2. SAFETY INFORMATION

Warning: Not suitable for children under 3 years. Choking hazard due to small parts. Adult supervision is recommended for younger children (ages 8+).

3. SETUP AND ASSEMBLY

Follow these steps to assemble your CubicFun Colosseum 3D puzzle. No additional tools, glue, or scissors are required.

1. **Unpack Components:** Carefully remove all puzzle sheets and the National Geographic booklet from the packaging. Identify the numbered pieces on each sheet.
2. **Review Instructions:** Consult the illustrated instructions provided in the accompanying booklet. These instructions guide you step-by-step through the assembly process.
3. **Identify Pieces:** Each puzzle piece is numbered. Locate the pieces required for the current step as indicated in the

manual.

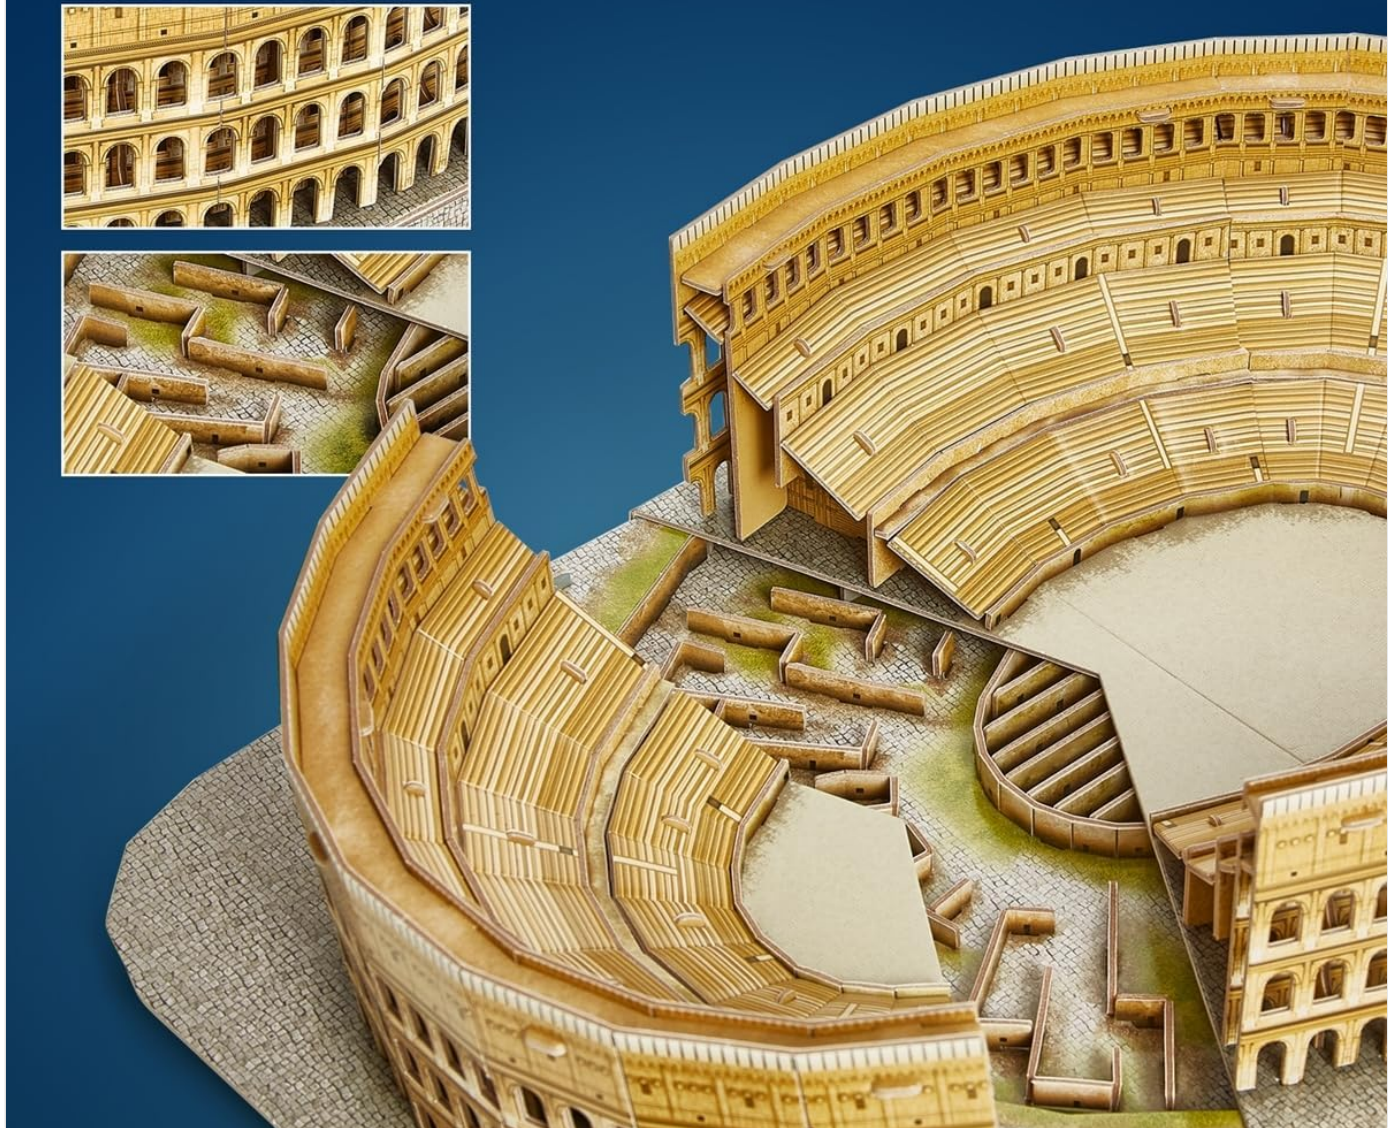

4. **Connect Pieces:** Gently push out the required pieces from their sheets. Align the tabs and slots of the pieces and press them together firmly until they interlock. Ensure a snug fit for stability.
5. **Follow Sequence:** Assemble the model according to the numerical sequence and visual diagrams in the instruction booklet. Building in order ensures structural integrity and correct formation of the Colosseum.
6. **Complete the Model:** Continue connecting pieces until the entire Colosseum structure is complete.

5. MAINTENANCE

To maintain the appearance and integrity of your 3D puzzle model:

- **Cleaning:** Dust the model gently with a soft, dry cloth or a soft brush. Avoid using water or cleaning solutions, as they may damage the material.
- **Storage:** Store the assembled model in a dry environment, away from direct sunlight and extreme temperatures, to prevent fading or warping of the polystyrene material.
- **Handling:** Handle the model carefully to avoid accidental disassembly or damage to delicate parts.

6. TROUBLESHOOTING

If you encounter any issues during assembly or with the completed model:

- **Difficulty Connecting Pieces:** Ensure that the pieces are correctly oriented and that the tabs align precisely with the slots. Apply gentle, even pressure. Do not force pieces, as this may cause damage.
- **Missing Pieces:** Double-check all packaging and puzzle sheets. If a piece is genuinely missing, refer to the 'Warranty and Support' section for contact information.
- **Model Instability:** Review the assembly steps to ensure all connections are secure. Sometimes a piece may not be fully interlocked.
