## Safety 1st B0FLMJ7Z86

# Safety 1st EverSlim 4-in-1 Convertible Car Seat Instruction Manual

Model: B0FLMJ7Z86

## INTRODUCTION

---

The Safety 1st EverSlim 4-in-1 Convertible Car Seat is designed to provide secure and comfortable travel for your child through various stages of growth, from infancy to booster age. This versatile car seat offers four modes of use and incorporates features for ease of installation, adjustment, and maintenance.

## SETUP & INSTALLATION

Proper installation is crucial for your child's safety. This car seat supports installation using either the vehicle's seatbelt system or the LATCH (Lower Anchors and Tethers for Children) system. Always refer to your vehicle's owner's manual and the detailed instructions provided in the car seat manual for complete installation guidance.

### Adjustable Features for Installation

- **5-Position Recline:** The car seat features a 5-position adjustable base to ensure proper angle for rear-facing installation and comfort in forward-facing modes.
- **10-Position Headrest:** The headrest and harness adjust with one hand, eliminating the need for rethreading as your child grows.

**Seat pad**  
is made with  
antimicrobial fabric  
to inhibit the growth  
of bacteria and  
odor-causing microbes

Figure 3: The 10-position headrest and harness can be adjusted with one hand.

## OPERATING MODES

The EverSlim 4-in-1 Convertible Car Seat adapts to your child's growth with four distinct modes:

- **Rear-Facing:** For infants weighing 5–40 lbs. and between 19"–40" in height.
- **Forward-Facing:** For toddlers weighing 30–65 lbs. and between 34.4"–49" in height.
- **Belt-Positioning Booster:** For children weighing 40–100 lbs. and between 43.4"–52" in height.
- **Backless Booster:** Easily converts from the belt-positioning booster for children weighing 40–100 lbs. and between 43.4"–52" in height.

**Converts** to  
backless booster  
with 1 hand

**Seat cushion**  
is made of comfy  
memory-foam

Figure 5: The car seat easily converts to a backless booster with a single hand.

## SAFETY FEATURES

Your child's safety is paramount. The EverSlim car seat is engineered and tested to meet or exceed federal safety standards, including the federal Side Impact standard.

- **SecureTech Chest Clip:** Features a red-to-green indicator that visually confirms when your child's chest clip is securely fastened, providing peace of mind.
- **5-Point Harness:** Ensures your child is safely secured in the seat.

## Base features **5-position recline**

## COMFORT & CONVENIENCE

- **Ultra-Slim Design:** Measuring just 17.3" across without the cup holders, this car seat is designed to fit three across most back seats without compromising comfort.
- **Memory Foam Cushion:** The seat cushion is made of comfortable memory foam for enhanced child comfort.
- **Removable Cup Holders:** Includes two removable, dishwasher-safe cup holders, one with a BPA-free snack lid.

**Machine-washable**  
and dryer-safe  
seat pad and  
infant inserts

Figure 8: The ultra-slim design allows for three car seats to fit across most back seats.

Figure 9: The car seat includes two removable and dishwasher-safe cup holders.

**10-position  
headrest** and  
harness adjust  
with 1 hand and  
no rethreading  
needed

Figure 10: The seat cushion is crafted from comfortable memory foam.

## MAINTENANCE

Keeping your car seat clean is simple with its easy-to-maintain features:

- **Machine-Washable Fabrics:** The removable seat cover and infant inserts are machine-washable and dryer-safe, making cleanup of spills and messes effortless.
- **Antimicrobial Fabric:** The seat pad is made with antimicrobial fabric to inhibit the growth of bacteria and odor-causing microbes.

**2 removable**  
and dishwasher safe  
cupholders—one  
with a BPA-free  
snack lid
