard shelves and bed frame with a soft, dry cloth.
- **Noise Prevention:** The bed frame includes a mute sponge strip to prevent squeaks. If any noise occurs, inspect the frame for loose connections or worn strips.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your bed frame.

### Common Issues and Solutions:

- **Squeaking Noises:**  
*Cause:* Loose connections or friction between metal parts.  
*Solution:* Ensure all bolts and screws are securely tightened. The integrated mute sponge strip should prevent most noise; if not, inspect its placement.
- **LED Lights Not Working:**  
*Cause:* Power supply issue, loose connection, or remote control battery.  
*Solution:* Verify the bed frame's power cable is plugged in. Check the connection of the LED strip to the power source. Replace remote control batteries if necessary.
- **Charging Station Not Functioning:**  
*Cause:* Power supply issue or device incompatibility.  
*Solution:* Confirm the bed frame is powered. Test with different devices and cables to rule out device-specific issues.
- **Drawers Not Sliding Smoothly:**  
*Cause:* Obstruction, misaligned rollers, or full capacity.  
*Solution:* Check for any items blocking the drawer path. Ensure rollers are clean and properly aligned. Avoid overloading drawers beyond their capacity.
