1. INTRODUCTION

Thank you for choosing the GarveeHome Farmhouse Dining Table. This manual provides detailed instructions for the proper assembly, safe use, and effective maintenance of your new dining table. Please read this manual thoroughly before beginning assembly or use to ensure optimal performance and longevity of your product.

2. SAFETY INFORMATION

To prevent injury or damage to the product, please observe the following safety guidelines:

- Always follow the assembly instructions carefully and ensure all fasteners are securely tightened before using the table.
- Do not overload the table. The maximum recommended load capacity is **350 lbs**.
- Keep small parts and hardware away from children during assembly to prevent choking hazards.
- Use the table on a flat, stable surface to prevent tipping.
- This table is designed for **indoor use only**. Avoid exposure to direct sunlight, extreme temperatures, or high humidity.
- Do not stand or sit on the table.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components and hardware are present and undamaged. Refer to the detailed parts list in the included Assembly Guide. The package typically includes:

- Tabletop sections
- Table legs
- Support beams/frame components
- Hardware pack (screws, bolts, washers, nuts)
- Assembly Guide
- Required tools (e.g., Allen Key)

4. ASSEMBLY INSTRUCTIONS

Assembly of the GarveeHome Farmhouse Dining Table is required. It is highly recommended that **two people** work together to complete the assembly process for safety and ease. The estimated assembly time is approximately 40 minutes. All screws and accessories are clearly labeled with corresponding numbers to match the steps in the provided Assembly Guide.

4.1 Recommended Tools

- Allen Key (usually included)
- Screwdriver (Phillips head recommended)

4.2 General Assembly Steps

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the labels and the Assembly Guide.
2. **Assemble the Table Legs:** Attach the leg components as instructed in the guide, ensuring all connections are firm.
3. **Construct the Table Frame:** Connect the support beams to the assembled legs to form the base frame of the table.
4. **Attach the Tabletop:** Carefully place the tabletop sections onto the assembled frame and secure them using the provided hardware.
5. **Final Tightening:** Once all parts are in place, gently tighten all screws and bolts. Do not overtighten.

5. OPERATING INSTRUCTIONS

The GarveeHome Farmhouse Dining Table is designed for versatile use in your dining room or kitchen. Its ergonomic design provides a comfortable height of 30 inches, allowing for ample legroom and suitability for various dining or conference purposes.

- **Seating Capacity:** This table is designed to comfortably seat 6 to 8 people.
- **Placement:** Position the table on a level surface to ensure stability.
- **Compatibility:** The table can be easily paired with a variety of dining chairs or benches.

6. MAINTENANCE AND CARE

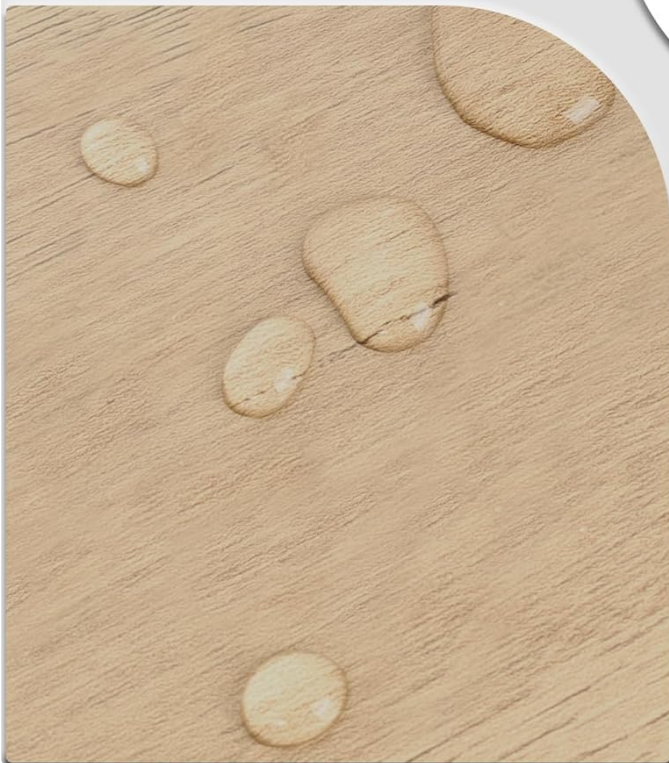

Proper care will help maintain the appearance and extend the life of your dining table.

- **Cleaning:** The table features a scratch- and stain-resistant laminate finish. For daily cleaning, wipe the surface with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining.
- **Protection:** Use placemats or coasters to protect the tabletop from hot dishes, spills, and scratches.
- **Foot Pads:** The specially designed non-slip foot pads protect your floor from scratches. Periodically check that they are securely in place.

Wood Grain Finish

Premium woodgrain finish protects the table while displaying natural texture

Waterproof & Dustproof

Fine and smooth grinding, safe, anti-collision and easy to clean

Image 6.1: The table's wood grain finish is waterproof and dustproof for easy maintenance.

7. TROUBLESHOOTING

If you encounter any issues with your dining table, please refer to the following common solutions:

- **Table Wobbles:** If the table feels unstable after assembly, re-check all connections and ensure all fasteners are securely tightened. Adjust the non-slip foot pads if necessary to level the table on uneven floors.
- **Damaged or Missing Parts:** If any parts were damaged during shipping or are missing from the package, please contact GarveeHome customer support immediately for assistance.
- **Surface Scratches:** While the laminate finish is scratch-resistant, deep scratches can occur. For minor scratches, furniture repair kits may be used. For significant damage, contact customer support.

8. PRODUCT SPECIFICATIONS
