nania Bogota

NANIA Bogota i-Size Car Seat Instruction Manual

Model: Bogota | Groups 2/3 (100-150 cm)

1. Introduction

Thank you for choosing the NANIA Bogota i-Size Car Seat. This manual provides essential information for the correct installation, use, and maintenance of your car seat. Please read these instructions carefully before use and keep them for future reference. The NANIA Bogota car seat is designed for children from 100 to 150 cm in height, approximately 4 to 12 years of age, and weighing 15 to 36 kg.

2. Safety Information

The NANIA Bogota car seat complies with the latest R129 i-Size standard, ensuring high safety performance. It has undergone rigorous testing for both side and frontal collisions.

2.1 Key Safety Features

- **i-Size Certification:** Conforms to the latest European safety standard R129.
- **SPS (Side Protection System):** Reinforced lateral protections safeguard the child's shoulders and hips during side impacts.
- **Adjustable Headrest:** The headrest can be adjusted to 9 positions to ensure optimal protection and comfort as your child grows.

3. Setup and Installation

The NANIA Bogota car seat offers flexible installation options to suit your vehicle.

3.1 Installation Methods

The car seat can be installed facing forward using either the ISOFIX system or the vehicle's 3-point seat belt.

- **ISOFIX Installation:** This method provides a quick and secure attachment, significantly reducing forces during sudden braking. Ensure the ISOFIX indicators turn green to confirm correct installation.
- **Vehicle Seat Belt Installation:** If your vehicle is not equipped with ISOFIX, or if preferred, the car seat can be securely installed using the vehicle's 3-point seat belt. Follow the belt routing guides on the car seat.

3.2 Headrest Adjustment

The headrest is adjustable to 9 different positions. To adjust, use the mechanism located at the top of the headrest and slide it up or down to match your child's height, ensuring their head is properly supported.

3.3 Conversion to Backless Booster

For children taller than 135 cm, the backrest of the NANIA Bogota car seat can be removed to convert it into a backless booster seat. It is recommended to keep the backrest attached for as long as possible to maintain optimal side protection.

4. Operating Instructions

Ensure your child is correctly seated and secured every time the car seat is used.

- Place the child in the car seat, ensuring their back is flat against the backrest.
- Route the vehicle's 3-point seat belt through the designated guides on the car seat and over the child's shoulder and lap.
- Ensure the shoulder belt lies across the child's shoulder, not on their neck, and the lap belt is low across their hips.
- Tighten the seat belt firmly, removing any slack.

5. Maintenance

Regular cleaning and maintenance will prolong the life of your NANIA Bogota car seat.

5.1 Cleaning the Cover

The car seat features an ultra-comfortable, removable, and washable cover. Follow these steps for cleaning:

1. Carefully remove the fabric cover from the car seat frame.
2. Wash the cover gently in a machine, following the care instructions label (typically delicate cycle).
3. Allow the cover to air dry completely before reattaching it to the car seat. Do not tumble dry.

5.2 Cleaning the Frame

Wipe the plastic parts of the car seat frame with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners.

6. Troubleshooting

If you encounter any issues with your NANIA Bogota car seat, please refer to the following common solutions:

- **Difficulty with ISOFIX installation:** Ensure the ISOFIX connectors are fully extended and aligned with your vehicle's ISOFIX anchors. Check that the indicators turn green.
- **Loose seat belt:** Re-route the vehicle's seat belt, ensuring it passes through all guides correctly and is pulled taut.
- **Headrest not adjusting:** Ensure no fabric is obstructing the adjustment mechanism. Apply gentle pressure while operating the adjustment lever.

For persistent issues, please contact NANIA customer support.

7. Product Specifications

Feature	Specification
Model	Bogota
Product Dimensions	40 x 45 x 60 cm
