1. PRODUCT OVERVIEW

The JUMMICO Makeup Vanity Desk with Hollywood Style Bulbs (Model VN250841) is designed to provide a functional and stylish space for beauty routines. It features ample storage, integrated lighting, and convenient power options.

Key Features:

- **Hollywood-style Illuminated Mirror:** A spacious mirror (26.5 inches wide, 17.3 inches high) with three adjustable lighting modes for optimal makeup application.
- **Ample Storage:** Includes a large central drawer, six deep side drawers, six open shelves, and three extra-wide storage compartments to organize beauty essentials.
- **Integrated Charging Station:** Features a built-in power strip with two AC outlets, one Type-C port, and one USB port for charging devices and powering beauty tools.
- **Hairdryer Holder:** A convenient rack for storing your hairdryer, keeping your desktop tidy.
- **Durable Construction:** Made from high-quality engineered wood with a smooth, waterproof surface for easy cleaning.

2. SETUP & ASSEMBLY

Assembly is required for this vanity desk. Please follow the included installation instructions carefully. It is recommended to have two people for a more efficient and safe assembly process.

Before You Begin:

- Unpack all components and verify against the parts list in the manual.
- Ensure you have all necessary tools. While simple tools are provided, a power drill and various screwdrivers may expedite the process.
- Clear a spacious area for assembly to prevent damage to components or your flooring.

Assembly Tips:

- **Screws for Top Panel:** In step 18 of the assembly, avoid using the longest screws from bag M for attaching the top

panel. These may be too long and could damage the particle board. Use slightly shorter screws if available, or exercise extreme caution.

- **Back Panels:** When attaching back panels, some pre-drilled holes might be missing. Use a drill bit and screwdriver to create new pilot holes as needed. Proceed slowly and carefully to avoid splitting the wood.
- **Drawer Assembly:** It is recommended to fully complete each drawer, including attaching the handles, before moving on to the next. This helps maintain organization and efficiency.
- **Light Connectors:** Test the LED lights before fully securing all components. Hot gluing the light connectors can help them stay in place better.

3. OPERATION

Illuminated Mirror:

The vanity features a Hollywood-style mirror with integrated LED lights. These lights offer three distinct lighting modes to

suit various needs:

- **Warm Light:** Provides a soft, warm glow, ideal for evening makeup or a relaxed ambiance.
- **Cool White Light:** Offers bright, natural daylight simulation, perfect for precise makeup application.
- **Warm Yellow Light:** A balanced light for general use.

To switch between modes and adjust brightness, use the control button located on the power cable. Press the button to cycle through the color modes, and hold it down to adjust the brightness level.

Charging Station:

The built-in charging station is located on the right side of the desktop. It includes:

- 2 Standard AC Outlets (125V/12A)
- 1 USB Port
- 1 Type-C Port

Use these ports to conveniently power your curling irons, hairdryers, beauty tools, and charge your phone or other electronic devices directly from your vanity.

4. MAINTENANCE

Cleaning:

The vanity desk features a smooth, waterproof surface that is easy to clean. Simply use a damp cloth to wipe down the surface. Avoid abrasive cleaners or harsh chemicals that could damage the finish.

General Care:

- Avoid placing excessively hot items directly on the surface to prevent heat damage.
- Regularly check and tighten any loose screws or fittings to maintain stability.
- Keep electrical components dry and away from liquids.

5. TROUBLESHOOTING

Common Issues & Solutions:

- **Difficulty during assembly:** Ensure all parts are correctly identified and oriented according to the manual. If screws are too long for certain sections (e.g., top panel), use shorter alternatives or pre-drill carefully.
- **Missing pre-drilled holes:** If you encounter sections without pre-drilled holes, use a small drill bit to create pilot holes before inserting screws. This prevents wood splitting.
- **Loose drawer locking cams:** Double-check that all locking cams are securely tightened to ensure drawers operate smoothly and remain stable.
- **Lights not working:** Verify that the power cable is securely plugged into both the vanity and a working wall outlet. Check the light switch for proper connection and functionality. Ensure all light bulb connectors are firmly in place.

6. SPECIFICATIONS

Feature	Detail
Model Number	VN250841
Brand	JUMMICO
Color	White
Style	Modern
Material	Wood (Engineered Wood)
Product Dimensions (L x W x H)	15.74"D x 43.3"W x 53.9"H
