HIGDBFE Vanity Desk

HIGDBFE 28.4"W Vanity Desk with Mirror and Lights - Instruction Manual

Model: Vanity Desk

1. INTRODUCTION

Thank you for choosing the HIGDBFE 28.4"W Vanity Desk with Mirror and Lights. This compact and functional makeup table is designed to provide a dedicated space for your beauty routine, featuring a tri-fold LED mirror, adjustable height, and convenient storage. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your vanity desk.

Overview of the HIGDBFE 28.4"W Vanity Desk with Mirror and Lights.

2. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using the vanity desk. Keep this manual for future reference.

- Always unplug the mirror before adjusting the height or cleaning.

- Keep the power cord away from heat sources and liquids.
- Do not touch the mirror or lights with wet hands.
- Always supervise children when using the vanity desk.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- Do not overload the drawers or shelves to prevent tipping or damage.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Vanity Desk Frame (Metal)
- Desk Panels (Engineered Wood)
- 2 Fabric Drawers
- Tri-Fold LED Mirror with Stand
- USB Power Cable for Mirror
- Assembly Hardware (Screws, Allen Wrench, etc.)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two people and approximately 60-90 minutes. Follow these steps carefully.

Step 1: Assemble the Desk Frame

Begin by connecting the metal frame components using the provided screws and Allen wrench. Ensure all connections are secure but do not overtighten until the entire frame is assembled.

Step 2: Attach Desk Panels and Drawer Supports

Secure the main desk surface and the side panels to the assembled frame. Install the supports for the fabric drawers, ensuring they are level and properly aligned.

Step 3: Insert Fabric Drawers

Unfold the fabric drawers and insert the bottom panels. Place the assembled drawers into their designated slots. Attach the decorative knobs to the drawers.

The vanity desk features two fabric drawers for organized storage.

Step 4: Install the Tri-Fold LED Mirror

Place the tri-fold LED mirror onto the designated shelf. Connect the USB power cable to the mirror and a suitable power source (e.g., USB wall adapter, power bank). The mirror can be rotated for optimal viewing angles.

The tri-fold mirror offers 1X, 2X, and 3X magnification with three lighting modes.

Step 5: Adjust Mirror Stand Height

The mirror stand offers three adjustable heights: 4.7", 5.9", or 7.1". Select the desired height by adjusting the stand mechanism. Ensure the mirror is stable after adjustment.

