NUU GARDEN DS201-BU

NUU GARDEN DS201-BU Patio Chairs Instruction Manual

Model: DS201-BU | Brand: NUU GARDEN

1. INTRODUCTION

Thank you for choosing NUU GARDEN Patio Chairs. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor dining chairs. Please read these instructions thoroughly before assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe use of your patio chairs, please observe the following:

- Always assemble the chairs on a flat, stable surface.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 300 pounds per chair.
- Keep children away from the assembly area and ensure they do not play on or around the chairs unsupervised.
- Avoid standing on the chairs.
- Do not use the chairs if any parts are damaged or missing. Contact customer support for replacement parts.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present. If any parts are missing or damaged, please contact NUU GARDEN customer service.

Part	Description	Quantity
A	Armrests	2 per chair
B	Seat/Backrest Frame with Textilene	1 per chair
C	Front Leg Support Bar	1 per chair
D	Rear Leg Support Bar	1 per chair
E	Seat Support Rod	1 per chair
F	M6*52 Bolts	4 per chair
G	M6*68 Bolts	4 per chair
H	Washers	8 per chair
I	Nuts	4 per chair

Note: An Allen wrench and a small wrench are typically included for assembly.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is straightforward and typically takes about 6 minutes per chair. Follow these steps carefully:

EASY ASSEMBLY

STEPS

6
MIN

Image: Easy assembly diagram for NUU GARDEN DS201-BU patio chair, showing main components and steps.

1. Step 1: Attach Seat Support Rod (E) to Seat/Backrest Frame (B)

Rotate the seat/backrest frame (B) so the holes face inward. Insert the seat support rod (E) through the fabric loops at the bottom of the seat. Secure the rod with two washers (H) and two nuts (I) at each end.

Note: Wrinkles in the textilene fabric are normal and will flatten after installation.

2. Step 2: Assemble the Chair Base

Attach the front leg support bar (C) and rear leg support bar (D) to the armrests (A) using four M6*52 bolts (F), four washers (H), and four nuts (I). Ensure the holes align correctly.

3. Step 3: Connect Seat to Base

Align the assembled seat/backrest frame (B) with the chair base. Secure the seat to the base using four M6*68 bolts (G) and four washers (H).

4. Final Tightening

Once all bolts are in place, gently tighten them with the provided tools. Do not fully tighten any bolt until all bolts are correctly positioned. After all bolts are snug, place the chair on a flat, level surface and then fully tighten all bolts to ensure stability.

This video demonstrates the step-by-step process of assembling the chair, including attaching the seat to the frame and securing all bolts. It highlights the components and tools required for a successful setup.

5. OPERATING INSTRUCTIONS (USAGE)

Your NUU GARDEN patio chairs are designed for comfortable outdoor seating. They are suitable for dining, relaxing, reading, or office use in various outdoor settings such as patios, porches, poolside, or gardens.

Stackable Design

These chairs feature a convenient stackable design for efficient storage. When not in use, simply stack the chairs to save space, making them ideal for both small and large outdoor areas.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your NUU GARDEN patio chairs:

- **Cleaning:** Wipe clean with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners that could damage the textilene fabric or powder-coated iron frame.
- **Weather Resistance:** The breathable textilene fabric is resistant to fading, water, and UV rays. The iron frame is powder-coated for durability. While designed for all-weather use, storing chairs indoors or covering them during extreme weather conditions (heavy rain, snow, strong winds) is recommended to prolong their lifespan.
- **Inspection:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your chairs, refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Chair wobbles or feels unstable	Bolts are not fully tightened or unevenly tightened.	Place the chair on a flat, level surface. Loosen all bolts slightly, then re-tighten them evenly and firmly.
Paint scratches or chips	Normal wear and tear, or impact during use/storage.	Touch-up paint can be used for minor scratches. Handle chairs carefully to prevent further damage.
Textilene fabric appears wrinkled	New product condition; fabric needs to settle.	Wrinkles are normal and will typically flatten out over time with use and exposure to warmth.

8. SPECIFICATIONS

Detailed specifications for the NUU GARDEN DS201-BU Patio Chairs:
