## 1. INTRODUCTION

---

Welcome to the MAX Build More Premium Home Building Bricks Collection 2-Pack. This set allows you to construct detailed brick models of a coffee machine and a toaster, bringing everyday items to life with interactive elements. Designed for builders aged 8 and up, this collection offers an engaging and satisfying building experience.

### What's Included:

- MAX Build More Premium Home Collection Coffee Machine brick set
- MAX Build More Premium Home Collection Toaster brick set
- Step-by-step instruction manuals for each model

## 2. SAFETY INFORMATION

---

**WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.**

- Always supervise young children during assembly to prevent ingestion of small parts.
- Keep all packaging materials away from children.
- Ensure all bricks are securely connected to prevent accidental detachment.

## 3. SETUP AND ASSEMBLY

---

Each model in your 2-pack comes with its own detailed, step-by-step instruction manual. Please follow the instructions carefully for optimal assembly. The building process is designed to be intuitive, with clear visual guides for each step.

## General Assembly Tips:

- Unpack all brick bags and sort pieces by color or type to simplify the building process.
- Refer to the included instruction booklet for specific assembly sequences.
- Apply gentle, firm pressure when connecting bricks to ensure a secure fit.
- If a piece does not fit easily, double-check the instructions to ensure you are using the correct piece and orientation.

## Visual Assembly Guide:

Below are examples of the step-by-step building process for various MAX Build More Home Collection items, including the Coffee Machine and Toaster. Your specific instruction manual will provide precise details for your models.

## 4. OPERATING YOUR MODELS

---

### **Toaster Functionality:**

The MAX Build More Toaster model features an interactive pop-up mechanism. Once assembled, gently push the lever on the side downwards. This action will cause the two brick-built toast pieces to pop up from the toaster slots, mimicking a real toaster.

### **Coffee Machine Details:**

The MAX Build More Coffee Machine is a detailed display model. While it does not have moving parts, its intricate design includes a pressure gauge, steam wand, and coffee bean hopper, providing a realistic miniature replica for display.

## 5. MAINTENANCE

---

### Cleaning:

- To clean your brick models, gently wipe them with a soft, dry cloth.
- For stubborn dirt, use a slightly damp cloth with mild soap, then wipe dry immediately.
- Avoid harsh chemicals or abrasive cleaners, as these can damage the plastic.

### Storage:

- Store models in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- Keep models away from extreme temperatures.

## 6. TROUBLESHOOTING

---

### Missing Pieces:

If you find any missing pieces, please contact ZURU customer support for assistance. Provide your product model number (83226A) and a description of the missing part.

### Difficulty Assembling:

- Review the instruction manual carefully, paying close attention to the arrows indicating connection points and the piece counts for each step.
- Ensure you are using the correct bricks for each step. MAX Build More bricks are compatible with leading brands, but specific pieces may vary.
- Apply firm, even pressure when connecting bricks.

## 7. SPECIFICATIONS

---
