LUXOAK BMB029

LUXOAK King Bed Frame Instruction Manual

Model: BMB029

PRODUCT OVERVIEW

The LUXOAK King Bed Frame is designed for comfort and functionality, featuring a 3-tier storage headboard, integrated LED lighting, and a built-in charging station. This metal platform bed also includes four spacious storage drawers, hidden compartments, and a noise-free design, eliminating the need for a box spring.

Key Features:

- **Integrated Headboard Charging Station:** Equipped with 2 AC outlets, 1 USB port, and 1 Type-C port for convenient device charging.
- **Triple-Layer Smart Storage:** Features two open shelves and one discreet hidden compartment within the headboard for organized storage.
- **4 Massive Silent Drawers:** Oversized drawers with silent gliding tracks and integrated safety locks for effortless and secure storage.
- **RGB Ambient Lighting:** Customizable LED headboard lighting with adjustable brightness, multiple colors, modes, and timer functions.
- **All-Metal Silent Frame:** Robust metal core structure ensuring stability, high weight capacity, and a noise-free sleep environment.

SETUP AND ASSEMBLY

Assembly of the LUXOAK King Bed Frame requires careful attention to the provided instructions. It is recommended to have two people for assembly. All necessary tools and hardware are included.

Step-by-Step Assembly:

1. **Unpacking and Inventory:** Carefully unbox all components and verify against the parts list in your manual. Ensure all hardware is present.
2. **Headboard Assembly:**

Assemble the 3-tier storage headboard by connecting the wooden panels using the provided screws and dowels. Ensure the charging station unit is securely fitted into its designated slot.

3. **Frame Assembly:** Connect the main metal frame components. The frame is designed for easy interlocking. Secure all connections with the provided bolts and nuts.
4. **Headboard Attachment:** Attach the assembled headboard to the main bed frame. Ensure it is firmly secured to prevent movement.
5. **LED Light Installation:** Carefully adhere the RGB LED light strip along the designated channel within the headboard. Connect the power cord to the charging station unit.
6. **Drawer Assembly:**

Figure 3: Close-up of the storage drawers, highlighting the lockable design and smooth wheels for easy sliding. Assemble the four storage drawers. Attach the roller wheels to the bottom of each drawer for smooth operation. The drawers are designed to slide freely under the bed frame.

7. **Hidden Compartment Covers:** Install the upholstered covers for the hidden compartments in the headboard. These covers are designed to lift for access.

For a visual guide, please refer to the official assembly video provided by LUXOAK.

Note: While a video demonstrating assembly was available, it was created by an influencer and not directly by the seller. For official guidance, please refer to the written manual.

OPERATING INSTRUCTIONS

Charging Station:

The headboard features a built-in charging station. To use, simply plug the bed frame's power cord into a standard wall outlet. You can then use the 2 AC outlets, 1 USB port, and 1 Type-C port to charge your electronic devices.

KING SIZE

RGB LED Lighting:

The RGB LED lights are controlled via a remote control. Ensure the lights are properly connected to the charging station. Use the remote to:

- **Power On/Off:** Press the red 'On' or 'Off' button.
- **Change Colors:** Select from a wide range of colors using the color buttons.
- **Adjust Brightness:** Use the brightness control buttons.
- **Select Modes:** Choose from various dynamic modes (e.g., flash, fade, strobe) or music mode.
- **Set Timer:** Utilize the timer function to automatically turn off the lights after a set period.

Storage Drawers:

The four storage drawers are designed to slide smoothly under the bed. They feature integrated safety locks to prevent accidental opening. To open, gently pull the drawer. To close, push until the lock engages.

Hidden Headboard Compartments:

The headboard includes two hidden compartments behind the upholstered panels. Gently lift the upholstered panel to access the storage space. Close by pushing the panel back down until it latches securely.

MAINTENANCE

- **Cleaning:** Wipe the metal and wooden surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners. For upholstered parts, use a fabric-appropriate cleaner if necessary, spot cleaning only.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Tighten if necessary to maintain stability and prevent squeaking.
- **Drawer Maintenance:** Keep the drawer tracks clean and free of debris to ensure smooth operation.

- **LED Lights:** Avoid bending or creasing the LED light strip excessively. If a segment fails, contact customer support for assistance.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is squeaking.	Loose hardware connections.	Tighten all screws and bolts on the frame. Ensure all parts are correctly aligned.
LED lights are not working.	Power cord unplugged; remote control battery low; LED strip disconnected.	Check if the power cord is securely plugged into the wall and the headboard. Replace remote control batteries. Ensure the LED strip is properly connected to the charging station.
Charging station not providing power.	Power cord unplugged; circuit overload.	Verify the bed frame's power cord is fully plugged in. Reduce the number of devices connected to prevent overload. Check your home's circuit breaker.
Storage drawers are difficult to slide.	Debris in tracks; wheels obstructed.	Clear any debris from the floor and the drawer wheels. Ensure nothing is obstructing the drawer's path under the bed.
Hidden headboard compartments not closing securely.	Obstruction; latch misalignment.	Check for any items blocking the closing mechanism. Ensure the upholstered panel is correctly aligned with the latch.
