## STMWORLD CB-02A

# STMWORLD CB-02A Handheld Steam Cleaner User Manual

Model: CB-02A | Brand: STMWORLD

## 1. INTRODUCTION

Thank you for choosing the STMWORLD CB-02A Handheld Steam Cleaner. This device is designed to provide powerful, chemical-free cleaning for a variety of surfaces in your home and vehicle. Utilizing high-temperature steam, it effectively removes dirt, grease, and grime without the need for harsh chemicals, making it a safe and environmentally friendly cleaning solution. Please read this manual thoroughly before operation to ensure safe and efficient use of your steam cleaner.

### 3. PACKAGE CONTENTS

---

Your STMWORLD CB-02A Handheld Steam Cleaner package includes the following items:

- 1x Steam Cleaner Unit
- 1x Extension Hose
- 1x Straight Nozzle
- 1x Window Squeegee Tool
- 1x Cloth (for fabric cleaning accessory)
- 2x Nylon Brushes
- 1x Grout Brush
- 1x Stainless Steel Brush
- 1x Funnel
- 1x Measuring Cup
- 1x User Manual

### 4. SETUP INSTRUCTIONS

---

#### 4.1 Filling the Water Tank

1. Ensure the steam cleaner is **unplugged** from the power outlet.
2. Turn the safety cap counter-clockwise to open it.
3. Using the provided measuring cup and funnel, carefully pour up to 13.5 oz (400 ml) of distilled water into the tank. **Do not overfill.**
4. Replace the safety cap and turn it clockwise until it is securely tightened.

## 4.2 Heating Up

1. Plug the steam cleaner into a standard electrical outlet.
2. The heating indicator light on the base of the unit will illuminate **red**, indicating that the water is heating.
3. Wait approximately 3 to 5 minutes for the water to reach the optimal steaming temperature. The indicator light will turn **green** when the device is ready for use.

## 5. OPERATING INSTRUCTIONS

### 5.1 Attaching Accessories

To attach an accessory, align the accessory with the nozzle opening and push firmly until it clicks into place. To remove, press the release button on the nozzle and pull the accessory off.

### 5.2 Steam Activation

Once the green indicator light is on, press and hold the steam trigger on the handle to release steam. Release the trigger to stop the steam flow. Always direct the steam away from yourself and others.

### 5.3 General Cleaning Tips

- For stubborn dirt and grime, hold the nozzle as close as possible to the surface to maximize steam effectiveness.
- Wipe the steamed surface with a clean cloth immediately after steaming to remove loosened dirt and moisture.
- Test on an inconspicuous area first to ensure compatibility with the surface material.

## 6. ATTACHMENTS AND USAGE

The STMWORLD CB-02A comes with a 10-piece accessory kit for versatile cleaning tasks:

Attachment	Recommended Use
Straight Nozzle	Direct steam for concentrated cleaning in tight spaces, corners, and crevices.
Extension Hose	Extends reach for hard-to-access areas like high windows, ceilings, or car interiors.

Attachment	Recommended Use
Nylon Brushes (2x)	General scrubbing for various surfaces, including tile, grout, and kitchen appliances.
Grout Brush	Specifically designed for deep cleaning grout lines between tiles.
Stainless Steel Brush	For heavy-duty scrubbing on durable surfaces like BBQ grills or oven racks.
Window Squeegee Tool	For streak-free cleaning of windows, mirrors, and other glass surfaces.
Cloth (for fabric cleaning)	Used with the fabric tool for refreshing upholstery, mattresses, and garments.

## 7. MAINTENANCE

### 7.1 After Each Use

1. **Unplug the device:** Always unplug the steam cleaner from the power outlet.
2. **Release remaining steam:** Press and hold the steam trigger until no more steam is released and the red

pressure indicator on the safety cap sinks down.

3. **Allow to cool:** Wait for the device to cool down completely before attempting to open the safety cap.
4. **Empty water tank:** Carefully open the safety cap and pour out any remaining water from the tank.
5. **Clean accessories:** Rinse accessories with water and allow them to air dry.

## 7.2 Storage

Store the steam cleaner and its accessories in a cool, dry place, away from direct sunlight and extreme temperatures. Ensure all components are dry before storage.

## 8. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Q1: Why can't the safety cap be opened after use?**

**A1:** The appliance still has steam and pressure. To release steam:

1. Unplug the appliance from the outlet.
2. Keep pressing down the steam trigger to fully release the steam.
3. Once the red dot sinks down, denoting steam is all gone, turn counter-clockwise to open the safety cap.

- **Q2: How much water is recommended to add?**

**A2:** We recommend filling with no more than 400 ml or 13.5 oz. Overfilling can cause water to leak during heating and use.
