RoyalCraft 50" Buffet Cabinet with Storage Instruction Manual

Model: ZLSA001

INTRODUCTION

Thank you for choosing the RoyalCraft 50" Buffet Cabinet with Storage. This versatile and elegant piece of furniture is designed to enhance your living space with ample storage and a sophisticated aesthetic. Crafted from durable P2-grade MDF with a sleek, wear-resistant finish, this cabinet is built for longevity and easy maintenance. Its fluted door fronts, stylish gold metal handles, and raised legs contribute to its modern design, making it a perfect addition to your kitchen, dining room, living room, or entryway.

This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new buffet cabinet.

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Always assemble the cabinet on a soft, clean surface to prevent scratches.
- Ensure all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support immediately.
- Do not overtighten screws, as this may damage the material.
- For your safety, it is highly recommended to use the included anti-tip hardware to secure the cabinet to a wall, especially in homes with children or pets.
- Do not climb on or allow children to play on the cabinet.
- Distribute weight evenly on shelves and the top surface to prevent tipping or structural damage.
- Keep small parts and packaging materials away from children.

SETUP AND ASSEMBLY

Assembly typically requires two adults and a Phillips head screwdriver. Follow these steps carefully:

- 1. Unpack and Identify Parts:** Lay out all components on a clean, soft surface. Compare each part to the "Package Contents" list to ensure everything is present.
- 2. Assemble the Base:** Attach the six legs (G) to the bottom panel (B) using the provided screws from the hardware pack (H). Ensure they are securely fastened but do not overtighten.
- 3. Attach Side Panels:** Connect the side panels (C) to the bottom panel (B) using dowels and screws.
- 4. Install Back Panels:** Slide the back panels (D) into the grooves on the side and bottom panels.
- 5. Secure Top Panel:** Place the top panel (A) onto the assembled structure, aligning it with the side and back panels. Secure it with screws.
- 6. Install Hinges and Doors:** Attach the hinges from the hardware pack (H) to the doors (F) and then to the cabinet frame. Adjust hinges as needed for proper door alignment.
- 7. Attach Handles:** Secure the gold metal handles to the doors (F).
- 8. Insert Adjustable Shelves:** Place the shelf pins into the desired holes inside the cabinet. Position the adjustable shelves (E) on top of the pins. There are 3 height options for customization.
- 9. Install Anti-Tip Hardware:** For safety, attach the anti-tip hardware (H) to the back of the cabinet and then to a wall stud, following the specific instructions provided in the hardware pack. This step is crucial to prevent accidental tipping.

OPERATION

The RoyalCraft Buffet Cabinet is designed for versatile storage and display. Here are key operational aspects:

- **Adjustable Shelves:** The cabinet features adjustable shelves with 3 height options. To adjust, simply remove the shelf, reposition the shelf pins to the desired height, and then place the shelf back on the pins. This allows you to customize the interior space to accommodate items of various sizes, from tall dinnerware to books or small decorative items.
- **Door Operation:** The fluted doors open and close smoothly. Use the gold metal handles to open and close the doors. Ensure doors are fully closed to protect contents from dust.
- **Weight Capacity:** The top surface can support up to 180 lbs, and each adjustable shelf can hold up to 50 lbs. The bottom fixed shelf can hold up to 80 lbs. Distribute weight evenly to maintain stability and prevent damage.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your RoyalCraft Buffet Cabinet:

- **Cleaning:** Wipe the cabinet down regularly with a soft, damp cloth. For tougher spots, a mild soap solution can be used, followed by wiping with a clean, dry cloth. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood finish. The cabinet features a wear-resistant and water-resistant finish for easy cleaning.
- **Dusting:** Dust with a soft, dry cloth.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Heat and Moisture:** Do not place hot items directly on the surface. Use coasters or protective pads. Avoid placing the cabinet in areas with excessive humidity.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your RoyalCraft Buffet Cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Loose screws; uneven floor; adjustable feet not properly adjusted.	Ensure all screws are tightened. Adjust the central adjustable feet to level the cabinet on uneven surfaces.
Doors do not align or close properly.	Hinges are not properly adjusted or installed.	Adjust the screws on the hinges to align the doors. Refer to hinge adjustment instructions if provided with hardware.
Missing parts or damaged components upon arrival.	Shipping damage or packing error.	Do not proceed with assembly. Contact RoyalCraft customer support immediately with your order details.
Difficulty inserting shelf pins or shelves.	Holes are misaligned or obstructed.	Ensure shelf pins are inserted straight. Check for any debris in the holes.