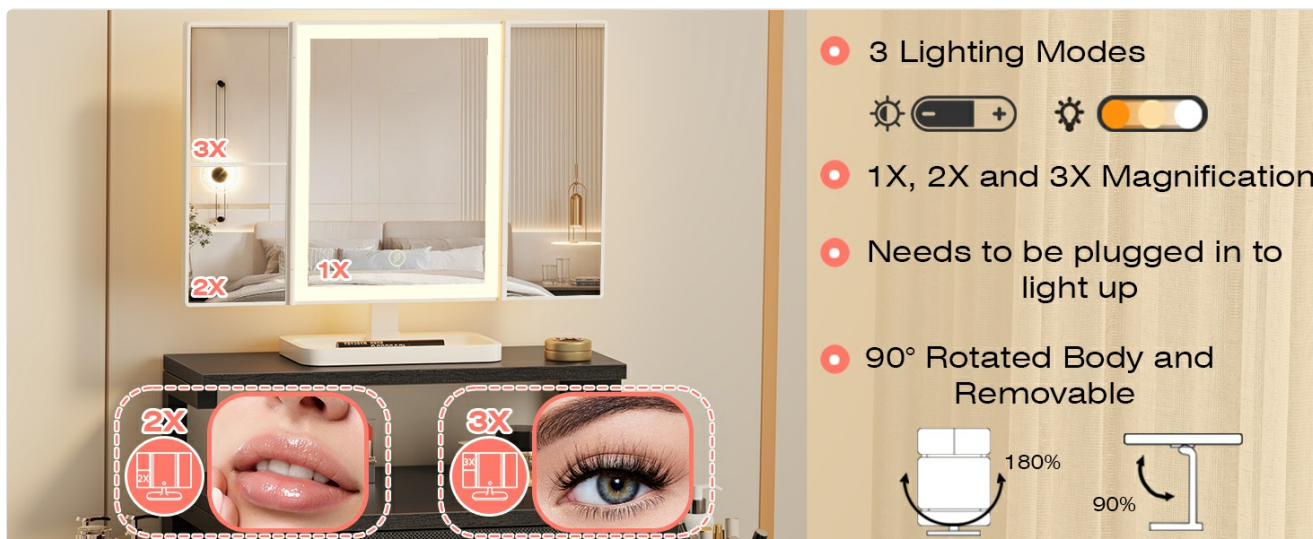

The mirror stand can be adjusted to three different heights for comfortable use.

5. PRODUCT FEATURES

- **Tri-Fold LED Makeup Mirror:** Features touch-sensitive lighting controls with 1x, 2x, and 3x magnification options. The mirror requires a power source (USB) to light up.
- **Compact Design:** With dimensions of 12.4"D x 28.4"W x 31.7"H, this vanity desk is ideal for small spaces, providing essential functionality without occupying excessive room.
- **3 Heights-Adjustable Stand:** The mirror stand can be set to 4.7", 5.9", or 7.1" to accommodate various user heights and preferences, whether sitting or standing.
- **2 Roomy Fabric Drawers:** Includes two convenient fabric drawers for storing makeup, skincare products, and other daily essentials, helping to keep your desktop organized and clutter-free.

- **Fall Prevention Baffle:** Designed with a baffle to help prevent items from falling off the desk surface, enhancing safety and organization.

The compact design is perfect for smaller rooms or limited spaces.

Integrated fall prevention baffle helps keep items secure on the desk.

6. OPERATING INSTRUCTIONS

6.1 Using the LED Mirror Lights

1. **Power On/Off:** Ensure the mirror is connected to a USB power source. Touch the power button icon on the mirror surface to turn the lights on or off.
2. **Adjust Brightness:** Press and hold the power button icon to dim or brighten the lights. Release when the desired brightness is achieved.
3. **Change Lighting Modes:** Briefly touch the mode button icon (if available) to cycle through different color temperatures (e.g., cool white, warm white, natural light).

6.2 Adjusting Mirror Stand Height

1. **Unlock Adjustment:** Locate the height adjustment mechanism on the mirror stand. Depending on the design, this may involve pressing a button or loosening a knob.
2. **Raise or Lower:** Carefully raise or lower the mirror to one of the three preset height positions (4.7", 5.9", or 7.1").
3. **Secure Position:** Once the desired height is reached, ensure the mechanism locks securely into place to prevent the mirror from slipping.

7. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your vanity desk.

- **Cleaning the Desk:** Wipe the desk surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner specifically designed for mirrors. Spray the cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the electronics.
- **Fabric Drawers:** Spot clean fabric drawers with a damp cloth and mild soap if necessary. Allow to air dry completely.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as needed to maintain stability.

8. TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions.

- **Mirror Lights Not Turning On:**
Solution: Ensure the USB power cable is securely connected to both the mirror and a working power source. Try a different USB port or power adapter. Check if the power button on the mirror is being pressed correctly.
- **Mirror Lights Flickering or Dim:**
Solution: Verify the power source is providing sufficient power. If using batteries (if applicable), replace them. Ensure the USB cable is not damaged.
- **Desk Feels Unstable:**
Solution: Check all assembly screws and tighten any that are loose. Ensure the desk is placed on a flat, level surface.
- **Drawers Not Sliding Smoothly:**
Solution: Ensure the fabric drawers are correctly assembled and inserted. Check for any obstructions in the drawer slots.
